## REPORT DETAIL

At the start of last year the Joint Commissioning Unit recommissioned the adult social care voluntary sector offer to achieve better outcomes, support more people and build a preventative offer that supports residents.

The Head of Joint Commissioning will present on how the services were recommissioned and what support is available. This will lead on to the benefits and outcomes of the services and how they fit with the wider offer.

Members are encouraged to take this opportunity to scrutinise the offer and seek to gain a fuller understanding of the services that are available for Havering residents.
