Licensing Act 2003**

**Report Author and contact details:**

**Richard Cursons – Democratic  
Services Officer - 01708 432430  
richard.cursons@onesource.co.uk**

Members are advised that, when considering an application to vary a premises licence, the following options are available to them by virtue of the Licensing Act 2003, Part 3, section 35, paragraphs 3 and 4:

"Where relevant representations are made, the authority must

- (a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and
- (b) having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives.

The steps are:

- a) modify the conditions of the licence
- b) reject the whole or part of the application

and for this purpose, the conditions of the licence are modified if any of them is altered or omitted or any new condition is added."

The Sub-Committee will also wish to note that, if none of these steps is required, the application must be granted.

Assuming that the Sub-Committee is satisfied that a hearing is required, then the following procedural steps are recommended. The Licensing Act 2003 (Hearings) Regulations 2005 will govern the arrangements for the hearing of the application now under consideration. This report accords with the requirements of that Act and the Regulations, and in particular Regulations 21-25 (procedure at the hearing).

**1. Membership of the Sub-Committee:**

- 1.1 The Sub-Committee comprises three members of the Licensing Committee, with a quorum of two members. **Unless there are objections, in the absence of three members, the hearing shall proceed with the quorum of two.**

  - 1.2.3 is a Ward Councillor for a Ward which is likely to be affected by the application or;
  - 1.2.4 has a personal interest in the application.

- 2.1 The Legal Advisor is not a party to the hearing. The role of the Legal Advisor is to provide legal advice relating to the application and submissions.
- 2.2 The Clerk is not a party to the hearing. The role of the Clerk is to record the hearing and the decisions of the Sub-Committee, and ensure efficient administration

**3. Location and facilities:**

- 3.1 All hearings will be heard at the Havering Town Hall unless otherwise directed.
- 3.2 Interpreters will be provided by the Council on request, provided notice is given at least five working days before the hearing.

**4. Notification of attendance:**

- 4.1 The Chairman will enquire of the parties who is in attendance and the parties will indicate their names (and, where relevant, whom they represent). A register will be circulated before the commencement of the hearing on which the applicant, his/her advisers and companions and all interested parties (and/or their representatives) will be asked to record their attendance.

## **5. Procedural matters:**

- 5.1 Prior to the commencement of the hearing, the Chairman of the Sub-Committee will orally inform the parties whether their applications to have certain people attend the hearing (e.g. witnesses) have been granted or refused. Note this relates to people other than those attending on behalf of a party in the capacity as a representative of the party.
- 5.2 Prior to the commencement of the hearing the Chairman of the Sub-Committee will outline the procedure to be followed at the hearing. This will normally be as follows:

### **Introduction of the application:**

The Licensing officer will outline:

- details of the application and relevant representations received from the parties;
- relevant legislation ;
- relevant Licensing Policy; and
- the time limit in which the Council must reach a determination.

### **Documentary evidence:**

- Documentary or other information in support of applications, representations or notices should be provided to the Clerk of the Sub-Committee at least 5 clear working days before the hearing. If this information is produced at the hearing it will only be taken into account by the Sub-Committee if the Sub-Committee and all the parties consent to its submission. Permission to have this information included in the hearing should be requested at the beginning of the hearing before any oral submissions have been made.
- Statements made by people in support of a party's representation who are not present at the hearing, must be signed by the maker, dated and witnessed by another person. The statement must also contain the witness's full name and occupation.

### **Representations:**

- The chairman will invite each of the parties at the hearing or their representative sequentially to address the Sub-Committee and call any person/s to whom permission has been granted to appear. Each party will be allowed a maximum period of 10 minutes in which to address the Sub-Committee and call persons on his/her behalf.
- This 10 minute period is where each party has the opportunity to orally address the Sub-Committee and clarify any points in which

the Sub-Committee has sought clarification prior to the hearing. This 10 minute period should be uninterrupted unless a member of the Sub-Committee or Legal Advisor considers that the speaker is making submissions that are irrelevant, frivolous or vexatious.

- Members of the Sub-Committee may ask questions of any party, at any time during the proceedings. Time taken in dealing with a Member's question will not be taken into account in determining the length of time available to the party in question to make their representation.

The sequence in which each of the parties will be invited to address the Sub-Committee will normally be in the order of:

- the Chief Officer of Police;
- the Fire Authority;
- the Health and Safety at Work Enforcing Authority;
- the Local Planning Authority;
- the Local environmental Health Authority;
- the Local Weights and Measures Authority;
- the Authority Responsible for the Protection of Children from Harm;

- the party that has submitted the application, certificate, notice or other matter appearing before the Sub-Committee.

