## **Protocol for members of the public wishing to report on meetings of the London Borough of Havering**

Members of the public are entitled to report on meetings of Council, Committees and Cabinet, except in circumstances where the public have been excluded as permitted by law.

Reporting means:-

- filming, photographing or making an audio recording of the proceedings of the meeting;
- using any other means for enabling persons not present to see or hear proceedings at a meeting as it takes place or later; or
- reporting or providing commentary on proceedings at a meeting, orally or in writing, so that the report or commentary is available as the meeting takes place or later if the person is not present.

Anyone present at a meeting as it takes place is not permitted to carry out an oral commentary or report. This is to prevent the business of the meeting being disrupted.

Anyone attending a meeting is asked to advise Democratic Services staff on 01708 433076 that they wish to report on the meeting and how they wish to do so. This is to enable employees to guide anyone choosing to report on proceedings to an appropriate place from which to be able to report effectively.

Members of the public are asked to remain seated throughout the meeting as standing up and walking around could distract from the business in hand.

#### **Development presentations**

I would like to inform everyone that Councillors will receive presentations on proposed developments, generally when they are at the pre-application stage. This is to enable Members of the committee to view the development before a planning application is submitted and to comment upon it. The development does not constitute an application for planning permission and any comments made upon it are provisional and subject to full consideration of any subsequent application and the comments received as a result of consultation, publicity and notification.

#### **Applications for decision**

I would like to remind members of the public that Councillors have to make decisions on planning applications strictly in accordance with planning principles.

I would also like to remind members of the public that the decisions may not always be popular, but they should respect the need for Councillors to take decisions that will stand up to external scrutiny or accountability.

Would everyone in the chamber note that they are not allowed to communicate with or pass messages to Councillors sitting on the Committee during the meeting.
