# 1. Introduction

- 1.1 This document sets out the London Borough of Havering's Policy (the 'Policy') regarding the regulation of sex establishments and the procedure relating to applications for sex establishment licences.

Please refer to Section 5 for more details.
- 1.4 The procedure sets out:
  - The process for making an application, and
  - The process the Council will follow in considering and determining an application for a sex establishment.

## **2. Consultation**

- 2.1 In developing the policy for the three kinds of sex establishment (sex shop, sex cinema, and sex entertainment venue); the Council has had regard to Schedule 3 of the local Government (Miscellaneous Provision) Act 1982, as provided under the Policing and Crime Act 2009. This Sex Establishments Licensing Policy was subject to widespread consultation.

### **3. Definitions**

#### **The Act**

This refers to Schedule 3 of the Local Government Miscellaneous Provisions Act 1982 (as amended by the Policing and Crime Act 2009).

#### **The Policy**

This refers to the Sex Establishment Licensing Policy.

#### **Relevant locality**

This is the locality where premises are situated or where the vehicle, vessel or stall is going to be used. The locality and the area that this covers is a matter for the local authority to decide. This Council has determined that each ward within the borough represents a relevant locality for the purposes of decision making. The Council may have regard to the area of more than one locality/ward.

#### **Character of the relevant locality**

The character or characteristics of the locality where the premises are situated will be instrumental in determining whether or not the grant of a licence will be appropriate. This is a proper matter for the Council to consider based on local knowledge, factors and circumstances.

#### **The Council**

This means the London Borough of Havering

#### **Display of nudity**

This means:

- In the case of a woman: exposure of her nipples, pubic area, genitals or anus; and
- In the case of a man: exposure of his pubic area, genitals or anus.

#### **Hostess Bar**

This means

- (a) any premises used for a business which consists, whether in whole or in part, of the offering, expressly or by implication, whether on payment of a fee or not, of the provision of companions for customers on the premises; or
- (b) any premises in respect of which any impression, by whatever means, is given to customers, or potential customers, that a performance, entertainment, service, exhibition or other experience of a sexual nature is available on the said premises; or
- (c) any premises in respect of which any impression, by whatever means, is given to customers, or potential customers, that alcoholic refreshments are available on the said premises despite the premises not being the subject of a premises licence or a club certificate under the 2003 Act.

### **The Licensed Premises**

This is a premises, vessel, vehicle or stall which is subject to a sex establishment licence. The premises will be in possession of all appropriate consents and permissions required for operating.

### **Sex Cinema**

A sex cinema is any premises, vessel, vehicle or stall used to a significant degree for the exhibition of moving pictures however produced, which are concerned primarily with the portrayal of, or primarily deal with or relate to or intending to stimulate or encourage sexual activity or genital organs or urinary excretory function.

### **Sex Encounter Establishment**

- (a) premises at which performances which are not unlawful are given by one or more persons present and performing, which wholly or mainly comprise the sexual stimulation of persons admitted to the premises (whether by verbal or any other means); or
- (b) premises at which any services which are not unlawful and which do not constitute sexual activity are provided by one or more persons who are without clothes or who expose their breasts or genital, urinary or excretory organs at any time while they are providing the service; or
- (c) premises at which entertainments which are not unlawful are provided by one or more persons who are without clothes or who expose their breasts or genital, urinary or excretory organs during the entertainment; or
- (d) premises (not being a sex cinema) at which pictures are exhibited by whatever means (and whether or not to the accompaniment of music) in such circumstances that it is reasonable for the appropriate authority to decide that the principal purpose of the exhibition, other than the purpose of generating income, is to stimulate or encourage sexual activity or acts of force or restraint associated with sexual activity

**Sexual Entertainment Venue**

A sexual entertainment venue is any premises where any live performance or any live display of nudity is of such a nature that, regardless of financial gain, it must reasonably be assumed to have been provided solely or mainly for the purpose of sexually stimulating any member of the audience.

## 4. Policy Consideration

- 1 The London Borough of Havering is a borough with an ancient history and an exciting future. Havering is one of the largest boroughs in Greater London, with a population of around 237900 (from the last census) and an area approaching 40 square miles, half of which is in the Green Belt. It is located on the periphery of North East London. The area has good road and rail links. To the north and east the borough is bordered by the Essex countryside, to the south by a three mile River Thames frontage, and to the west by the neighbouring boroughs of Redbridge and Barking & Dagenham.
- 2 The name 'Havering' devolves from the Royal Liberty of Havering, to which Edward IV granted a charter in 1465. Edward the Confessor was the first notable person to have a connection with the area. He occupied the royal house in the village of Havering atte Bower.
- 3 Havering has a lively cultural scene, centred on the Queen's Theatre and the Fairkytes Arts Centre. There is a Museum in Romford town centre. Leisure facilities are second to none, with three leisure centres with state-of-the-art equipment and facilities. The borough is also a great place to shop. There are 250,000 regular shoppers in Romford town centre alone. In addition to Romford there are small local shopping centres in Harold Hill, Collier Row, Hornchurch, Cranham, Upminster, Elm Park and Rainham. See map appendix 2

### **The Councils Vision**

The Corporate Plan 2011-14 sets out the Council's Agenda. The Council's ambition for Havering is simply to provide our residents with the highest quality of life in London.

