We the undersigned, wish to draw to your attention the dangerous conditions on Noak Hill Road. Since the removal of the traffic lights at Straight Road there is no traffic break for vehicles to safely exit the blind junction at The Mount especially as the speed limit is often ignored. A road calming hump would be an obvious solution. You may notice that there is no safe pedestrian crossing in this area either. We are concerned that it will not be too long before there is a serious accident.
