Report author and contact details:

This application to vary a premises licence is made by Mr Joseph Sullivan and Mr Peter Faires under section 34 of the Licensing Act 2003. The application was received by Havering's Licensing Authority on 15th April 2019.

Geographical description of the area and description of the building

The Rising Sun PH is located in Hornchurch town centre at the junction of High Street and Billet Lane. Although predominantly commercial the immediate area contains residential properties so may reasonably be considered an area of mixed use.

Comments and observations on the application

The applicant acted in accordance with regulation further to advertising the application.

The premises are located in a special policy area with regard to cumulative impact. The relevant licensing policy states:

Licensing Policy 2

The Licensing Authority has adopted a special policy relating to cumulative impact in relation to:

- Romford town centre within the ring road
- St Andrews Ward

This policy creates a rebuttable presumption that applications for new premises licences, club premises certificates, or variation applications that will add to the existing cumulative impact, will normally be refused, unless the applicant can demonstrate why the operation of the premises involved will not add to the cumulative impact and not impact adversely on the promotion of the licensing objectives. The exception to this policy will be for applications for restaurants where alcohol is sold ancillary to a table meal and the terminal licensing hour is in line with the policy.

The applicant has submitted an argument against the special policy. This rebuttal statement is located in section three of the application.

Summary

There were no representations against this application from any residents or businesses in the vicinity of the premises.

There were three representations against this application from responsible authorities, namely the Metropolitan Police, Havering's Planning Authority and the London Fire Brigade.

Licensing Act 2003 Responsible Authority representation

This representation is made by a responsible Authority for the London Borough of Havering concerning a licence application for the premises as detailed below.

Premises Name and address:	The Rising Sun 64-68 High Street, Hornchurch RM12 4UW
-----------------------------------	--

Your Name:	Planning Enforcement Team
Organisation name / name of body you represent:	Havering Council's planning department
Your Address:	5 th Floor Mercury House, Mercury Gardens, Romford, RM1 3SL
Email:	Planning_enforcement@havering.gov.uk

Summary of representation:	To OBJECT to the application to vary the licence on the specific licencing objective "The prevention of public nuisance".
-----------------------------------	---

Policy Considerations:

The representation takes into account the following licencing policies as set out in the document titled "Statement of Licencing Policy" with effect from 7th January 2016:

Licencing Policy 1

In considering applications for new licences, variations to existing licences and licence reviews the Licensing Authority will take the matters listed below into account:

- whether the premises is located in an area of cumulative impact;
- the type of premises and their cumulative impact on the area and the mix of premises in the area;
- the location of the premises and the character of the area;
- the views of the responsible authorities;
- the views of other persons;
- past compliance history of current management;
- the proposed hours of operation;

- the type and number of customers likely to attend the premises;
- whether the applicant is able to demonstrate commitment to a high standard of management, for example through active participation in the Safe and Sound meetings and pub watch.

Licensing Policy 6

The Licensing Authority considers that, in the interests of clarity and transparency, applicants should normally have in place the relevant planning consent for the intended use and hours of operation, or otherwise have lawful planning status, before making an application for a premises licence. However every application will be considered on its merits on a case by case basis

Licensing Policy 8

When assessing the applicant's or licensee's ability to demonstrate a commitment to high standards of management the Licensing Authority will take into account whether the applicant or licensee:

- Can demonstrate comprehensive knowledge of best practice
- Has sought advice from the responsible authorities
- Has implemented any advice that has been given by the responsible authorities
- Is able to understand verbal and written advice and legal requirements
- Can demonstrate knowledge of the licensing objectives, relevant parts of the Licensing Policy and their responsibilities under the Licensing Act 2003
- Is able to run their business lawfully and in accordance with good business practices
- Is able to demonstrate a track record of compliance with legal requirements.

Where there is a history of non-compliance associated with the premises the Licensing Authority is unlikely to grant a new or variation application unless there is evidence of significant improvement in management standards.

Licensing Policy 14

The Licensing Authority is committed to protecting the amenity of residents and businesses in the vicinity of licenced premises, particularly when late hours have been sought. Where relevant representations are received, the Licensing Authority will impose appropriate restrictions or controls on the licence to support the prevention of undue noise disturbance from licensed premises.