This "Living Ambition" is underpinned by five goals:

- Goal for environment: Ensuring a clean, safe and green borough.
- Goal for learning: Achieving excellence in education and learning.
- Goal for towns and communities: To provide opportunities for all from economic, social and cultural activity.
- Goal for value: To deliver high customer satisfaction and a stable Council tax and value for money from all sector service providers.
- Goal for individuals: To value and enhance the lives of every individual.

- 4.5 Licensing relates to a number of different aspects of the community strategy. Licensing in Havering will, as far as possible, embrace the vision and act to support its achievement.

4.6 The Community Safety strategy vision for Havering is to create a safe, welcoming, healthier and more prosperous place where people choose to live, work and visit.

4.7 The mission of the Havering Community strategy is to:

- Create a thriving successful and healthy community for all
- Make Havering an inclusive place in which to live, work and visit
- Create a dynamic, prosperous economy driven by a well educated and trained workforce
- Create a good quality of life in Havering for now and the future, through actions that contribute locally, nationally and internationally to sustainable development.

4.8 The Council aims to integrate this policy with the objectives of the Havering community strategy so that it contributes to achieving the vision of the borough. As such and with reference to appendix 1 , the provision of sex establishments is considered by this Council to contradict and undermine its stated aims. The Council's 'nil per ward policy' responds to this concern and in addition to the above is based on the following borough factors which justify this safeguarding regulatory step:

Ward profiles  
Borough profile

Locations of:

Premises attracting vulnerable people such as GP surgeries and addiction centres

Areas and premises attracting families such as leisure and sport facilities and play spaces, parks and open spaces

Premises attracting young people such as schools, nurseries and other education establishments

Places of worship

4.9 It is the Council's view that having regard to each ward and recognising that because of the mix of uses, the character, the strategic vision and the existing locations of particular types of premises in those wards, it would be inappropriate for sex establishments to be located in its wards. The association that sex establishments have with the part of the 'sex industry' and adult entertainment means that they are not suitable for location in those parts of the borough associated with commerce, family retail and entrepreneurship, nor are they appropriate for location in residential areas or areas frequented by families and children.

- 4.10 Working with our partners in Health, Education, the Police and the business and voluntary sectors, the Council will continue to ensure that it reasonably and proportionately reflects the needs of its local communities through:

Continued consultation will take place by responding to complaints and by reviewing the policy in 5 years.

The promotion of a consistent and fair approach to regulation

Consultation with the police and other agencies as appropriate, to establish protocols for effective enforcement.

- 4.11 The Council understands that the co-ordination and integration of policies, strategies and initiatives is important. This policy takes account of, and is supported by, other Council policies and relevant legislation mentioned below. Through partnership working, the Council will seek to secure the proper integration of its policy with other licensing policies, local crime prevention, planning, tourism, cultural strategies and any other plans introduced for the management of town centres and the night time economy.

- 4.12 This policy has therefore had regard to:

Havering Community Strategy

Havering's Enforcement Policy

Section 17 of the Crime and Disorder Act 1998

The Human Rights Act 1998

The Disability Discrimination Act 1995

Havering's Statement of Licensing Policy (Licensing Act 2003)

Havering's Statement of Principles (Gambling Act 2005)

## 5. General Policy

Principles to be applied

5.1 Specific mandatory grounds for refusal of all licence are set out in the Act.

- ii. to someone who has held a licence that was revoked in the last 12 months ( from the date of revocation)
- iii. to someone who has been refused a new or renewal of a licence within the last 12months ( from the date of making the application)
- iv. to an individual who is not resident in an EEA (European Economic Area) state or has not been resident for 6 months prior to the making of an application
- v. to a company not incorporated in an EEA state.

5.2 The Council has determined that the following principles will apply

5.2.1 The Council has set a limit on the number of sex establishments that it thinks is appropriate for its relevant localities. The Council treats each ward in the borough as a relevant locality. Having regard to its analysis, the Council has determined that the appropriate numbers of sex establishments for each ward is as follows:

Wards	Appropriate number
Brooklands	0
Cranham	0
Elm Park	0
Emerson park	0
Gooshays	0
Hacton	0
Harold Wood	0

Hylands	0
Mawneys	0
Petitts	0
Rainham and Wennington	0
Romford Town	0
St Andrews	0

Squirrels Heath	0
Upminster	0

- 5.3 There is no right of appeal against a decision based on this element of the Policy

