SLT Lead:	Andrew Blake-Herbert – Chief Executive
Report Author and contact details:	Geraldine Minchin – Strategic HR Business Partner, Ext 2240
Policy context:	The Councils Constitution sets out in Part 3: Responsibility for Functions, Section 1.2: Functions delegated to general council committees, that the Appointments Sub-Committee will appoint senior officers i.e. Director, Assistant Director and Head of Service (where reporting directly to the Director).
Financial summary:	There are no financial implications arising from this report save for the salary costs associated with the appointment which have been budgeted for.

The subject matter of this report deals with the following Council Objectives

Communities making Havering	<input type="checkbox"/>
Places making Havering	<input checked="" type="checkbox"/>
Opportunities making Havering	<input checked="" type="checkbox"/>
Connections making Havering	<input type="checkbox"/>

SUMMARY

Responsibility for the permanent appointment of senior officers that fall under the JNC for Chief Officers' terms and conditions of employment (i.e. Directors, Assistant Directors and Heads of Service) is delegated to the Appointment Sub-Committee under the Councils Constitution – Part 3 – Responsibility for Functions, Section 1.2 – Function delegated to general council committee.

RECOMMENDATIONS

Members assess the candidates shortlisted for the Director of Neighbourhoods post and determine the best candidate for the role.

REPORT DETAIL

In May 2019, the Chief Executive obtained the approval of the Leader of the Council to commence the recruitment process for the post of Director of Neighbourhoods. Penna were commissioned via the LGRP (Local Government Resourcing Partnership) Framework to provide an advertising and recruitment handling service which included their Executive Search option. An advert was placed in the MJ (Municipal Journal), on the Penna website, with Jobsgopublic and on the Councils website.

At the closing date (Friday 14th June 2019) Penna reported the following activity:

London Borough of Havering – Director of Neighbourhoods	
Number of applications received	14
Additional candidates who had indicated that they may be interested in applying for the role	12
Number of contacts who have said that they are not interested in applying	4
Total number of candidates and sources identified	81
Number of candidates and sources approached	81

A longlist sift by Penna assessed the 14 applicants as falling into the following categories:

- 5 'A' rated Recommended candidates
- 3 'B' rated Marginal candidates
- 6 'C' rated Not Recommended candidates

The 'A' and 'B' rated candidates were further shortlisted against the requirements of the job profile (attached at Appendix A) by a panel comprising of the Interim Director of Neighbourhoods, the Strategic HR Business Partner and two Penna Associates. As a result, 6 candidates were invited to a technical assessment interview with Penna Associates and the Interim Director of Neighbourhoods acting as the Technical Assessor. The Chief Executive also held a 1-1 meeting with each

Appointment Sub-Committee, 11 July 2019

candidate on the day of the technical assessment interview. Unfortunately one candidate was unable to attend due to other commitments and another candidate withdrew on the day of the technical assessment. The remaining 4 candidates that attended the technical interview were assessed as falling into the following categories:

- 2 'A' rated Recommended candidates
- 1 'B' rated Marginal candidate
- 1 'C' rated Not Recommended candidate

The 'A' and 'B' rated candidates were further shortlisted by a panel comprising of the Chief Executive, the Strategic HR Business Partner and a Penna Associate and the 2 'A' rated candidates have been invited to attend the interview with members of the Appointment Sub-Committee on the 11th July 2019.

The final candidates have been required to complete psychometric tests (Wave & Hogan) administered by Penna and verbal feedback will be provided to the Sub-Committee members on the day of the interview.

The information pack attached as Appendix B (exempt as this contains candidates personal information) provides members with a summary of each candidates performance along with their application form and CV.

IMPLICATIONS AND RISKS

Appendix A

**London Borough of Havering
Job Profile**

Job Title: Director of Neighbourhoods	Directorate: Neighbourhoods
Service/Section: Neighbourhoods	Post Number(s): Job Evaluation Number:
Grade:	Date last updated: Date of last Evaluation:

Main Purpose of the Job/Key Objectives:

- The Director reports to the Chief Executive and is an essential role in the Council's plan for delivering its vision of becoming an excellent performing and widely respected service provider.
- To provide the strategic direction for, and management of a range of services designed to ensure a clean and safe terrestrial environment in Havering, working in partnership with other agencies and to ensure the Council's compliance with its statutory duties.
- To provide the one public realm service, bring together grounds maintenance functions across all the Councils assets.
- To support the strategic delivery of a place strategy for the Borough.
- To ensure that the Council's Housing Strategy meets the needs of the Havering community, and that strategic and statutory responsibilities, in respect of the management of housing services, are delivered in line with Government policy.
- To develop, manage and coordinate the Council's business development and economic growth strategies, including place based regeneration strategies to secure inward investment in Havering and build its reputation as a good place to do business.

