Subject Heading:

Procedure for the Hearing: Licensing Act 2003

Report Author and contact details:

Taiwo Adeoye (01708) 433079
e-mail: taiwo.adeoye@havering.gov.uk

Members are advised that, when considering application for a premises licence, the following options are available to them by virtue of the Licensing Act 2003, Part 3, section 35, paragraphs 3 and 4:

"Where relevant representations are made, the authority must

- (a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and
- (b) having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives.

The steps are:

- a) modify the conditions of the licence
- b) reject the whole or part of the application

and for this purpose, the conditions of the licence are modified if any of them is altered or omitted or any new condition is added."

The Sub-Committee will also wish to note that, if none of these steps is required, the application must be granted.

Assuming that the Sub-Committee is satisfied that a hearing is required, then the following procedural steps are recommended. The Licensing Act 2003 (Hearings) Regulations 2005 will govern the arrangements for the hearing of the application now under consideration. This report accords with the requirements of that Act and the Regulations, and in particular Regulations 21-25 (procedure at the hearing).

If this information is produced at the hearing it will only be taken into account by the Sub-Committee if the Sub-Committee and all the parties consent to its submission. Permission to have this information included in the hearing should be requested at the beginning of the hearing before any oral submissions have been made.
- Statements made by people in support of a party's representation who are not present at the hearing, must be signed by the maker, dated and witnessed by another person. The statement must also contain the witness's full name and occupation.

- The chairman will invite each of the parties at the hearing or their representative sequentially to address the Sub-Committee and call any person/s to whom permission has been granted to appear. Each party will be allowed a maximum period of 10 minutes in which to address the Sub-Committee and call persons on his/her behalf.
- This 10 minute period is where each party has the opportunity to orally address the Sub-Committee and clarify any points in which the Sub-Committee has sought clarification prior to the hearing. This 10 minute period should be uninterrupted unless a member of the Sub-Committee or Legal Advisor considers that the speaker is making submissions that are irrelevant, frivolous or vexatious.

This process of questioning is normally referred to as cross-examination. The Sub-Committee will allow cross-examination only where it is necessary to assist it in considering the representations or application.

Relevance:

Information submitted at the hearing must be relevant to the applications, representations, or notice and the promotion of the licensing objectives. Re: Play Football Licensing Application
For, King Georges Playing Fields, Eastern Avenue

Dear sir or madam

We read the above application today.
At the planning/open meetings held last summer, representatives of Play Football informed us that the Floodlights would be turned off at 10pm each night and the clubhouse would be shut by 1030pm nightly. The licensing application states much later times than this, up until midnight on Friday and Saturdays. This is far too late for residents who live close to the clubhouse and will be effected by the noise, music, and traffic, which could keep them awake and effect their lives and well being. We are therefore objecting to this application.

Yours Faithfully

A. Coleman

Dear Sir,

I would oppose a licence being
granted to:-

The proposed football project:
St. George's playing fields
Eastern Avenue

It will be enough to turn
the centre into a house, of masses of
people every day. And they
have drinking - going on too!
It is not necessary to have
drinking there.

But this supposed to be for
football?

Thanking you for your help
in this matter.

Yours faithfully,
H. Mc Intyre

These premises will be close to
my house. Any music is going to
cause a disturbance to me,
and other people staying.

I am a poor sleeper and go to bed
early in order to get some sleep.
Anyone entering a bar or smoking
especially when drinking will
cause the problems, especially late
at night.

There will be a lot of noise by the
fact of 120/125 cars, people
leaving late at night.

I am in poor health and this will
reduce my standard of life.

Subject: Premises Ref 11084 (Application closure) 12/1/12 per notice

Herewith the following Objections to the above application:

1. Licensing period.
Duration to long a period over a day.
 - Licensing discrepancy with regard to last sale and closure of facility.
 - The ability to serve (both alcohol and Hot food) up to the end of the license period extends the opening hours which means for local residents:
 - increase in the volume of persons exiting from the location early hours of the morning
 - Therefore risk of disturbance of local area due to pedestrian and car traffic in the early hours.(particularly over the Friday and Saturday) with the extended license period
 - This in turn elevates the risk of crime & Disorder to both the King George playing field (KGPF) and to residents adjacent to KGPF or access points thereto and access roads there from.

2. The application does not identify who will be responsible for the security of the facility and to the (KGPF) area during the Licensing period

- Raises the question of public safety for KGPF users and communities adjoining same.
- Further with a license premises in close proximity to open park land (KGPF) higher risk of drink made available to under age persons and their ability to consume same in (KGPF)
- how will under age drinking from the premises be prevented is not addressed in this application
- There is no clear statement as to who will be responsible for the Gates access of KGPF and what times access will be increased to if this License application is successful.

