7th December 2018

Dear Sir or Madam;

www.havering.gov.uk

**SUTTONS LANE / SWANBOURNE DRIVE JUNCTION - PROPOSED PEDESTRIAN
REFUGE WITH KERB BUILD-OUT AND SPEED CUSHIONS**

The pedestrian refuges with kerb build-out and speed cushions are proposed at the Suttons Lane / Swanbourne Drive Junction as shown on the attached plan to minimise casualties. There have been a total of two personal injury collisions in the vicinity of the above location over a five year period. Of this total, one was serious.

The Government and Transport for London have set targets for 2020 to reduce Killed or Serious injury accidents (KSI) by 40%; Child KSIs by 50%; pedestrian and cyclist KSI's by 50% from the baseline of the average number of casualties for 2005-09. The above proposal will help to meet these targets.

Large scale plan can be viewed during normal office hours on Mondays to Fridays at the Council's Public Advice and Service Centre (PASC), accessed via the Liberty Shopping Centre, Romford, RM1 3RL or available to view on the Council's website a link of which is shown below: <https://www.havering.gov.uk/Consultations>

If you wish to comment on the proposals, you may do so,

By writing to: The Principal Engineer, Environment, Street Management, Town Hall, Main Road, Romford, RM1 3BB.

OR

By email to: highways@havering.gov.uk

Comments should reach us by **Friday 28th December 2018**.

The decision on the scheme will be made through our Highways Advisory Committee process. The responses to this consultation will be discussed at the committee's meeting on Tuesday 15th January 2019 at 7:30pm in Havering Town Hall, Main Road, Romford. The agenda for the meeting, which will include the officer's report, will be available at the meeting and also on the Council and Democracy pages of the Council's website prior to the meeting.

The committee is open to the public and the Council's Constitution allows one person to speak in support and one person to speak in objection to the proposals. Each person will have up to a maximum of 3 minutes to speak. You must pre-register to Speak on a 'first come first served basis so if you are not the first person to register it is unlikely you will be able to speak to the committee. If you wish to register to speak to the committee, please contact Taiwo Adeoye on 01708 433079 no earlier than 7th January 2019 and at least two days prior to the meeting.

The committee will seek to review all of the issues connected with the proposals and make a recommendation to the Cabinet Member for Environment, who will make the final decision on the scheme. There are usually a number of schemes to be discussed by the committee and it may be late in the evening before the scheme is considered.

If you require any further information on the proposals, please contact Mr Siva, the Senior Engineer dealing with the scheme.

Please note that all comments we receive are open to public inspection.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'M Philpotts', with a stylized flourish at the end.