At the discretion of the Sub-Committee the above order may be varied.

### **Cross-Examination:**

Where witnesses have been permitted by the Sub-Committee to speak at the hearing on behalf of a party, permission must be sought from the Sub-Committee before another party can ask the witness questions. This process of questioning is normally referred to as cross-examination. The Sub-Committee will allow cross-examination only where it is necessary to assist it in considering the representations or application.

### **Relevance:**

Information submitted at the hearing must be relevant to the applications, representations, or notice and the promotion of the licensing objectives. The Chairman of the Sub-Committee is entitled to exclude any information it considers to be irrelevant whether presented in written or oral form. The licensing objectives are:

- The prevention of crime and disorder;**
- Public safety;**
- The prevention of public nuisance; and**
- The protection of children from harm.**

### **6. Failure of parties to attend the hearing:**

- 6.1 If a party, who has not given prior notice of his/her intention not to attend the hearing, is absent from the hearing the Sub-Committee may either adjourn the hearing or hold the hearing in the party's absence. Where the hearing is held in the absence of a party, the Sub-Committee will still consider the application, representation or notice submitted by that party.

### **7. Adjournments and extension of time:**

- 7.1 The Sub-Committee may adjourn a hearing to a specified date or extend a notice period except where it must make a determination within certain time limits in the following specific applications:
- Review of premises licences following closure orders where the Sub-committee must make a determination within 28 days of receiving notice of the closure order.

**8. Sub-Committee's determination of the hearing:**

- 8.1 At the conclusion of the hearing the Sub-Committee will deliberate in private accompanied by the Clerk and the Legal Advisor who will be available to assist the Sub-Committee with any legal problems but will not participate in any decision making of the Sub-Committee.
- 8.2 The Sub-Committee will normally make its determination and announce its decision at the end of the hearing.
- 8.3 Where all parties have notified the Sub-Committee that a hearing is not required the Sub-Committee must make its determination within 10 working days of being given notice that the hearing is not required.

- it considers that the public interest would be best served by excluding the public or the individual person from the hearing; or
  - that person is behaving in a disruptive manner. This may include a party who is seeking to be heard at the hearing. In the case where a party is to be excluded, the party may submit to the Sub-Committee in writing any information which they would have been entitled to give orally had they not been required to leave the hearing.

**10. Recording of proceedings:**

- 10.1 A written record of the hearing will be produced and kept for 6 years from the date of the determination of the hearing.

**11. Power to vary procedure:**

- 11.1 The Sub-committee may depart from following any of the procedures set out in this document if it considers the departure to be necessary in order to consider an application, notice or representation.

Representation from  
Responsible Authorities

## Licensing Act 2003 – responsible authority representation

This representation is made by a responsible authority for the London Borough of Havering concerning a premises licence application for the premises as detailed below.

**Applicant:** Mr Muttalib Batkitar  
**Premises:** Med Shish 151 South Street Romford RM1 1PL

-----  
**Name:** Paul Jones  
**Organisation:** London Borough of Havering Licensing Authority  
**Address:** c/o Town Hall Main Road Romford RM1 3BD  
**Email:** paul.jones@havering.gov.uk  
**Telephone no.:** 01708 432692

-----  
**Objection summary:** The application has declined to provide any rebuttal further to cumulative impact while the proposed conditions appear ill equipped to successfully address the promotion of all four licensing objectives.

### Policy considerations

#### Licensing Policy 1

In considering applications for new licences, variations to existing licences and licence reviews the Licensing Authority will take the matters listed below into account:

- whether the premises is located in an area of cumulative impact;
- the type of premises and their cumulative impact on the area and the mix of premises in the area;
- the location of the premises and the character of the area;
- the views of the responsible authorities;
- the views of other persons;
- past compliance history of current management;
- the proposed hours of operation;
- the type and number of customers likely to attend the premises;
- whether the applicant is able to demonstrate commitment to a high standard of management, for example through active participation in the Safe and Sound meetings and pub watch.

#### Licensing Policy 2

The Licensing Authority has adopted a special policy relating to cumulative impact in relation to:

- Romford town centre within the ring road
- St Andrews Ward

This policy creates a rebuttable presumption that applications for new premises licences, club premises certificates, or variation applications that will to add to the existing

cumulative impact, will normally be refused, unless the applicant can demonstrate why the operation of the premises involved will not add to the cumulative impact and not impact adversely on the promotion of the licensing objectives. The exception to this policy will be for applications for restaurants where alcohol is sold ancillary to a table meal and the terminal licensing hour is in line with the policy.