- To provide leadership, direction and management of the full range of Regulatory services on behalf of the council and in the public interest. These consist of Strategic Planning and Transport, Development and Building Control, Emergency Planning, Public Protection (including Parks Protection), Street Scene Enforcement, Bereavement, Registration Services and Enforcement

Job Context:

- Havering is the third largest London Borough covering an area of 11,227 hectares and 386 miles of highways. It has 100,225 households. Regular resident surveys demonstrate a clear correlation between satisfaction with Parks and Streetcare services and satisfaction with Havering as a place to live.
- Responsible for strategic and operational delivery of the councils Public Realm, Highways, Traffic and Parking Services.
- To contribute to the development of the Place Strategy.
- To ensure sound working relationships with DCMS, HLF, Department of the Environment, Highways Agency, Transport for London, London Councils, other agencies and Councils to ensure collaborative working on cross Borough and regional and sub regional strategies to maximise investment in and ensure the effective management of the terrestrial environment.
- To represent the council as lead officer for the East London Waste authority and discharging the Council's responsibilities with regard to monitoring the waste disposal contract.
- To ensure sound working relationships with the GLA, the LEP, Government Departments, London Councils, other agencies and Councils to ensure collaborative working on cross Borough and regional and sub regional strategies to maximise investment in Havering, and its supporting infrastructure.

Appointment Sub-Committee, 11 July 2019

- To act as a champion for local businesses and ensure that they have access to responsive services from the Council. To work closely with the BID and other organisations.
- To develop, deliver and coordinate Regulatory services strategies across the Council.
- For all those functions within the service area (which functions may vary through time), to ensure their effective and efficient management and to ensure service delivery of the highest quality. In addition, also providing an analysis and interpretation of such legislation or regulations relating to the work of the service division. This entails offering advice on such matters to the Chief Executive, elected Members, Head of Service colleagues.

Key Statistics

Budgetary responsibility (estimated)

- Responsible for annual revenue budgets in the region of £75m (including HRA) and a capital budget of £170m (including Housing).

Staff Numbers

- Approximately 350 full time equivalent staff.

Experience

- Substantial proven leadership and a record of successful management at a Director level within a multi-disciplinary public, private or voluntary sector organisation. This also entails having gained experience of participation in and successful contribution to the strategic decision making process of a large multi-disciplinary organisation.
- Experience working effectively with the community, community leaders, public, private sector bodies and other agencies. In addition, having a proven track record of securing high quality service provision and ensuring equality of opportunity in access to services and employment. As appropriate, a proven track record of involving the community in service provision issues.

Appointment Sub-Committee, 11 July 2019

- A successful record of leading and managing change in a large multi-disciplinary organisation including developing, leading and implementing strategies and initiatives, which cross service and professional boundaries.
- Senior managerial experience of successful resource management, and the delivery and measurement of cost effective, qualitative services within constrained resources. Moreover, experience of managing a large staff group providing a complex range of services in a related field.
- Experience of working effectively within a complex political environment as well as evidence of developing, implementing and monitoring clear standards of performance and service delivery outcomes.
- In depth experience of Environmental Services along with in depth contemporary knowledge of the legislative and regulatory framework within which these services exist.

Knowledge

- In depth contemporary knowledge of Public Realm, Highways, Waste Management and Parking Services practice and the ability to provide consistent high quality responsive services to the local community.
- A significant understanding of the workings of local government and the challenges being set by the new local government agenda along with the financial, legal and political context of local government.
- The ability to set the strategic direction of the Services, drawing up the overarching strategy for the service and the necessary supporting plans for delivery, with and through partners.

Qualifications

- Must have a relevant professional qualification in any one of the specified service areas and substantial management experience of Environmental services at a senior level, preferably Director level.

