27 February 2013

# REPORT *CORRECTION*

**Subject Heading:**

**MEMBERS' ALLOWANCES  
SCHEME 2013/14**

**This report supplements the main report to this meeting on the Council's Members' Allowances Scheme 2013/14.**

The financial implications and the general wording of the report are correct. There is no expansion of the scheme and the costings do not include any additional allowances.

However, the table in the report on page 70, and again in the scheme details set out in Appendix A on page 84, mistakenly includes allowances for the chairmen of the Adjudication and Review Committee and the Appointments Sub-Committee; no such allowances are currently paid, nor are being proposed. For clarity, these tables should read as follows:

Page 70

<b>Category of Allowance</b>	<b>Amount Per Member £</b>
Audit, Pension, Highways, Governance Committee Chairmen	7,650

Page 84

**Schedule 1: Members' allowances**

<b>Category of Allowance</b>	<b>Amount Per Member £</b>
Audit, Pension, Highways, Governance Committee Chairmen	7,650

The table on page 87 of the report, setting out the amendment on behalf of the Residents' Association Group, is correct.
