240 **P0272.17 - 29 RISEBRIDGE ROAD, GIDEA PARK, ROMFORD**

The application before Members sought planning permission for the part demolition of an existing flat roofed rear extension and to construct single and two storey rear extensions.

Members noted that the application had been called-in by Councillor Osman Dervish if minded to refuse planning permission, as he did not believe that the proposal caused harm to the character of the Gidea Park Conservation Area as it would not impact on the street scene.

In accordance with the public speaking arrangements the Committee was addressed by an objector with a response by the applicant.

The objector commented that property was within the Gidea Park Conservation Area and the proposal by virtue of its height and scale would harm the characterful rear elevation of the property. The objector concluded by commenting that the excessive depth of the proposal would have an unneighbourly effect on adjacent properties.

In response the applicant commented that the report confirmed that the ground floor extension was acceptable and that all that was being added at first floor level was a dormer window. The applicant concluded by commenting that the proposal overall would cause no visual harm to the character of the property.

With its agreement Councillor Osman Dervish addressed the Committee.

Councillor Dervish commented that the proposed extensions would allow the occupiers to lead a more comfortable life by providing extra bathroom facilities to the property. Councillor Dervish concluded by commenting that the application was a reasonable one that would not affect the conservation area in a negative way.

During a brief debate Members sought and received clarification of the dimensions of the proposal and how it would sit within neighbouring properties within the conservation area.

The report recommended that planning permission be refused however following a motion to approve the granting of planning permission which was carried by 10 votes to 1 it was **RESOLVED** that it be delegated to the Director of Neighbourhoods to grant planning permission subject to conditions as the Committee considered that the development would not cause harm to the conservation area.

The vote for the resolution to delegate the granting of planning permission was carried by 10 votes to 1.

Councillor Hawthorn voted against the resolution to delegate the granting of planning permission.

241 **P0092.17 - 25-29 MARKET PLACE, ROMFORD**

The application before Members was for a part change of use and conversion of ground, first and second floor retail floorspace; third floor extension; and elevational changes to accommodate an eighty-five-bedroom hotel including a restaurant. The application sought planning permission for a third floor extension to the building which together with the existing first and second floor was proposed to be used as a hotel inclusive of public restaurant. A retail use on the ground floor of the building would be maintained as part of the proposals.

This was a re-submission of a previous application which was refused planning permission. The applicant had sought to review the scheme in an attempt to overcome the reasons for refusal and in doing so had revised the proposed cladding and façade treatment, undertaken further transport assessments and provided additional information on proposed servicing arrangements.

Members also noted that the original refusal of planning permission had been overturned by the Planning Inspectorate following appeal, consequently the only relevant consideration in regard to the application was of the façade treatment.

With its agreement Councillor Frederick Thompson addressed the Committee.

Councillor Thompson commented that the newly submitted façade treatment was more aesthetically pleasing and that the proposal would ensure the building was in active use going forward.

Members noted that the proposal qualified for a Mayoral CIL contribution of £12,120 and **RESOLVED** that the proposal was unacceptable as it stood but would be acceptable subject to the applicant entering into a legal agreement under Section 106 of the Town and Country Planning Act 1990 to secure the following obligations by 27 October 2017 and in the event that the s106 agreement was not completed by such date the item should be returned to the Committee for reconsideration:

- The Developer/Owner to pay the Council's reasonable legal costs associated with the legal agreement, prior to the completion of the

agreement, irrespective of whether the agreement was completed;
and

- Payment of the appropriate planning obligations monitoring fee prior to the completion of the agreement.

It was therefore recommended that the Director of Neighbourhoods be authorised to enter into a legal agreement to secure the above and upon completion of that agreement, grant planning permission subject to the conditions as set out in the report.

The proposal before Members was for the construction of a two storey building with ground floor entrance and undercroft car parking. There would be three 1-bedroom apartments on the first floor and a fourth, 2-bedroom unit (plus study) in the roofspace. A two storey side extension was proposed to the north-western side of the development to allow staircase access to the unit in the loft.

Members noted that the application had been called-in to the Committee by Councillor Jeffrey Tucker. The reasons for the call-in were that he considered the application to be of good quality with adequate parking and an attractive modern building with a neat and tidy open green space, all that was needed for the many young members of the community to get onto the housing ladder.