Personal Qualities

- A strategic thinker and leader with the ability to balance competing priorities and deliver within tight timescales.
- A corporate team player, highly motivated and resilient.
- A decision maker who listens to, and takes cognisance of, the views of others along with a high degree of integrity and probity.
- Highly skilled communicator with the ability to communicate orally and in writing to a diverse range of audiences.
- Ability to influence and negotiate effectively along with the ability to lead, motivate, inspire confidence and enthusiasm.

Working conditions/circumstances

- Directors will operate as designated emergency officers in the case of particular emergencies. Whilst Directors will be responsible for specific service areas, these service areas may be changed from time to time after consultation. This therefore requires some degree of flexibility.

Key Accountabilities and Result Areas

STRATEGIC MANAGEMENT AND MANAGING CHANGE

- Manage and provide a strategic direction for the services provided by Environment Services, ensuring the service aims and objectives are aligned to the strategic direction and customer focus of the Council. This further entails ensuring the Council's compliance with its statutory duties in relation to service areas managed.
- Work with elected members and colleagues to develop the strategic direction and priorities of the service area within the overall aims of the Council; promoting and sustain a positive working partnership with elected members.
- Accountable for ensuring that the Council's policies, priorities, service planning & delivery and budget are effectively managed, along with promoting and develop a corporate "One Council" performance driven culture.
- Take a proactive role in promoting and strengthening partnership relationships in the public, private and voluntary sectors reflecting the Council's commitment to active partnerships with the community to regenerate Havering and improve the quality of life for citizens.
- Participate in the development and implementation of the annual Community Plan and support the Strategic Partnership. As well as, assisting in the development and implementation of a comprehensive partnership and participation strategy.
- Establish effective external working relationships with key influential people within the community, in the government and public sector, and within professional bodies. This further involves, ensuring Havering develops and improves its services to demonstrate Best Value along with being equipped to respond to challenges and change.
- To assure customer focus is at the forefront of strategic and operational plans within the service including appropriate and customer feedback channels and timely analysis in order that continuous improvement may occur.

Appointment Sub-Committee, 11 July 2019

- To provide an analysis and interpretation of such legislation or regulations relating to the work of the service division. This entails offering advice on such matters to the Chief Executive, elected Members, HoS colleagues and schools.
- Central to the role of Director will be the effective management of change to deliver the new local government agenda. Heads of Service will be expected to play a key role in the process of reviewing, changing and leading the organisation. This involves confidently initiating and managing change in a challenging and complex environment.
- Deputise for the Chief Executive with other Directors as required.

PERFORMANCE MANAGEMENT

- Directors are accountable to their Chief Executive for performance management. This entails creating a performance management culture focused on achieving key objectives. This involves, initiating processes which will ensure that objectives are achieved on time to agreed standards and within resources available.
- Directors will be responsible for the performance management of staff under their control in order to ensure an integrated approach to service delivery and the consistent achievement of agreed service outcomes.
- Responsible for the establishment of effective target setting and performance management systems within the service area. Along with leading, developing and empowering staff to implement a corporate “One Council” performance driven culture, delivering measurable service outcomes and Best Value.
- To review and ensure that regular assessments of service quality are made, both in terms of professional content and public service provision, and ensure that appropriate steps are taken to improve service delivery.

DEVELOPING STAFF

- Lead, develop and empower staff to effectively manage service provision; human and financial resources; and provide a seamless service delivery.

- Identify the competencies and development needs of teams and individuals along with promoting a culture of continuous learning and development.

GENERAL

- Establish and maintain effective communication and information systems to influence strategic directions and operational objectives, along with utilising management information systems, including information technology and be willing to undertake appropriate training. This includes identifying areas of self development, which will contribute to high level performance and career development.
- Carry out responsibilities in accordance with the Council's Equal Opportunities Policy for employment and service delivery; assuring all services within the area of responsibility are planned and delivered in accordance with the Council's commitment to equality of opportunity and access.
- Ensuring the implementation of the Council's Human Resources Strategies and Policies and the Council's Health and Safety Policy, further taking forward the environmental priorities of the Council.
- Undertake other strategic, corporate and management responsibilities as may be assigned from time-to-time by the Chief Executive. Additionally, taking every opportunity within the role of Director to raise and market the profile of Havering and implementing the Council's strategy for Business Planning.
