Annual Certification Report (2014/15)

We are pleased to present our Annual Certification Report which provides members of the Audit Committee with a high level overview of the results of the Housing Benefit certification work we have undertaken at the London Borough of Havering for the financial year ended 31 March 2015.

Our work has been undertaken in accordance with our appointment by Public Sector Appointments Ltd (PSAA) as external auditor. The PSAA is the replacement body of the Audit Commission as at 1 April 2015 and from this date only the Housing Benefit Subsidy claim was subject to certification under this new arrangement. For independent reporting on any other grant claim or return this fell outside of the PSAA arrangement and as such is not included within this report.

We ask the Audit Committee to consider the results of Housing Benefit certification work.

Yours faithfully,

PricewaterhouseCoopers LLP

BEN01 Housing Benefit Subsidy Claim for year ended 31 March 2015

a) Introduction

Local authorities responsible for administering housing benefit (HB) for tenants of a local authority and rent allowances for private tenants, claim subsidy from the Department for Work and Pensions (DWP) in accordance with section 140 of the Social Security Administration Act 1992 and the Income-related Benefits (Subsidy to Authorities) Order 1998, SI 562 as amended. With the exception of certain areas of benefit spending where authorities have the most scope to monitor and control costs, subsidy is paid at the full rate of 100 per cent. The final claim form (MPF720A) reflects the Authorities annual position for subsidy owed to / from DWP. DWP use the results of auditor certification on this claim form as part of their determination in the annual settlement or claw back with an Authority.

Public Sector Audit Appointments Ltd (previously known as the Audit Commisison) require that all matters arising are either amended for (where appropraite) or reported within a qualification letter which follows a prescribed format. The certification approach which is to be applied by auditors (acting as agent to PSAA) is defined by the PSAA and they have agreed guidance with the DWP.

The Authority claim required no amendments to the original claim form as submitted to the DWP in April 2015 and 3 qualification letter matters. These matters were not significant and related to roundings between the benefits system and the claim form, an overpayment of benefit of £50 in one case and an underpayment of benefit of £174 in another.

Scope of Work

Each year the Department for Work and Pensions (DWP) requests certification by an appropriately qualified auditor, of the Housing Benefit subsidy claim as submitted to them by local authorities each April. Certification arrangements are made by the PSAA (transitional body for the Audit Commission from 1 April 2015) under Section 28 of the Audit Commission Act 1998 and allows for the DWP to obtain assurance about an authority's entitlement to Housing Benefit subsidy in respect of their administering of housing benefit (HB) for tenants of a local authority and rent allowances for private tenants.

Certification work is not an audit but a different type of assurance engagement which reaches a conclusion but does not express an opinion. This involves applying prescribed tests, as set out within HBCOUNT Modules and BENO1 Certification Instruction (CI) issued to us by the PSAA; these are designed to provide assurance, for example, that the Authority claim is fairly stated and in accordance with specified terms and conditions.

Our role is to act as 'agent' of the PSAA when undertaking this certification work. We are required to carry out work and complete an auditor certificate in accordance with the arrangements and requirements set by the PSAA.

We also consider the results of certification work when performing other Code of Audit Practice work at the Authority, including our conclusions on the financial statements and value for money.

International Standards on Auditing UK and Ireland (ISAs), the Auditing Practices Board's Practice Note 10 (Revised) and the PSAA's Code of Audit Practice do not apply to certification work.

Statement of Responsibilities

The PSAA publishes a 'Statement of responsibilities of grant-paying bodies, authorities, the PSAA and appointed auditors in relation to claims and returns' this is available from the PSAA website. It summarises the Commission's framework for making certification arrangements and highlights the different responsibilities of grant-paying bodies, authorities, the PSAA and appointed auditors in relation to claims and returns.
