PROCEDURE FOR THE HEARING: LICENSING ACT 2003 (TEMPORARY EVENT NOTICE)

This is a hearing to consider an application for a temporary events notice under section 100 of the Licensing Act 2003. The Licensing Act 2003 (Hearings) Regulations 2005 will govern the arrangements for the hearing of the application now under consideration.

Members are advised that, when considering an application, the following options are available to them by virtue of the Licensing Act 2003, Part 3, section 35, paragraphs 3 and 4:

"Where relevant representations are made, the authority must

- (a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and
- (b) having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives.

The steps are:

- a) modify the conditions of the licence
- b) reject the whole or part of the application

and for this purpose, the conditions of the licence are modified if any of them is altered or omitted or any new condition is added."

The Sub-Committee will also wish to note that, if none of these steps is required, the application must be granted.

Assuming that the Sub-Committee is satisfied that a hearing is required, then the following procedural steps are recommended. The Licensing Act 2003 (Hearings) Regulations 2005 will govern the arrangements for the hearing of the application now under consideration. This report accords with the requirements of that Act and the Regulations, and in particular Regulations 21-25 (procedure at the hearing).

1. Membership of the Sub-Committee:

- 1.1 The Sub-Committee comprises three members of the Licensing Committee, with a quorum of two members. **Unless there are objections, in the absence of three members, the hearing shall proceed with the quorum of two.**
- 1.2 A members of the Licensing Committee will be excluded from hearing an application where he or she:
 - 1.2.1 has considered an application in respect of the premises in the previous 12 months as a Member of the Regulatory Services Committee; or
 - 1.2.2 is a Ward Councillor for the Ward in which the premises, subject to the application, are located; or
 - 1.2.3 is a Ward Councillor for a Ward which is likely to be affected by the application or;
 - 1.2.4 has a personal interest in the application.

2. Roles of other participants:

- 2.1 The Legal Advisor is not a party to the hearing. The role of the Legal Advisor is to provide legal advice relating to the application and submissions.
- 2.2 The Clerk is not a party to the hearing. The role of the Clerk is to record the hearing and the decisions of the Sub-Committee, and ensure efficient administration

3. Representation validation meeting:

- 3.1 Prior to this hearing, the Sub-Committee Chairman will have met the Legal Advisor and/or Clerk to determine whether further clarification is required of any issues contained in the application or any representation.
- 3.2 During this preliminary meeting no decision will have been made or discussion held regarding the substantive merits of the application or representations.

4. Location and facilities:

- 4.1 All hearings will be heard at the Havering Town Hall unless otherwise directed.
- 4.2 Interpreters will be provided by the Council on request, provided notice is given at least five working days before the hearing.

5. Notification of attendance:

- 5.1 The Chairman will enquire of the parties who is in attendance and the parties will indicate their names (and, where relevant, whom they represent). A register will be circulated before the commencement of the hearing on which the applicant, his/her advisers and companions and all interested parties (and/or their representatives) will be asked to record their attendance.

6. Procedural matters:

- 6.1 Prior to the commencement of the hearing, the Chairman of the Sub-Committee will orally inform the parties whether their applications to have certain people attend the hearing (e.g. witnesses) have been granted or refused. Note this relates to people other than those attending on behalf of a party in the capacity as a representative of the party.
- 6.2 Prior to the commencement of the hearing the Chairman of the Sub-Committee will outline the procedure to be followed at the hearing. This will normally be as follows:

Introduction of the application:

The Licensing officer will outline:

- details of the application and relevant representations received from the parties;
- relevant legislation ;
- relevant Licensing Policy; and
- the time limit in which the Council must reach a determination.

Documentary evidence:

- Documentary or other information in support of applications, representations or notices should be provided to the Clerk of the Sub-Committee at least 7 clear working days before the hearing. If this information is produced at the hearing it will only be taken into account by the Sub-Committee if the Sub-Committee and all the parties consent to its submission. Permission to have this information included in the hearing should be requested at the beginning of the hearing before any oral submissions have been made.

- Statements made by people in support of a party's representation who are not present at the hearing, must be signed by the maker, dated and witnessed by another person. The statement must also contain the witness's full name and occupation.

