Report author and contact details:

This application for an expedited premises licence review is made by PC Belinda Goodwin on the behalf of the Metropolitan Police under s.53A of the Licensing Act 2003. The application was received by Havering's Licensing Authority at 15:56 on 5th July 2018.

This application is made under the provisions of s.53A of the Act. As such, s.53A(2)(a) requires that within 48 hours of the receipt of the application the licensing authority considers whether it is necessary to take interim steps pending the determination of the review application. This hearing is to enable the licensing authority to comply with this duty.

s.53B(3) requires that the licensing authority must consider whether to take the following interim steps:

- (a) the modification of the conditions of the premises licence
- (b) the exclusion of the sale of alcohol by retail from the scope of the licence
- (c) the removal of the designated premises supervisor from the licence
- (d) the suspension of the licence

This consideration may take place without the holder of the premises licence having been given an opportunity to make representations to the licensing authority (s.53B(2)). Any decision the licensing authority may make takes effect immediately or as soon after as the licensing authority directs (s.53B(5)(a)). The licensing authority must then give immediate notice of its decision to the premises licence holder and the chief officer of Police.
