Havering SACRE Information from School websites on RE/Acts of Collective Worship

The Havering SACRE is examining what schools publish about their provision for RE and collective worship as part of its duty to:

- monitor provision and standards in religious education;
- advise on methods of teaching, choice of materials, and provision of teacher training;
- support schools in reviewing and self-evaluating their provision for religious education and collective worship

Many thanks to Haringey SACRE and Anita Compton on whose work this is based.