3. The license application does not state the maximum number of persons who are using this facility.

- Whether those attending can be contained inside the facility or if it is planned to accommodate greater volume of persons in the surrounding outside area. If in the outside area at a function, then:-
 - clarification as to where such recorded music sounds would be coming from (i.e. inside a club house) speakers location in the surrounding outside area/ car park or patio/smoking areas.

4 There is no stipulation as to the level of sound that will be allowed for "recorded music"

- Both the volume of recorded music need be specified (and speaker locations identified)
- to minimise "noise pollution" to Local residents

This application is not welcome as it is not needed by local residents as we have 3 public houses close at hand. The license far exceeds that of a club house for those using the football pitches to which this facility relates to.

- **Suitability of Location**

- **Policing – responsibilities and expense**

 4. The surrounding residential areas
 5. NB. Currently, a disproportionate amount of time is used by the Police Helicopter searching for malefactors in the Playing Field even when closed. Dear Sirs,

I have strong objections to the above application.

The playing of loud music into the early hours of the morning is most unacceptable and must be restricted to midnight.

Another concern is regarding access. Access from Eastern Ave is fine — but another access point is Linley Crescent through one of the alleyways (the alley behind Linley Crescent is a "right of way" for residents only)

Again - this is unacceptable.

Dear Sirs,

I am writing to raise my objection to the proposed Football Clubhouse licensing application on the playing field to the rear of Linley Crescent.

The area in question has houses and gardens directly backing onto the old games/amusement area that has been unused for some years. Nobody appears to have been notified that any further development plans were under consideration. To build a clubhouse is one thing but to grant a virtual all day liquor license that will stretch until 12pm is a nightmare, When socials etc are held the noise to the surrounding houses will be horrendous.

The houses from the Linley Close entrance to the bottom at Percy Road have a walkway to the rear of all the gardens. We just want drunken youths meandering down , urinating, shouting etc. Many of these houses have very young children who need to get to sleep.

As the field is mainly used by children's football on weekends why would a clubhouse need to sell drink anyway?

A very unhappy resident.

Dear Sirs

With reference to the notice displayed by Play Football Ltd for the grant of a premises license in King Georges Playing Field.

Let me start by saying that at the Public presentation given by Play Football Ltd I fully supported their project for the installation of pitches for 5 and 7 a side football and the benefits that this would bring to the local community in general especially as they promised to re-landscape the playing field as part of the application.

However, although there was plans showing the building housing the changing rooms etc., there was no suggestion of late night supply of alcohol or recorded music, in fact, I understood that when the pitches were closed and the floodlights switched off around 10 p.m. the premises would also close.

I and many other residents strongly oppose the proposed licensing hours and the playing of music and I am also concerned that customers would abuse the Playing Field. I would respectfully request that licensing is only allowed no later than 22.30 hours with a special condition of obtaining individual approval extension for any arranged functions.

The Friends of King Georges Playing Field group together with the London Borough of Havering parks team have worked tirelessly with the regeneration of the park for the good of the community and would want to see this preserved.

The late nights would also mean that headlights from cars parked in the new proposed car park layout would be intrusive to residents in Mawney Road.

If the London Borough of Havering grant this application, would they please make it conditional that music limiters are installed for sound levels and that the car park perimeter facing the playing field has a solid bottom so to reduce intrusive lighting for residents in Mawney Road.

Yours faithfully

Dear Sir,

I feel I must protest about a License application by Playfootball Ltd in King George Playing Field. This is for children to play football not for people to go drinking this does not give out a good image to the younger people, also to have such late drinking times will overall cause problems. It will turn into a Night Club which we do not want in the park. We did not want this development in the first place but to add a drink license to this is against all our wishes. Do please consider people that live around here we do not want drunk's around here late at night. This is way over the top.

Dear Team Manager,

Regarding License application by Playfootball
in King George Playing Field.

I wish to register my strong objection to the proposed grant of a license to sell alcohol at Playfootball club house.

Given, King George Playing Field is a park, I do not feel it is appropriate to allow a Football Club-house to effectively operate as a public house.

Moreover, I feel the grant of a license will have a detrimental effect on residents who will be subjected to noise and unsocial behaviour particularly at closing time both inside and outside the park area.

Finally, I do not feel the application should be granted as a local public house in Mauney Road is apparently about to close due to poor trade.

yours Sincerely
Josie Russell.

Dear Sir/Madam,

Re: Proposed Premises known as 'Play Football'—King George Playing Field

As residents of a house backing onto this playing field, my wife and I have some concerns regarding the above proposal, particularly in connection with the proposed licensed bar and disco music. Whilst we applaud the use of the field for children's games and recreational activities, particularly at week-ends, these proposals introduce a less desirable element into its environment. We are not sure that the original foundation of the King George Playing Field would have countenanced the establishment of what would, in effect, be a licensed club house, virtually open at all hours and we would like to know whether or not The London Borough of Havering has the right to use the ground for this purpose.