### Licensing Policy 7

When dealing with new and variation applications the Licensing Authority will give more favourable consideration to applications with the following closing times:

Public Houses and Bars	23:00 Sunday to Thursday 00:00 Friday and Saturday
Nightclubs	01:00 Sunday to Thursday 02:00 Friday and Saturday
Restaurants and Cafes	23:00 Sunday to Thursday 00:00 Friday and Saturday
Off licences	23:00 Monday to Sunday

Hot food and drink supplied by takeaways, fast food premises 00:00 Sunday to Thursday  
01:00 Friday and Saturday

Hotel residents only 24 hours sale of alcohol for on sales only

Consideration will also be given to the type of area that the premises is located in with regulated activities normally being permitted until 23:30 in residential areas and 00:30 in mixed use areas.

These hours are not pre-determined and each application will be considered on its merits.

### Licensing Policy 14

The Licensing Authority is committed to protecting the amenity of residents and businesses in the vicinity of licenced premises, particularly when late hours have been sought. Where relevant representations are received the Licensing Authority will impose appropriate restrictions or controls on the licence to support the prevention of undue noise disturbance from licensed premises.

### Licensing Policy 19

The Licensing Authority will require consideration of measures to protect children from harm to be reflected in the operating schedule where applicants identify the need, having regard to their type of premises or licensable activities. Applicants for premises licences and club premises certificates authorising the admission of children without accompanying responsible adults will be required to submit a safeguarding children protection policy detailing the steps to be taken to ensure that children in their charge will be protected from harm when on licensed premises or engaged in activities relating to the licence.

## Representation

This application is designed to extend the hours during which late night refreshment for take-away may be provided on a Friday and Saturday from the current terminal hour of 02:00 to a new terminal hour of 04:00. The current 02:00 terminal hour is already in excess of the guideline terminal hours identified in Licensing Policy 7.

The premises is located at Havering's most significant crime 'hot-spot' at the transport hub adjacent to Romford station. The premises is located within Romford's cumulative impact zone as defined in Licensing Policy 2. The applicant, via his agent, has declined to offer any rebuttal of Havering's special policy further to cumulative impact despite receiving two contacts from the licensing authority suggesting it would be in the interests of the applicant to do so. This might suggest that the applicant does not accept cumulative impact as a legitimate concern.

The premises' recent history required that, after an intervention by the Police in September 2016, the late night refreshment hours were reduced to their current level (i.e. an 02:00 terminal hour Monday to Sunday). A series of conditions were added further to the premises licence holder's duty to ensure that all employees have the right to work in the UK.

The current premises licence holder and hence applicant for this variation had the licence transferred to him in June 2018. Clearly he had no involvement in the reasons for the previous Police intervention. We must remember, however, that the premises' location remains a constant. The location at the place where large numbers of people congregate makes it a popular destination at which revellers like to visit on their journey home having spent the night consuming alcohol. Dispersal from the town centre is therefore delayed. A failure to disperse can and does lead to anti-social behaviour of various forms. The hours reduction in September 2016 was a measure encouraged by the Police to reduce the ongoing effects of anti-social behaviour which had attended this premises at that time.

The conditions proposed by the applicant to add to those already on the licence might appear less than reassuring given the location of the venue and its previous history.

### General – all four licensing objectives

This section appears to have a two-fold proposal: (a) a sufficient number of competent staff shall be on duty and (b) training shall be provided to staff.

With regard to (a) we would normally expect that a sufficient number of staff are on duty as a matter of course as, notwithstanding anything else, it is simply good business practice to have enough staff to attend to customers; making it a conditional requirement might therefore appear open to interpretation.

With regard to (b) we would normally be reassured to see that training requirements are installed on a premises licence. In this case, however, the proposal raises some concerns. The applicant proposes that *The Licensee shall ensure that all staff will undertake training in their responsibilities in relation to the sale of alcohol, particularly with regard to drunkenness and underage persons. Records will be kept of training and refresher training.* This premises licence does not authorise the sale of alcohol so it is difficult to see what responsibilities staff may have further to the sale of alcohol. We may perhaps conclude one of two things: either the premises is selling alcohol without an authorisation or the proposed condition has been included in a less than diligent 'copy-and-paste' approach to application submission wherein the conditions from another application have been copied and put into this one with little thought given to whether they are appropriate.

