  - 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### **Documents which demonstrate entitlement to work in the UK**

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:
  - evidence of the applicant's own identity – such as a passport,
  - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,

- (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
- (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
- (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Representation from  
Responsible Authority

**Licensing Act 2003 Responsible Authority representation**

**This representation is made by a responsible Authority for the London Borough of Havering concerning a licence application for the premises as detailed below.**

<b>Premises Name and address:</b>	1 Spilsby Road, Harold Hill
<b>Your Name:</b>	Planning Enforcement Team
<b>Organisation name / name of body you represent:</b>	Havering Council's planning department
<b>Your Address:</b>	5 <sup>th</sup> Floor Mercury House, Mercury Gardens, Romford, RM1 3SL
<b>Email:</b>	Planning_enforcement@havering.gov.uk
<b>Summary of representation:</b>	To OBJECT to the licence application on the specific licencing objective "The prevention of public nuisance".

<p><b>Policy Considerations:</b></p> <p>The representation takes into account the following licencing policies as set out in the document titled "Statement of Licencing Policy" with effect from 7<sup>th</sup> January 2016:</p> <p><u>Licencing Policy 1</u></p> <p>In considering applications for new licences, variations to existing licences and licence reviews the Licensing Authority will take the matters listed below into account:</p> <ul style="list-style-type: none"> <li>• whether the premises is located in an area of cumulative impact;</li> <li>• the type of premises and their cumulative impact on the area and the mix of premises in the area;</li> <li>• the location of the premises and the character of the area;</li> <li>• the views of the responsible authorities;</li> <li>• the views of other persons;</li> <li>• past compliance history of current management;</li> <li>• the proposed hours of operation;</li> <li>• the type and number of customers likely to attend the premises;</li> <li>• whether the applicant is able to demonstrate commitment to a high standard of</li> </ul>

management, for example through active participation in the Safe and Sound meetings and pub watch.

#### Licensing Policy 6

The Licensing Authority considers that, in the interests of clarity and transparency, applicants should normally have in place the relevant planning consent for the intended use and hours of operation, or otherwise have lawful planning status, before making an application for a premises licence. However every application will be considered on its merits on a case by case basis

#### Licensing Policy 8

When assessing the applicant's or licensee's ability to demonstrate a commitment to high standards of management the Licensing Authority will take into account whether the applicant or licensee:

- Can demonstrate comprehensive knowledge of best practice
- Has sought advice from the responsible authorities
- Has implemented any advice that has been given by the responsible authorities
- Is able to understand verbal and written advice and legal requirements
- Can demonstrate knowledge of the licensing objectives, relevant parts of the Licensing Policy and their responsibilities under the Licensing Act 2003
- Is able to run their business lawfully and in accordance with good business practices
- Is able to demonstrate a track record of compliance with legal requirements.

Where there is a history of non-compliance associated with the premises the Licensing Authority is unlikely to grant a new or variation application unless there is evidence of significant improvement in management standards.

#### Licensing Policy 14

The Licensing Authority is committed to protecting the amenity of residents and businesses in the vicinity of licenced premises, particularly when late hours have been sought. Where relevant representations are received, the Licensing Authority will impose appropriate restrictions or controls on the licence to support the prevention of undue noise disturbance from licensed premises.

#### **Representation:**

An assessment by the planning services has been previously undertaken under a planning application with reference P1609.15. Upon review of all material considerations in terms of the use of the property, it was seemed necessary and expedient to restrict the use of the property to prevent a public nuisance. The use has subsequently been conditioned so that:

*Conditions imposed with approved permission:*

Condition 6 states:

The premises shall not be used for the purposes hereby permitted other than between the hours of 09:00 and 22:00 on Mondays to Saturdays and between the hours of 10:00 and 22:00 on Sundays, Bank or Public holidays without the prior consent in writing of the Local Planning Authority.

Reason:-

To enable the Local Planning Authority to retain control in the interests of amenity, and in order that the development accords with Development Control Policies Development Plan Document Policy DC61.

The licence application proposes additional opening hours that exceed the restrictions that have been placed on the use by the planning department; and the use proposed does not have lawful planning status and the application therefore does not accord with licencing policy 6.

The proposed extended opening hours stated in the licencing application requires consent from planning department.

Given the argument as set out above, the planning department's concerns on the prevention of public nuisance have not been alleviated though the licence application. As this is the case, we ask that the licencing committee use their powers under licencing policy 1, 8 and 14 to take consideration of the views of the planning department as a responsible authority. You are therefore advised to restrict the hours of operation to what has been approved by the planning department as set out above.

**Complaint and Inspection History (if applicable):**

No visits to the property were undertaken.

Application Number:	P1609.15
Description of proposal:	Proposed change of use of vacant industrial building to Indoor Trampoline Park (D2) with ancillary cafeteria (A3). Revised Application form and Design and Access Statement received 28/01/2016

Dear Sir - Madam,

We were visited by Cllr Darren Wise on 30-3-19 as we are one of several families whose houses are situated at the back of Jump Evolution. Darren told us that Jump Evolution is applying for a drinks license to allow them to sell alcohol on the premises. No doubt this would mean longer opening hours, more noise and disturbance than we already put up with. Their music and tannoy announcements are constantly excessive. Last year they exceeded their 10pm closing time on a couple of occasions with music till after 12pm at night. Three of my family work different shift patterns so sleeping in the daytime has its problems too.

I myself am terminally ill which is stressful enough for all of us. We hope you can help us with this situation.

Yours Sincerely

Ms. S. Bickell + Mr. T. Brindley
