Act 2003****Report Author and contact details:****Andrew Beesley (01708) 432437

Members are advised that, when considering application for a premises licence, the following options are available to them by virtue of the Licensing Act 2003, Part 3, section 35, paragraphs 3 and 4:

"Where relevant representations are made, the authority must

- (a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and
- (b) having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives.

The steps are:

- a) modify the conditions of the licence
- b) reject the whole or part of the application

and for this purpose, the conditions of the licence are modified if any of them is altered or omitted or any new condition is added."

The Sub-Committee will also wish to note that, if none of these steps is required, the application must be granted.

Assuming that the Sub-Committee is satisfied that a hearing is required, then the following procedural steps are recommended. The Licensing Act 2003 (Hearings) Regulations 2005 will govern the arrangements for the hearing of the application now under consideration. This report accords with the requirements of that Act and the Regulations, and in particular Regulations 21-25 (procedure at the hearing).

This process of questioning is normally referred to as cross-examination. The Sub-Committee will allow cross-examination only where it is necessary to assist it in considering the representations or application.

Dear Mr Jones,

Premises Licence Application for Upminster Garden Centre, Nags Head Lane, RM14 1TS.

We write as a result of the licence application submitted on behalf of Roots and Shoots Garden Centre, referred to in the application as Upminster Garden Centre. The application is for both alcohol sales and for the playing of music.

As neighbours of the garden centre we are concerned that the granting of a licence may result in nuisance caused by noise pollution. The application proposes the playing of recorded and live music during normal business hours and occasionally for extended hours at promotional events. The application states that this will be 'predominantly background only', but leaves scope for any volume by the vagueness of the words predominantly background. On 2 recent occasions, in June & July, music played late into the evening for the enjoyment of staff and builders working on-site was loud enough to drive us from our garden to avoid the unwelcome noise, which was still audible indoors. A complaint to the garden centre manager, Mr Michael Stephanou, elicited an apology but he thought the music had only played as background music and was surprised it was audible from our property. Mr Stephanou's interpretation of 'background' is clearly louder than ours and we are concerned that the granting of a licence to play music 'at background levels' as a regular activity will only increase the frequency with which we, and our neighbours, must suffer unwanted noise whilst trying to enjoy the amenity of our otherwise quiet and tranquil garden and the sanctuary of our home.

Turning to the licence for alcohol sales. Considerable weight is placed in the application on the security of the premises imparted by the presence of a CCTV system to prevent crime or disorder. It is claimed this CCTV system is of 'identification standard' and could be used by police to identify individuals committing unlawful acts. However, this system was not able to assist police in identifying the individual(s) or vehicle used in a recent theft from the garden centre. If the CCTV system has proved inadequate so far in assisting the apprehension of individuals committing offences, unless it has been subsequently updated, how can it be expected to fulfil this claimed role on future occasions? We would suggest that the security of the premises is less than desirable for the storage of alcohol prior to either off-sales or sale in the restaurant area.

We hope that these thoughts will influence your deliberations and that you will reject the application at this time.

Yours sincerely

Richard Wells & June Gillard

Paul Jones

Dear Mr Jones,

Premises Licence Application on behalf of Roots and Shoots Garden Centre, referred to in the application as Upminster Garden Centre.

This application is for both alcohol sales and for the playing of recorded and live music.

As the immediate neighbours of the Garden Centre we had occasion on two recent musical events in June and July of this year of having to visit the Garden Centre to complain when music and very loud announcements were being played late into the evenings. This made it extremely uncomfortable for us to venture outside in our own garden without the nuisance which this was causing both us and our immediate neighbours. When I visited the Garden Centre to complain to Mr Michael Stephanou who is the acting Garden Centre Manager, he said that he felt that the music was just being played as background music and he wasn't aware that it was causing any nuisance. He did apologise at this time for any inconvenience this might have caused us. The very nature of a Garden Centre's business does rely on having windows and doors open during the summer months and unless the level of noise is monitored regularly when being played, this will result in unwanted noise levels that neighbours may have to endure on a fairly regular basis if a licence were to be granted. This would be unacceptable to us and our neighbours and would destroy the peace and tranquillity that we have enjoyed so much in the Green Belt area over the past fifteen years of living here - the very reason we chose when we purchased our home.

With regard to the security of the premises an efficient CCTV system would have to be in place for a premises licence to be granted. Unfortunately from our own experiences however, this is not the case. We would refer you to an incident which occurred in the early spring of this year when we found two very large Clematis Wicker Baskets had been left at the entrance to our driveway (one at each brick pillar) and at around 10.30am when I went into the Garden Centre to report this I found that the staff were not even aware that an incident had taken place on the previous evening. They however expressed their gratitude to me for telling them about the
