## MEMBERS' QUESTIONS – SUPPLEMENTARY

The following question was the subject of referral to the Mayor in accordance with Council Procedure Rules and has been accepted.

### 6 INGREBOURNE VALLEY - LANDFILL

#### To the Cabinet Member for Individuals (Councillor Steven Kelly)

By Councillor Michael Deon Burton

Exacerbated by public disquiet and exposé in the press, e.g. 'Yellow Advertiser Newspaper 29/2/12', many residents have concerns as to whether this Council has advanced the complete truth about Agenda item 10, Cabinet Report of 16:11:11 (the wanted intention to deposit other people's waste in a local South Hornchurch park) or if it is indeed 'hit and miss' as to whether they will be provided with the truth when asking important questions.

Unsurprisingly, residents in the South of the Borough have started to question the probity, integrity and whole truthfulness supporting the claim as advanced in agreement with Ingrebourne Valley Limited, that the driving force behind this proposal is the want to "provide a more interesting profiled and managed forested/wetland",

- 1 As an intended partner, in a venture described in such green environmental terms, does the Council know who owns Ingrebourne Valley Limited. Yes or No?
- 2 Who are and what is the primary registered description of the owners..?
