RECOMMENDATIONS

1. The Sub-Committee to make any amendments to the proposed work programme for the 2017/18 municipal year and adopt the final version of the programme.

REPORT DETAIL

1. Following initial discussions with the Sub-Committee Chairman and Vice-Chair, the attached table shows a proposed work programme for the meetings of the Sub-Committee during the 2017/18 municipal year. It should be emphasised that the work programme is not confirmed at this stage and Members are welcome to suggest any changes or additions they wish to be considered, both in terms of agenda items for future meetings of the Sub-Committee and for any potential topic groups.
2. It will be noted that not all items have yet been specified for future meetings. Previous experience has shown that it is often beneficial to leave some spare capacity on future agendas to deal with any consultations or other urgent issues that may arise during the year.