In spite of the large car park, many participants in the activities, principally football, park in Mawney Road, presumably because the small gate provided gives them easier access to the pitches. This often results in 'double parking' with buses and other large vehicles having to negotiate their way through a slalom. Steps would have to be taken to prevent this happening to an even greater level.

There is also the issue of security within the Playing Field when the gates should be locked while the bar and disco are still open. Would the patrons of the bar have access to the entire field up to eleven or twelve o'clock at night? Would there also be an area around the 'clubhouse' into which patrons could spill out onto tables and benches with all the accompanied noise and general disturbed peace to which we are all entitled in our own gardens on a summer evening?

I doubt if the councillors who vote in favour of these proposals would do so if their own lives were going to be affected detrimentally.

Yours faithfully,

H R Janes

Dear Sir.

Re the licence application for Playfootball Ltd club house
King George's Playing fields Romford.

For reasons that I will mention below, I wish to make a representation against
this application.

The clubhouse presumably will be open until quite late, and alcohol will
be available, add to that, being a club house, loud music will be played
until late. It will no doubt cause a disturbance for the local residents.

There are other points such as security that will have to be provided until much
later than it is at the moment. Who meets the cost of this? Also there will be many
more cars in the area, will this mean more car parking space needed?

I would suggest that there are too many problems associated with having a
club house in the playing fields for it to be given the go ahead.

Yours truly

Dear Sir/Madam,

Re. Play Football project in King Georges Playing Field.

I am writing to strongly oppose the late time to supply alcohol on the new proposed premises. I belong to the committee of King Georges Playing Field & attended meetings for the proposed plans for Play Football & there was no mention at all of late licensing hours, & understood the premises would close around 10pm, a reasonable time.

I, along with many other people, thought this new project a good idea for youngsters & King Georges Playing Field. Over the past several years, there has been a lot of work put into the conditions of the playing field, which had been very much neglected & it would be regrettable if all that has been achieved, comes into jeopardy.

I also note, there will be music on the Play Football premises & likewise, coupled with late nights & alcohol, could become a serious problem. & therefore, ask the London Borough of Havering to consider earnestly the disadvantages.

Yours faithfully,
Maureen L. Payne

Dear Sir or Madam,

With reference to License application by Playfootball Ltd Club House in King George Playing Field.

I and my Partner would like to protest most strongly with regard to this application. We both thought it was a good idea to promote the projected football installation to give the local youths something to do in the evenings, and keep them out of trouble. How will the provision of alcoholic drinks and music at this venue encourage good behaviour. We think it would have the adverse effect. It seems that Playfootball are trying to set up an out of town night club with all the ensuing problems as may well be seen throughout the country.

Your Ref: 11084

Dear Sirs,

**RE: LICENCE APPLICATION: PLAYFOOTBALL LTD. CLUB HOUSE
KING GEORGE'S PLAYING FIELDS. ROMFORD, RM1 4QL.**

I, a local resident, make representation against this Licence Application based on concerns expressed as follows:

- **Access & Egress**
 1. Location of the Club House
 2. Deliveries
 3. Waste removal
 4. Pedestrian Accessing and Exiting
 5. Personal motorised vehicles Accessing and Exiting
 6. Commercial vehicles Accessing and Exiting

- **Parking**
 1. Inadequate and secure parking on sight
 2. What, if any, over night parking restrictions
 3. No size and height restrictions for non-commercial vehicles
 4. Detrimental effect on local street parking

- **Noise pollution**
 1. Deliveries and waste removal
 2. Playing of music.
 3. Disturbance of local residents
 4. Increased vocal noise, following the consumption of alcohol

- **Light pollution**
 1. Club house
 2. Veranda areas
 3. Car Parking areas
 4. Flood lighting

- **Suitability of Location**
 1. A Playing Field – Park is not a suitable location for the sale and consumption of alcohol

2. Limiting or impeding the use of Playing Field facility by local residents not interested in either consuming alcohol or football

- **Policing – responsibilities and expense**

1. During daylight hours

2. Evenings hours

3. Night time, when normally the Playing Field would have closed

4. The surrounding residential areas

5. NB. Currently, a disproportionate amount of time is used by the Police Helicopter searching for malefactors in the Playing Field even when closed.

Such problems will be exacerbated by the Playing Field being open to satisfy this proposed Club House's licensing hours and the consumption of alcohol.

