2.1	Work with key services to provide a continuous assessment of 'at risk' residents, and support them to access and sustain employment to reduce their risk of presenting to Council services, particularly housing.	Agree a common assessment process across key council services to identify at-risk residents and, through a common action plan and referral process, recruit them into the appropriate service at earliest opportunity  Agree processes for sharing data and insight on client progress andsavings achieved / costs avoided from early intervention			
2.2	employer targeting, work interviews and phased employment, supporting transitions into work and providing inwork support to help residents sustain	Work with internal services and external providers to agree and incentivise a common approach and messaging to local employers to support recruitment of residents  Use ESF and other funding to trial and evaluate new ways of supporting people (especially from target groups) into work in the borough  Commission and deliver job outcomes that are measured on quality and sustainability potential, ie status and pay level.			
2.3	Work with key services within and outside the Council to help remove the structural barriers to employment faced by residents, such as access to affordable childcare and transport, as well as access to quality, relevant training.	Use our resources and influence to work towards reducing barriers for our residents to access and sustain employment			
3.1	Support key sectors critical to the Havering economy (construction) and delivery of council services (health and social care) through coordinated workforce development interventions.	Identify support and funding to help key sectors, working with businesses and providers to better fit local provision to workforce needs  Use ESF and other resources to support sectors and use local assets better (e.g. through the development of a Construction Centre, and / or a bid for retail and leisure)			
3.2	Support other and emerging sectors important to the growth and future prosperity of the borough (i.e. logistics, manufacturing, engineering and technology) through better targeting of workforce development support including apprenticeships.	Agree a workforce development strategy for sectors and, through the employer brokerage service and in partnership with the Economic Development service and providers, package offers for sectors	_	_