## **The prevention of crime and disorder**

This section proposes conditions further to the installation of CCTV. There is already a CCTV condition on the current version of the licence but the proposals contained here expand upon the applicant's CCTV commitments. While such proposals are welcomed we might reasonably have expected that the applicant outlines what he intends to do to address the extended period from 02:00 to 04:00 in which significant numbers of customers, in all likelihood under the influence of alcohol, are likely to arrive at his premises. Are we to conclude that the applicant is of the view that the mere presence of CCTV within the premises will successfully prevent crime and disorder from occurring during this early morning period?

## **Public safety**

A number of proposals are identified further to the presence of firefighting equipment and emergency lighting. Again, while all public safety proposals are to be welcomed we might reasonably have hoped that the applicant's public safety risk assessments addressed the issue further to the weekend 02:00 to 04:00 period in which the premises is likely to be full of customers who are under the influence of alcohol.

## **The prevention of public nuisance**

This section proposes that customers will be asked to leave the premises quietly and attendant signage will request similarly. There are numerous forms of public nuisance so we might have reasonably expected that matters such as customer behaviour and customers' disposal of litter might also have been addressed here.

## **The protection of children from harm**

The applicant's proposals here are:

*The licensee and staff will ask persons who appear to be under the age of 25 for photographic ID such as proof of age cards, the Connexions Card and Citizen Card, photographic driving licence or passport, an official identity card issued by HM Forces or by an EU country, bearing the photograph and date of birth of bearer. All staff will be trained for UNDERAGE SALES PREVENTION regularly. A register of refused sales shall be kept and maintained on the premises.*

It is my understanding that there is no age restriction placed upon the purchase and consumption of hot food such as a kebab, a hamburger or a bag of chips. We certainly would not expect that the operator self-imposes a Challenge 25 policy further to the sale of kebabs to ensure that only customers who can provide identification to prove that they are over the age of 18 are permitted to buy the food available. Again, training for 'underage sales prevention' might reasonably be considered to relate to the sale of alcohol rather than to the provision of hot food. The proposals here might appear entirely redundant therefore unless we conclude that alcohol sales are being made from this premises. Entirely absent from this section are, for example, any proposals further to what the applicant's response might be should an unaccompanied child arrive on the premises late in the evening or in the early hours of the morning.

Perhaps we might reasonably conclude that this is another example of the application's 'copy-and-paste' approach to proposing steps to promote the licensing objectives. The proposals contained in this application might appear to have been copied from an application for an off-licence premises supplying alcohol rather than from a premises providing late night refreshment alone. Such an approach clearly does not reassure us that the applicant is providing appropriate consideration towards the duty to promote the licensing objectives. Little thought appears to have been given to the completion of the application form which in turn suggests that little thought will be given to the actual

implementation of these proposals. How can the premises licence holder expect that providing his staff with training further to the sale of alcohol will benefit his staff's approach to the supply of late night refreshment? Why are the premises' customers expected to show identification to prove they are over 18 when there is no age restriction further to the supply of hot food?

While the location of this premises works in the applicant's favour further to potential customer footfall it also works in the opposite direction as the responsibilities further to promoting the licensing objectives placed upon the applicant are greatly increased so will naturally require extra diligence. This application unfortunately suggests to us that the applicant's approach is *likely* to adversely impact upon the promotion of the licensing objectives and would therefore *add* to cumulative impact in this area. Based upon this assessment we are unable to support the application.

**Subject: Objection to Med Shish 151 South Street Romford RM1 1PL**

Dear Licensing Authority

In relation to the application received by Police on 05<sup>th</sup> November 2018 to vary the premises licence for Way2Save, Med Shish 151 South Street Romford RM1 1PL, with a view to extend their licence so that they would be permitted to open from 2300hrs until 0400hrs Friday to Saturday instead of their current permitted hours of 2300hrs until 0200hrs. Police have supplied background information concerning the history of the venue and the history of the area. Police would like to object to this application, the licensing objectives that Police are objecting under are Crime and Disorder, Public Nuisance are listed below the Background of the venue.

The venue is situated in the middle of a busy transport hub only a short distance from numerous licensed venues. The clientele that would be attending the venue in the early hours of the morning would be people that are heavily intoxicated and unpredictable. In the past the venue has been the cause of large scale disorder and anti-social behaviour. Due to the size of the venue it can become over crowded very quickly and with only one or two door supervisors it would not be policed in a safe manner and the fear is that this will lead to confrontation inside and outside the venue.

The Police strongly believe that the any extension in Med Shish hours would have a direct result in an increase of Anti-Social Behaviour and violent crime at the location and in the nearby area.

The Police at this time do not have confidence that the venue will run efficiently in accordance with the requested licence conditions.

Yours sincerely,

PC Adam Williams – East Area Licensing Team