## **Other Considerations**

### **General**

- 5.54 Every application will be considered on its merits on a case by case basis in determining applications to grant, refuse, renew, transfer or vary a licence.
- 5.5 The applicant must effectively address the policies on the appropriate number and the character of the relevant locality/ward in order for any grant of an application to be considered.
- 5.6 Sex establishments are not to be functionally visible to passers by on retail thoroughfares or pedestrian routes.
- 5.7 The Council shall have regard to all relevant considerations, including any representations received and comments made by:

- Ward Councillors
- Members of Parliament
- Police
- Fire Brigade
- Planning
- Environmental Health
- Community Safety
- Licensing Authority

- b) were the licence to be granted, renewed or transferred, the business to which it relates would be managed or carried on for the benefit of a person other than the applicant, who would have been refused a licence if they had applied themselves
- c) the number of sex establishments or sex establishments of a particular kind in the relevant locality at the time the application is determined is equal to or exceeds the number which the authority consider is appropriate for that locality (please refer to paragraph 5.2)
- d) (i) the grant or renewal of a licence would be inappropriate having regard to: the character or the relevant locality  
(ii) The use to which any premises in the vicinity are put or  
(iii) The layout, character or condition of the premises, vehicle, vessel - all in respect of which the application is made.

5.9 The Council shall not normally grant a licence to operate as a sex establishment if the character of the surrounding area to the proposed licenced premises is such that granting a licence is considered inappropriate.

5.10 The Council shall not normally grant a licence to operate as a sex establishment where there are residentially occupied premises, schools (including nursery groups) and other places/access routes used to a significant degree by children or young persons, or places of worship within 100 metres of the premises seeking a licence.

5.11 The Council may also have regard to the following factors:

- The proximity of residents to the premises, including any sheltered housing and accommodation for vulnerable persons.
- The proximity of educational establishments to the premises
- The proximity of places of worship to the premises
- Access routes to and from schools, play areas, nurseries, children's centres or similar premises
- The proximity to shopping centres
- The proximity to community facilities/ halls and public buildings such as swimming pools, leisure centres, public parks, youth centres/clubs ( this list is not exhaustive)
- The potential impact of the licensed activity on crime and disorder and public nuisance

- The potential cumulative impact of licensed premises in the area taking into account the days and hours of operation of the activity and the character of the locality where the premises are situated
- The nature and concerns of any objections received from residents/establishments objecting to the licence application
- Any evidence of complaints about noise and/or disturbance caused by the premises
- Current planning permission/planning requirements on the premises
- Any current planning policy considerations
- Proximity of other sex establishments
- Whether there is planned regeneration of the area
- Any current licensing permissions related to the premises in relation to activities, uses and hours
- Comments /observations of the Police and Council personnel, including compliance with licensing conditions, relevant history (including noise complaints) together with details of previous convictions/prosecutions pending.
- The suitability and fitness of an applicant to hold a licence. In determining suitability for a licence, the Council shall normally take into account:
  - a) Previous knowledge and experience of the applicant
  - b) Any evidence of the operation of any existing/previous licence held by the applicant, including any licence held in any other borough
  - c) Any report about the applicant and management of the premises received from objectors or the police and any criminal convictions or cautions of the applicant
  - d) Any other relevant reason.

5.12 The above factors are not an exhaustive list of considerations but are merely indicative of the types of factors which may be considered in dealing with an application.

5.13 All applications for new licences for sex establishments, as described in the Act shall be referred to the Licensing Sub-committee for decision.

### **Renewal Applications**

5.14 Where a licence was in existence before the introduction of this Policy, this Policy will become a consideration when the licence is due for renewal.

- 5.15 When considering a renewal application the Council may take into account the criteria set out at paragraph 5.10, and:
- The type of activity to which the application relates
  - The duration of the proposed licence
  - The days and hours of the operation of the activity
  - The layout and condition of the premises
  - The use to which other premises in the vicinity are put
  - The character of the locality in which the proposed premises are situated
  - The levels of crime and disorder in the area
  - Past demonstrable adverse impact from the activity
  - Whether appropriate measures have been agreed and put into effect by the applicant to mitigate any adverse impacts
- 5.16 It should be noted that the Council in applying its decision-making discretion may consider it appropriate to refuse the renewal of the licence even where there has been no change in the character of the relevant locality or in the use to which any premises in the locality are put.
- 5.17 If a renewal application is not opposed, it shall be approved under authority delegated to relevant officer(s). All contested applications for renewal, as described in the Act shall be referred to the Licensing Sub-committee for decision.

### **Variation Applications**

- 5.18 Where an application is made to vary any of the terms and conditions on an existing licence, whether on renewal or not, the Council will take into account the criteria as set out in paragraphs 5.10 and 5.14.

### **Licensing Act 2003**

5.19 Sex establishment premises will need a separate licence to sell alcohol but may not need a licence for any other form of regulated entertainment dependant on the operation of the premises. Contact the licensing team for more information [Licensing@haverling.gov.uk](mailto:Licensing@haverling.gov.uk).