Representations:

- The chairman will invite each of the parties at the hearing or their representative sequentially to address the Sub-Committee and call any person/s to whom permission has been granted to appear. Each party will be allowed a maximum period of 10 minutes in which to address the Sub-Committee and call persons on his/her behalf.
- This 10 minute period is where each party has the opportunity to orally address the Sub-Committee and clarify any points in which the Sub-Committee has sought clarification prior to the hearing. This 10 minute period should be uninterrupted unless a member of the Sub-Committee or Legal Advisor considers that the speaker is making submissions that are irrelevant, frivolous or vexatious.
- Members of the Sub-Committee may ask questions of any party, at any time during the proceedings. Time taken in dealing with a Member's question will not be taken into account in determining the length of time available to the party in question to make their representation.

The sequence in which each of the parties will be invited to address the Sub-Committee will normally be in the order of:

- the Chief Officer of Police;
- the Fire Authority;
- the Health and Safety at Work Enforcing Authority;
- the Local Planning Authority;
- the Local environmental Health Authority;
- the Local Weights and Measures Authority;
- the Authority Responsible for the Protection of Children from Harm;
- a navigation or other authority responsible for waterways; and
- any other party that has submitted representations in respect of the application, certificate, notice or other matter appearing before the Sub-Committee;
- the party that has submitted the application, certificate, notice or other matter appearing before the Sub-Committee.

At the discretion of the Sub-Committee the above order may be varied.

Cross-Examination:

Where witnesses have been permitted by the Sub-Committee to speak at the hearing on behalf of a party, permission must be sought from the Sub-Committee before another party can ask the witness questions. This process of questioning is normally referred to as cross-examination. The Sub-Committee will allow cross-examination only where it is necessary to assist it in considering the representations or application.

Relevance:

Information submitted at the hearing must be relevant to the applications, representations, or notice and the promotion of the licensing objectives. The Chairman of the Sub-Committee is entitled to exclude any information it considers to be irrelevant whether presented in written or oral form. The licensing objectives are:

- The prevention of crime and disorder;**
- Public safety;**
- The prevention of public nuisance; and**
- The protection of children from harm.**

7. Failure of parties to attend the hearing:

- 7.1 If a party, who has not given prior notice of his/her intention not to attend the hearing, is absent from the hearing the Sub-Committee may either adjourn the hearing or hold the hearing in the party's absence. Where the hearing is held in the absence of a party, the Sub-Committee will still consider the application, representation or notice submitted by that party.

8. Adjournments and extension of time:

- 8.1 The Sub-Committee may adjourn a hearing to a specified date or extend a notice period except where it must make a determination within certain time limits in the following specific applications:
- Applications for conversion of existing licences where the Sub-Committee must make a determination within 2 months of the application first being received. In default of a decision being made the application will be treated as being granted;
 - Applications for variation of existing licences where the Sub-Committee must make a determination within 2 months of the application first being received. In default of a decision being made the application will be treated as being rejected;
 - Applications for conversion of existing club certificates where the Sub-Committee must make a determination within 2 months of the

application being first received. In default of a decision being made the application will be treated as being granted;

- Applications for variation of existing club certificates where the Sub-Committee must make a determination within 2 months of the application being first received. In default of a decision being made the application will be treated as being rejected;
- Applications made by holders of justices' licences for personal licences must be determined within 3 months of the application first being received. In default of a decision not being made within this period the application will be treated as being granted;
- Review of premises licences following closure orders where the Sub-committee must make a determination within 28 days of receiving notice of the closure order.

9. Sub-Committee's determination of the hearing:

- 9.1 At the conclusion of the hearing the Sub-Committee will deliberate in private accompanied by the Clerk and the Legal Advisor who will be available to assist the Sub-Committee with any legal problems but will not participate in any decision making of the Sub-Committee.
- 9.2 The Sub-Committee will normally make its determination and announce its decision at the end of the hearing.
- 9.3 Where all parties have notified the Sub-Committee that a hearing is not required the Sub-Committee must make its determination within 10 working days of being given notice that the hearing is not required.

10. Power to exclude people from hearing:

- 10.1 The public are entitled to attend the hearing as spectators. However, the Sub-Committee may exclude any person from the hearing including any person assisting or representing a party where:
- it considers that the public interest would be best served by excluding the public or the individual person from the hearing; or
 - that person is behaving in a disruptive manner. This may include a party who is seeking to be heard at the hearing. In the case where a party is to be excluded, the party may submit to the Sub-Committee in writing any information which they would have been entitled to give orally had they not been required to leave the hearing.