- **Security responsibilities and expenses for:**

1. Club House

2. Playing fields

3. Entrances and exits

4. Local residential properties

5. Local business properties

6. Local streets

- **Availability of Alcohol**

1. Opening hours

2. Consumption of alcohol before, during and after sports activities

3. Consumption of alcohol

- **Under Age Drinking**

1. A Playing Field where alcohol is easily available will only encourage under age consumption of alcohol

- **Housing**

1. Detrimental effect on residential property values

2. Re-evaluation by Local Council Valuation for Taxation so as to reflect the detrimental property values should such a licensed be granted

I would ask that you take into considerations the points raised. Hopefully, like most local residents, you will come to the conclusion that the licensing of a Club House at the Playing Field is not in the best interest of the Community at large or those who reside near to this facility.

Yours faithfully

T. Skerry

Dear Sir,

The Metropolitan Police wish to make representation against granting a premises licence to Play Football Ltd, at the proposed site of King George Playing Field, Eastern Avenue (A12).

The police are not satisfied that the applicant has satisfactorily addressed the licensing objectives in particularly the prevention of crime and disorder, but all of the other objectives. The standard of this application is poor.

The applicant has not consulted with police to date, in order to satisfactorily achieve the objectives.

The applicant states under **The Prevention of Crime and Disorder:**

- "The building will be designed with window and door shutters". It does not state the style or standard of shutters and how these will be secured or operated, or list any other methods of prevention of crime at the location, what procedures are in place to deal with disorder. This objective in its current format has not reached the standard required.
- "Security will be employed when necessary", a very bold statement with very little emphasis on why and when you would need security. SIA recommendations to be considered. I need to know what events will be held at the premises and what considerations have been taken to avoid disorder and Public nuisance. A full operating schedule is required in order to assess the objective fully.
- "CCTV cameras will be installed", CCTV is vital in many establishments there are varying conditions written by the Home Office. This includes amount of cameras and positions layout of premises how images are captured. No plans provided or system type. I need to see a plan of this plus system type details, before any application can be processed, it's vital that adequate control measures are in place to prevent crime and disorder.

Advice can be sought from a building and planning inspector and also a crime prevention officer.

A full operating schedule should include, what it is the applicant intends to do at the premises in detail. This is to include who will be using the club and who will have access to the club, target age groups. It would appear that the sale of alcohol is primary the function of the Sports Bar/Club House, with no provision for food. This raises my concern and the potential for disorder.

- There is mention of hiring the establishment out at weekends and disco's being present. The applicant has failed to mention what additional steps they will be taking to prevent crime and disorder at the premises during these events. What control measures have you in place?
- The play football website, advertises bands available, along with free function hire, free drinks and free fun. This application does not include live music/regulated entertainment. Only recorded Music.

Public safety - This area I would need to see additional comments on staff training maintenance of records and information on capacities, fire procedures, and type of alarms installed, more information can be sought from the London fire brigade on this. I would like to impose a condition that the use of polycarbonate drinking vessels is attached. An incident report log will be maintained, any incident or complaint will be recorded in a daily log held at the premises and available for inspection upon requested of a relevant authority.

The Prevention of Public Nuisance, many aspects of this also arise into crime and disorder.

The patio and terrace area, there is no schedule or plan for its use. I need to see one to ensure the licensing objectives are maintained. Will music be played outside? Is there an announcement system/PA for outside? Will supporters be at the location and drinking alcohol outside? There is no control measures attached, apart from a sign "respect our neighbours" how will you enforce this request? I need to see the dispersal policy. This objective as not been covered and needs to be revised.

The Protection from Children from Harm, I need to see a copy of the children's policy, the objective has not been met in its current format. I need to be satisfied that an, aged verification scheme will be applied at the premises limiting the risk to under age sales of alcohol. What age groups of children will be allowed to play or use the facilities? How will this be monitored and controlled. The bar area does not state if this is open to children? Or if there any reserved areas for adults only? I seek further clarification on the stated phase, "Children will not be permitted on the site later then 2100 hours". What age group does this apply to? Will this include children who are accompanied? Information on children's services and advisory can be found in the London borough of Havering licensing policy. I suggest consultation with this group given this venue appears to target children playing and attending the venue. A children's policy must be in place.

The applicant has NOT volunteered any conditions from the pool contained within the licensing authorities' policy. This document can be downloaded from the London

Borough of Havering website. I would seek to impose conditions on the licence to ensure the premises are working to achieve the licensing objectives, and adequate control measures are in place.

- **I could not support this application in this format. There are very few provisions suggested in respect to crime and disorder and how the premises intend to go about its licensable activity.**

I also recommend that the applicant contacts me and arranges a meeting. I would suggest bringing the DPS along to the meeting, so we can build on our working relationship and the business requirements.

If I can be of any further assistance in this matter please do not hesitate to contact me in the licensing office.

Yours sincerely
