Hi,

Just received notification of Coral Romford stadiums application to extend licence hours to include Sundays.

This is completely unacceptable.

Residents suffer enough during the week with late night crowds being extremely noisy with zero policing from the stadium security, items are frequently thrown into our garden, raucous drunks shout, scream and swear whilst leaving the premises. The aftermath the next morning is discarded race programmes, plastic glasses, glass bottles, pools of sick! Parking is a nightmare and the stadium do not give two hoots as long as they're making money.

I, my wife, daughter all work, my other daughter attends college. We do not wish to be kept awake on Sunday nights. I hope common sense prevails and this application is rejected immediately.

Furthermore the current stadium redevelopment which the residents graciously did not contest specifically states operational hours which do not include Sundays. This was reiterated at a recent residents meeting, this smacks of underhand, downright lies from stadium management.

I've already submitted two complaints regarding breach of planning rules.
