Dear Mr Piggott,

I have tried calling but you wasn't available. I won't be in the office now until tomorrow.

Your premises licence application has now been processed, the consultation period is due to end on the 08/01/2018, anyone who wishes to make a representation against the application, is welcome to do so during this period. I am slightly concerned by the minimum amount of information in your operating schedule, along with a lack of information on how you will address the licensing objectives. Based on the current application, I will be making a representation against your submission. I would advise that you read Havering's licensing policy and consider amending the current schedule.

You must advertise the application in a local paper within the next 10 days. You must also advertise a notice on blue paper at the address of the premises within the next 24 hours.

Regards

 - that We may store, reproduce and distribute copy relating to any Advertisement, including by electronic means;
 - that We may without notice or warning destroy any box office correspondence or communication received in response to an Advertisement which We think inappropriate to deliver;

 - that We may liaise with the police and/or any other relevant authority in relation to any Order/Advertisement or any response to any of them We receive (including passing on Your details);
 - that We may record and use Your details to perform Our obligations under these Conditions and publish Your Advertisement (including by passing them to other group companies and/or sub-contractors as reasonably necessary to do so);
 - if You are an agency acting for a client, that We may provide a proof of the Advertisement direct to the client for approval by whatever means We deem appropriate;

 - Where We acknowledge an error (including but not limited to spelling and text errors) misprint, inaccuracy or omission We will, at Our choice, either publish the corrected Advertisement, or issue You a credit note to a value not exceeding the price of the Advertisement and this will be the limit of Our liability in respect of the error, misprint, inaccuracy or omission.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Summary of Objection: Objection to an application for a new premises licence based upon the 4 licensing Objectives and lack of detail within the application.

Policy Considerations

4.1 The licensing objectives

The prevention of crime and disorder

Public safety

The prevention of public nuisance

The protection of children from harm

are at the heart of the licensing regime. Applicants must demonstrate in their operating schedules as part of an application how they will address each objective. The Licensing Authority will make decisions about applications, variations and reviews based on the promotion of the same objectives. Those making representations to the Licensing sub-committee must base them on the Licensing objectives.

4.2 It is for these reasons that Havering is keen to see complete, detailed and meaningful operating schedules that will enable all parties to understand what is being sought by an application, and if granted how the premises will operate. In completing the operating schedule, applicants are expected to have regard to this Statement of Licensing Policy which sets out the expectations of the Authority as to the steps that are appropriate for the promotion of the licensing objectives.

4.3 The completion of a full and detailed operating schedule will give those reading the application greater confidence that the applicant seeks to make a positive contribution and is demonstrating a commitment to both those living in the vicinity and the licensing objectives.

4.8 The failure by an applicant to clearly and fully demonstrate in the operating schedule that they have properly considered the promotion of the four licensing objectives is a legitimate concern should the application come before the Licensing sub-committee.

7.0 Standards of Management.

The Operating schedule

Licensing Policy 8

When assessing the applicant's or licensee's ability to demonstrate a commitment to high standards of management the Licensing Authority will take into account whether the applicant or licensee:

- Can demonstrate comprehensive knowledge of best practice
- Has sought advice from the responsible authorities
- Has implemented any advice that has been given by the responsible authorities
- Is able to understand verbal and written advice and legal requirements
- Can demonstrate knowledge of the licensing objectives, relevant parts of the Licensing Policy and their responsibilities under the Licensing Act 2003
- Is able to run their business lawfully and in accordance with good business practices
- Is able to demonstrate a track record of compliance with legal requirements.

Licensing Policy 19

The Licensing Authority will require consideration of measures to protect children from harm to be reflected in the operating schedule where applicants identify the need, having regard to their type of premises or licensable activities. Applicants for premises licences and club premises certificates authorising the admission of children without accompanying responsible adults will be required to submit a safeguarding children protection Policy detailing the steps to be taken to ensure that children in their charge will be protected from harm when on licensed premises or engaged in activities relating to the licence.

Licensing Policy 20

The Licensing Authority is committed to tackling the illegal sale of alcohol to children, including proxy sales when adults buy alcohol for children. Premises within 400 metres of schools or colleges should consider licence conditions to control the products offered for sale and on display in windows. It expects licensees to implement measures to Challenge 25 standard to reduce the likelihood of underage sales from their premises and will take appropriate action, including review of licenses, where sales persist.

Representation

The application was originally submitted on the 3rd of November 2017 but did not include the correct fee or a plan of the premises. I spoke with Mr Piggot, informing him that the application could not be processed. He informed me that he would produce a premises plan shortly and forward this onto myself. That was the last I heard from Mr Piggot until the correct documents were provided on the 12th December 2017. When the application and premises plan did arrive, the application fee was incorrect.

Once the application had been processed, it was clear that the application was minimal in content and offered very little in terms of how they would meet the 4 licensing objectives. I emailed Mr Piggot and advised that he look at Havering's licensing policy and re-submit an updated schedule, addressing the 4 four licensing objectives, otherwise I would submit representation against the application. I never received a response in relation to my email.

The premises at 210 Hornchurch Road, is a men's barber shop and sits just outside of Hornchurch Town Centre.

If the licence is granted as per the application, customers will potentially be able to use the premises as a bar to consume alcohol, then, at the end of the licensed period move onto

other licensed premises with a later licensing hour to finish off their evening, with the potential to cause issues at those venues.

Once the licence is granted, the venue will be permitted under the licensing deregulations to have live and recorded music up until 23:00hrs.

The premises will also be able to apply for an automatic entitlement of up to 2 gaming machines.

There is no mention of an age verification policy within the application, which would help to comply with the protection of children from harm objective. The application does not mention anything in relation to staff training, when identifying individuals who may be or even look under age.

If the venue is a Barber shop and the licence is granted without appropriate conditions, such as alcohol being ancillary to a customer paying for a haircut, it could be transferred at a later date to someone who wishes to turn the venue into a bar, which may cause problems at a later date.

Conclusion

This application causes the licensing authority concern for the reasons detailed above.

The operating schedule as submitted appears inadequate to support the premises' intended usage as a barbershop. The applicant was advised to look at Havering's licensing policy and re-submit an updated operating schedule, which seems to have been ignored. It has not been made clear how the storage of alcohol will be managed, how it will be dispensed and what provisions will be put in place to supervise peoples conduct when on the premises.

We have a high standard that we expect from all applications within Havering and it is my opinion that this application falls well below that standard. Given these concerns we have little confidence that the business operators have a sufficiently diligent approach to promoting the licensing objectives. Consequently we are unable to support this application at this time.

If refused and if the applicant wishes, they can make a new application, complete with a full operating schedule. It can tell the public and responsible authorities exactly what they will do to address the licensing objectives. Appropriate conditions can be offered in the application so that problems do not arise in the future if the licence is transferred to another person/body.

Licensing Policy 10

The Licensing Authority expects licensees to operate to the highest standards of management, and to cooperate with responsible authorities to prevent:

- The sale of alcohol to underage children;

- Drunkenness on premises;
- Irresponsible drinks promotions.

Representation

After reading the application for this premises licence I feel that in it's current state it does not address our concerns with regards to the licensing objective 'protection of children from harm'.

I would ask the licensing sub-committee to add the following as conditions on the licence if it is granted.

"All staff to be suitably trained in relation to prevent underage sales and training must be documented. Training will be refreshed every six months."

"A challenge 25 policy will be operated as the proof of age policy. Only photographic identification will be accepted such as a driving licence or passport. A refusal book will be kept as part of the incident book."

To implement a written training record for each staff member and document evidence of regular refresher training with regards to prevention of underage sales of alcohol.
