Revised Hours, CIZ Statement & Proposed Conditions

1) Revised Hours Requested for the Provision of Late Night Refreshment

23.00 to 01.00 FD Sunday to Wednesday.

23.00 to 03.00 FD Thursday, Friday & Saturday.

Non-Standard Timings 23.00 to 03.00 FD Sundays before Bank Holidays, Christmas Eve & New Years Eve.

The other festive nights mentioned on the application form are withdrawn.

2) CIZ Statement

The Applicant is aware that Lakers Chicken Unit 2A, 2 – 4 Eastern Road lies within Havering`s Romford Town Centre Cumulative Impact Zone (CIZ), what this means, the reasons behind the CIZ, the issues of alcohol related, often, late night crime and anti-social behaviour arising in the Town Centre and of the measures required to address the problems that arise.

The Applicant`s Director and his brother have years of previous experience in management. The Company has successfully operated another late night take away restaurant open until 04.00 Friday & Saturday in Manor Park within one of LB Newhams CIZ`s for a considerable period and has successfully operated another similar restaurant until 01.00 the following day in Chadwell Heath within LB Barking & Dagenham.

The Applicant has reduced their requested licensed hours as at 1) above and has now proposed a comprehensive list of robust enforceable conditions to ensure both that Lakers Chicken fully promotes the four Licensing Objectives and will not increase the negative cumulative impact within the vicinity and wider CIZ.

The conditions proposed include comprehensive CCTV, an SIA Licensed Door Supervisor on duty Thursday to Saturday and Non-Standard Timing nights, a Dispersal Policy, the closure of the dine in tables and chairs within the restaurant to prevent customers remaining in the CIZ rather than getting their food and then heading straight to the nearby bus stops and cabs to go home.

The Applicant considers it will be beneficial to have another late night restaurant open until the now reduced times when the nearby public houses close and while Attik is still open as those people looking to buy food after a night out will have a second nearby late night restaurant to attend to buy their food and then go home rather than

linger in the Town Centre queueing at the other local venue. The Applicant considers that this will reduce the risk of confrontation, possible violent behaviour and crime.

The Applicant suggests that taking everything into account the presumption to refuse the application is rebutted and that the application could safely be approved.
