ANNUAL REPORTS OF COMMITTEES 2011-12

MEMBERS' QUESTIONS

ENVIRONMENT OVERVIEW & SCRUTINY COMMITTEE

Para 10.3 - How many times did the Committee consider a written report looking at budgetary performance of the StreetCare function over the year?

Para 10.1 - In respect of garden waste, did the committee consider the possibility of collecting green garden sacks at the same time as green bins, thereby increasing composting rates and diverting green waste away from general waste?

TOWNS & COMMUNITIES OVERVIEW & SCRUTINY COMMITTEE

Items 2 and 6 - what is the purpose of listing out the reasons for the requisitions without the responses? Would it not have added some value to the report to set out more detail as to why the requisitions were not upheld?
