MOTIONS

A. PARKS MAINTENANCE AND STREET CLEANING POLICIES

Motion on behalf of the Independent Residents' Group

The Council calls upon the Executive to review its parks maintenance and street cleaning policy and to agree the change to street cleaning and parks maintenance schedules from “few but often” to “many but less often” needs to be reversed or amended following many complaints from residents about our streets and parks looking littered for longer. That is certain locations do need a group of operatives to clean/maintain, but general litter needs to be removed asap by a lone operative as a priority for residents who want to keep Havering looking tidy.

Amendment on behalf of the Conservative Group

This Council welcomes the changes to the cleansing regime brought in to improve efficiency and maintain standards within the Environment Departments and notes that any additional street or parks cleansing must be set alongside the extra financial commitments that it would require.

B. REVIEW OF COUNCIL CONSTITUTION

Motion on behalf of the Residents' Group

In order to ensure that this council operates in a fair, equitable and modern way, this council calls for a comprehensive cross party review of the constitution with the initial emphasis on the committee structure, in particular its functions and responsibilities.

C. SERVICES AT HAROLD WOOD POLYCLINIC

Motion on behalf of the Labour Group

This Council calls upon the Executive to urge the Clinical Commissioning Group to support the continuation of the health services provided at the Harold Wood Polyclinic and urges all members of the Council to participate in the current public consultation by supporting Option 2 to retain the Polyclinic.

Amendment on behalf of the Conservative Group

This Council calls on the Havering Clinical Commissioning Group to undertake a comprehensive review of the provision of GP services throughout the borough, with particular focus upon maintaining services that assist in relieving pressure on the Queen's A&E, and requests that an all member briefing be held to update all members on this.
