RM1 2RT.

Dear Mr Jones

We object to the licence for Shell 203, Brentwood Road Romford RM1 2SL to the four main points below.

- 1, Prevention of crime and disorder
- 2, Prevention of public nuisance
- 3, Public safety
- 4, The protection of children from harm.

My main objection is that Shell should close at 10pm seven days a week, and open at 6am, due to noise of engines music blaring and horns honking late in the early hours especially weekends

Over the past 10 years there have been at least five accidents due to exiting Shell forecourt late at night recent one was 10th ~~Jan~~ June 2017

So i strongly object to Shell having ~~these~~^{their} Licence

Yours faithfully

STEVEN COX.

My husband and I would like to object to the application for a license to serve alcohol 24 hours on the grounds of prevention of public nuisance and protection of children from harm.

We live opposite at 190 Brentwood Road with an 8 year old son. It is already quite noisy and disrupts his sleep. Anti social behaviour including swearing and public drinking, poor driving into and out of the petrol station including collisions with other vehicles are already in evidence and we believe this would escalate with extended hours.

Currently alcohol is no sold after 11pm and before 5 am.

In the early evening the petrol station can get quite rowdy with people driving in with loud music and revving their engines. A high percentage appear to use the cash point or make purchases from in store rather than petrol. There can be frustrations with slow turnaround by staff which is evidenced by car drivers using their horn. There are also walk in customers who pass through on the way up/down Brentwood Road. Sometimes in groups who buy boxes of cans of lager and stand around chatting. People congregate at the petrol station and sit at the bus stop consuming items before they board the bus. This is evidenced by the rubbish around the bus stop and in our gardens across the road.

There is already public nuisance from drunk people who stop off on the way home from the pub and get rowdy at the hatch when the petrol station will not serve them due to current licensing. This nuisance would increase if it were open.

People already get frustrated in the middle of the night if the person at the hatch does not activate the pump or people are slow paying I believe this will get worse.

Is there a demand from the local residents for alcohol to be sold in the middle of the night/early morning or would the preference be for less noise and uninterrupted sleep.

Whilst we can appreciate the requirement for people driving at night to have a hot drink and petrol/diesel, is alcohol a basic need?

There is also already nuisance from the petrol tanker deliveries and reversing on their vehicles in the early hours. Combined with the frustration of drivers who cannot make purchases during delivery hours.

Although Brentwood Road is a relatively busy road, we can hope that during the night it is relatively peaceful for through traffic. The only nuisance is the use of the petrol station as described above.

Please take the above into consideration with the application.

Thanks

Dear Mr Jones,

The Shell Romford petrol station is in a residential area (not on the outskirts of Romford) and I do not believe there is any demand from local residents for an extension to the existing licensing arrangement. The existing night time opening hours of the petrol station are already a substantial blight on the wellbeing of the local residents who are suffering the public nuisance during the hours of 11pm to 5am from people:

- blasting car horns repeatedly while in the petrol station,
- revving car and motorbike engines repeatedly while in the petrol station,
- playing music in their cars at high volumes while in the petrol station,
- light invasion into bedrooms due to flashing of headlights and the lighting of the petrol station,
- shouting and bawling and causing ructions in the street, and
- discarding waste and rubbish from the petrol station which blows into residents gardens.

Brentwood Road is not part of the controlled night time economy and has no visible police presence, particularly on a Friday and Saturday night when people are leaving clubs and pubs in Romford late in the evening and early in the morning. I believe that further extension of the hours to supply alcohol will lead to increased public nuisance and greater risk of crime and disorder from people who do not live in the area.

I am also concerned that late night sales of alcohol will lead to reckless and dangerous driving causing accidents and damage to property - recently (late evening on 10th June) a driver came out of the garage recklessly and caused an accident directly outside my house. I have had to replace my front fence multiple times over the years I have lived at my house and I foresee a greater risk to public safety and property if this application is allowed through. I therefore call upon you to see that the right course of action is to reject the application on the grounds of prevention of crime and disorder and prevention of public nuisance.

Yours sincerely

David Parker