Representation:

An assessment by the planning services has been previously undertaken under a planning application with reference P0170.15 for New Function Room linked to existing public house. Upon review of all material considerations in terms of the use of the property, it was seemed necessary and expedient to restrict the use of the property to prevent a public nuisance. The use has subsequently been conditioned so that:

Conditions imposed with approved permission:

Condition 5 states:

The function hall hereby permitted shall only not be open to customers other than

between the hours of 09.00 and 01.00 (the following morning) on Monday to Saturday and 11.00 and 16.00 on Sunday, without the prior consent in writing of the Local Planning Authority.

Reason:

To enable the Local Planning Authority to retain control in the interests of amenity, and in order that the development accords with development Control Policies Development Plan Document Policy DC61.

The licence application proposes additional opening hours that exceed the restrictions that have been placed on the use by the planning department; and the use proposed does not have lawful planning status and the application therefore does not accord with licencing policy 6.

The proposed extended opening hours stated in the licencing application requires consent from planning department.

Given the argument as set out above, the planning department's concerns on the prevention of public nuisance have not been alleviated though the licence application. As this is the case, we ask that the licencing committee use their powers under licencing policy 1, 8 and 14 to take consideration of the views of the planning department as a responsible authority. You are therefore advised to restrict the hours of operation to what has been approved by the planning department as set out above.

Complaint and Inspection History (if applicable):

No visits to the property were undertaken.

Application Number:	P0170.15
Description of proposal:	The development proposed was for new function room linked to existing public house.
Outcome:	Permission granted on 24 th April 2015 with conditions

Subject: The Rising Sun 64-68 High Street Hornchurch RM12 4UW

Dear Licensing Authority

In relation to the application received by Police on 15/04/2019 for The Rising Sun 64-68 High Street Hornchurch RM12 4UW, Police would like to object to part of the application, namely the terminal hours. The licensing objectives that Police are objecting under are Prevention of Crime and Disorder, Public Safety and the Prevention of Public Nuisance.

As you are fully aware where a Cumulative Impact Zone is in place, there is usually a presumption that applications for new premises licenses or variations to existing premises licenses (increase in hours, capacity or change of conditions) will be refused.

Violent crime in Havering occurs disproportionately during the 10pm-2am period (extending to 4am in Romford Town), during and following a Friday and Saturday night. This includes almost 1 in 4 assault with injury offences (Actual Bodily Harm) and a third of serious assaults (Grievous Bodily Harm). Furthermore, 1 in 5 sexual offences occur during this period.

Hornchurch has a growing restaurant and late night premise economy, the second largest in Havering after Romford Town. A disproportionate amount of violent crime and disorder within Hornchurch continues to take place over the weekend from 9pm-3am (54%).

Due to the requested hours, this would make the venue the latest venue open with in Hornchurch town centre. I believe that this could lead to the venue and surrounding pedestrian area becoming over-crowded, for example, crowds of drinkers waiting to gain entry or waiting for taxis outside will force pedestrians to walk in the road. In addition, large numbers of already intoxicated people congregating could easily lead to Anti-social behaviour and an increase in violent crime.

The application has not addressed the following possible issues, measures to minimise the noise caused by patrons outside the premises, details of dispersal policies, will there be an area for patrons to use whilst waiting for taxis? If the operation of the venue will attract additional litter such as food cartons or publicity flyers, what measures will be put in place to deal with this?

I also have concerns with regards to noise nuisance as the premises is located in an area where there are some residential properties and dispersal of patrons at the terminal hours of the application could lead to noise disturbances

Nothing in the application gives me confidence the above concerns have been addressed or even taken into consideration.

The applicant has not demonstrated that by granting of the proposed license the venue will not negatively affect the licensing objectives namely Prevention of Crime and Disorder, Public safety and the Prevention of Public Nuisance. I would be objecting to the application under these objectives

The Police at this time do not have confidence that the venue will run efficiently in accordance with the requested licence conditions.

Yours sincerely,
