GOVERNANCE COMPLIANCE STATEMENT

UPDATED NOVEMBER 2013

LONDON BOROUGH OF HAVERING PENSION FUND GOVERNANCE COMPLIANCE STATEMENT

APPENDIX A

1. The Council is the Administering Authority of the Havering Pension Fund (the Fund). The council has delegated to the Pensions Committee various powers and duties in respect of its administration of the Fund.

2. Constitutional Arrangements

Under the Council's Constitution the duties and terms of reference of the Pension Committee are as follows:

"To consider and agree the investment strategy and statement of investment principles for the pension fund and subsequently monitor and review performance".

"Authorise staff to invite tenders and award contracts for actuaries, advisers and fund managers and in respect of other related investment matters".

"To appoint and review the performance of advisers and investment managers for pension fund investments".

"To take decisions on those matters not to be the responsibility of the Cabinet under the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 relating to those matters concerning the Local Government Pension Scheme"

3. Current Membership of the Pension Committee

The Pension Committee currently consists of seven councillors as listed below:

Conservative Group (4)	Residents' Group (1)	Labour (1)	UKIP (1)
Rebecca Bennett (Chair) Melvin Wallace (Vice Chair) Steven Kelly Roger Ramsey	Ron Ower	Pat Murray	Frederick Osborne

Three Members constitute a quorum.

The staff trade union may appoint two representatives, entitled to attend and speak at meetings of the Pension Committee. They possess no voting powers. These representatives are however entitled to remain within the Committee, should the public be excluded on the grounds that exempt information is to be considered.

Scheduled and Admitted bodies may appoint one representative, entitled to attend the meetings of the Pensions Committee on their behalf. Voting rights were assigned to this representative at a Council meeting on the 28 March 2012.

The Committee obtains and considers advice from the authority's officers, and as necessary from the fund's appointed professional advisor, actuary and performance measurers who also attend the meetings as and when required.

Longevity in membership of the Committee is encouraged in order to ensure that expertise is maintained within. The Council recommend that the membership of the Pension Committee remain static for the life of the Council in order that members are fully trained in matters relating to investment, unless exceptional circumstances require a change. Furthermore substitute members are expected to have also been trained. The constitution was amended on the 28 March 2012 to include a condition that if a member does not undertake the required training within six months of appointment then that member shall not partake in the decision making of the Committee until their training has been completed.

Day to day management of the fund is delegated to the Group Director of Resources.

The Committee is supported by the Group Director of Resources and the Assistant Chief Executive Legal and Democratic Services. The Head of Internal Shared Services has the responsibility to administer the Council's Pension Fund.

4. Training/Reimbursement

An annual training plan is submitted to the Pensions Committee for approval. Committee Members receive in depth training on a wide range of topics. Specific training is given on specific investment topics prior to any key decisions being taken. This approach ensures that important decisions are taken whilst training is still fresh in Members minds.

Members expenses are reimbursed in line with the Council's constitution as laid down in part 6 'Members Allowance Scheme'.

5. Whistle Blowing

The Pension Committee comply with the Whistle Blowing requirements of the Pension Act 2004. It urges anyone to inform the correct authorities of any known wrong doings.

6. Diary

The Committee meets five times a year and occasionally holds extra meetings if required.

7. Further Trustee Responsibilities on Governance and Stewardship

Trustees are encouraged to look beyond administration procedures to really understand the key risks associated with all the functions and activities of the scheme. They are expected to consider risk management and stewardship in broad terms. Key risks include:

- Risk of fraud
- Corporate risk – risk of deterioration in the strength of employer covenant
- Funding and Investment risk – inappropriate investment strategies (one example of this could be risk of a mismatch of assets and liabilities)
- Compliance of Regulatory risk – risk of failure to comply with scheme rules and legislation

The further practical steps undertaken to cover these risks are as follows:

- The Statement of Investment Principles includes procedures to undertake a risk management review, and ensures terms of reference of delegations cover all key responsibilities.
- There are codes of conduct in place which ensure there is a process in place that considers potential conflicts of interest, with clearly identified steps to mitigate the likelihood or protocols if conflict occurs.
- The Pension Committee periodically sets out a business plan for the year.

8. Accountability and publication of information

Details of the Pension Committee meetings are published on the Council's website together with agendas and minutes. The meetings of the Pension Committee are held at the Town Hall and are open to the public.

Scheduled and Admitted bodies are directed to the Agenda and minutes published on the Council's web-site and are notified in writing of any major issues.

An Annual Pension Fund Report and Accounts is published on the Council's web-site, reporting on the activities and investment performance of the fund. The report also includes the meetings held and details of matters considered.

9. Reviewing and Updating

As well as undertaking an annual review the Council will review the policy as and when material changes occur.
