## **What is the Health and Wellbeing Board?**

Havering's Health and Wellbeing Board (HWB) is a Committee of the Council on which both the Council and local NHS and other bodies are represented. The Board works towards ensuring people in Havering have services of the highest quality which promote their health and wellbeing and to narrow inequalities and improve outcomes for local residents. It will achieve this by coordinating the local NHS, social care, children's services and public health to develop greater integrated working to make the best use of resources collectively available.