11. Recording of proceedings:

- 11.1 A written record of the hearing will be produced and kept for 6 years from the date of the determination of the hearing.

12. Power to vary procedure:

- 12.1 The Sub-committee may depart from following any of the procedures set out in this document if it considers the departure to be necessary in order to consider an application, notice or representation.

This application for a Temporary Event Notice made by Darren Mills under section 100 of the Licensing Act 2003. The application was received by Havering's Licensing Authority on 17th May 2012.

Geographical description of the area and description of the building

The Temporary Event Notice (TEN) is for Monday 4th June 2012 to cover the hours of 00.00 to 03.00 (Sunday night into Monday morning) for the Sale by Retail of Alcohol, the Provision of Regulated Entertainment and the Provision of Late Night Refreshment for a maximum of 499 people. The TEN apply to the whole premises which are situated in the centre of Romford on the south side of the Market place. A map of the area is attached to assist the sub-committee.

The premises are in the centre of Romford and very close to public transport.

The application forms were received by the licensing office on Thursday 17th May 2012.

I followed the procedure relating to TENs entered it onto our data base and returned a signed copy to the applicant/agent acknowledging the TEN by post.

PC Dave Fern the Havering Police Licensing Officer and Marc Gasson the Environmental Health Noise Specialist made a representation against the Temporary Event Notice on Monday 21st May 2012.

Under the Licensing Act 2003 the police and environmental health have three working days to lodge an objection to a TEN on the grounds relating to one or more of the four licensing objectives (The Prevention of Crime and Disorder, Public Safety, the Prevention of Public Nuisance and the Protection of Children from Harm).

A TEN allows the sale of alcohol, regulated entertainment and late night refreshment (hot food and drink 23.00hrs to 05.00hrs) for a limited period to take place without there being a licence but limits the number of people present to 499 (including staff).

Police wish to make representation **against** the temporary event notice for the EDGE 80 - 84 MARKET PLACE, ROMFORD, RM1.

This event is for the jubilee celebrations on morning of 04/06/2012 licensed from midnight - 0300 hours.

The premises fall within the saturation zone and violent crime is still rising within this zone. Police feel that granting additional hours would have a negative impact on the licensing objectives; Prevention of crime and disorder and public nuisance.

The cumulative impact of granting additional hours will only add to the problems that police are already presented with. The borough of Havering is amongst the top boroughs for alcohol fuelled violence within the Metropolitan police. The borough now targets 60% of its resources to tackle the serious issues or crime and disorder in the town centre. We need to tackle the scourge of violence and we need to do it now.

The licensing act is about prevention and to assist the police and authorities in controlling violence both on and off the premises, along with disorder and public nuisance.

There are also ongoing issues with residents about the noise generated from these premises. At a recent hearing the operator was informed to build a lobbied exit. I believe this work is not yet complete thus creating further public nuisance.

I have taken into account that this event falls over the jubilee celebrations this is a long weekend. The premises do have a sufficient licence to make alternative arrangements for its event.

Police will not support this event and genuinely believed granting of such hours will only have negative effect of crime and disorder along with public nuisance.

If I can be of any further assistance in this matter please do not hesitate to contact me in the licensing office.

Yours sincerely

Dear Mr Campbell

Licensing Act 2003-Application for Temporary Event Notice 4/6/2012
The Edge, 82-84 Market Place, Romford, Essex.

I refer to the above application for a T.E.N. for the 4th June 2012 from 00:00-03:00 hours making the following observations and therefore objecting to it being granted.

This Service is currently investigating ongoing complaints received from nearby residents of noise from the Edge. Evidence of noise from the venue has been witnessed by officers from this Service both in terms of the music from inside the venue and the noise from the patrons outside the premises.

The complaints have predominantly been associated with functions at the venue where live music is played. This currently is not played through the venue's music system where the noise level is controlled by a noise limiter. As the application relates to a live band playing at the venue and therefore the level of music will not be controlled by their noise limiter. In addition there is currently no lobbied exit at ground floor level from the bar area reducing noise breakout from this area. For these reasons I object to the the Temporary Event Notice, as any extension of hours for licensible activities will increase the likelihood of noise problems witnessed previously being caused to nearby residents at the later hours applied for.

I trust this clarifies my position.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'M Gasson', with a long horizontal line extending to the right.

Marc Gasson
Noise Specialist.
