		<p>The Responsible Authorities both detailed their concerns relating to the premises being within the saturation area at Hornchurch.</p> <p>Metropolitan Police: - PC Fern stated in his representation and to the sub committee that the premises was in the saturation area of Hornchurch. He made representation against the application on the ground of public nuisance and crime and disorder but for the hours requested only.</p> <p>PC Fern addressed the subcommittee orally reiterating his written representations stating that the granting of additional hours on Friday and Saturday nights until 01:30 hours with no additional conditions offered by the applicant, would impede on the following licensing objectives: Prevention of crime and disorder along with public nuisance.</p> <p>The sub committee was informed that the Police had been in consultation with the applicant and their representative and had raised concerns within the application.</p> <p>The Police had suggested to the applicant and to the licensing sub-committee that there should be a last admittance time, somewhere between one hour or thirty minutes prior to the last licensable activity, patrons must be inside the restaurant and seated. This would mean that those patrons leaving the bars that are closing must do so before one 01:00 hours in order to use this premises. PC Fern was of the opinion that this would assist with the dispersal and impact within the zone and also prevent queuing outside the premises after the bars had closed.</p> <p>The premises fall within the saturation zone, an area where violent crime (mostly assault) is at its peak during the hours requested. PC Fern stated that for this reason appropriate conditions should be imposed if the sub-committee was inclined to grant the additional hours requested.</p>

		<p>The Police had concerns about the requested extended hours on Christmas Eve, Boxing Day, New Years Eve without appropriate conditions being attached to the licence. PC Fern was of the view that granting of additional hours within an area under stress needed to be managed accordingly.</p> <p>Police also submitted to the Sub-Committee that if the holiday falls on a Sunday-Thursday then an additional hour could be granted if the last admittance time was adhered to, however if the sub committee were inclined to grant an additional hours to the Friday and Saturday nights as requested then no further extension should be given for the holidays.</p> <p>The Police are also of the view that any extension for late night refreshment on a Friday and Saturday evenings must also adhere to the last admittance. It is not acceptable for patrons to be loitering outside the venue waiting for a table, or to arrive at the venue ten minutes before closing. The most recent increase in assaults has been reported opposite this venue. It is for this reason a last admittance time must be enforced if the committee consider granting the additional hours.</p> <p>Police would not support the granting of any additional hours without an appropriate condition.</p> <p>Licensing Authority: Mr Paul Jones, Licensing Officer for the London Borough of Havering, made representation against this application based on the prevention of crime and disorder and the prevention of public nuisance licensing objectives.</p> <p>The sub committee was informed that if the application were to be granted in its current form the likely result would be an increase in crime and disorder and public nuisance in the vicinity of the premises.</p> <p>He stated that Havering's Licensing Policy was adopted in 2011. 		<p>analysis of the crime statistics of the St Andrews ward and it was these figures which prompted the Council to introduce a saturation policy in this ward with regard to the apparent proliferation of licensed premises therein.</p> <p>The sub committee was informed that Policy 012 which regulated hours during which a licensed premises within the St Andrews ward should operate. This premises was located in a mixed use area, i.e. residential and commercial properties, and therefore the terminal hour for regulated activities should not reasonably exceed 00:30 unless the application merits it. This application sought to extend the normal hours during which licensable activity may be provided on a Friday and Saturday evening from its current terminal hour of 00:30 until 01:30. The premises also wish to remain open to the public until 02:00.</p> <p>The Licensing Authority contend that the applicant had not adequately address the promotion of the licensing objectives during these extra hours, hours during which much of the population would most likely be asleep.</p> <p>Mr Jones concluded that the Licensing Authority would therefore not be in a position to support the application.</p> <p>Public Health: - None</p> <p>London Fire & Emergency Planning Authority (“LFEPA”): None.</p> <p>Planning Control & Enforcement: None.</p> <p>Children & Families Service: None</p> <p>Trading Standards Service: None</p>

He gave the following responses to the representations from the Responsible Authorities:</p> <ul style="list-style-type: none"> • That there were premises in the area that already operated till 02:00hours. Mention was made of Hot & Tender, Tarantino and Taste of Bengal • That Mr S Ahmed also owned premises in Elm Park and no issue had arisen to date. • Mr Ahmed took over the premises over a year ago, the premises operated with about four staff. • Aware that the standard restaurant condition applied, there would be no drinking at the bar. • In response to the Police condition on a last admittance time, Mr Hopkins felt this was unnecessary. He suggested that other similar premises do not have it, nor do they have door supervisors. Olivers bar across the road closes at 2:00am, by which time the applicant would be closed, so there would not be loitering outside as suggested. • At Zarana they do not encourage waiting for a table if none was available on arrival. • The premises would be open to condition for the use of the outside terrace to cease at 12:00am. • The applicant also felt having door supervisor as suggested was unnecessary at this venue. • The applicant owned the flat above the licensed premises.

		<p>In response to the applicant’s representative submission, PC Fern stated that his representation was based on the violent crime statistics in the St Andrews ward and these concerns were still valid in respect of the application. He reiterated that majority of the premises in the area closed at 01:00hours.</p> <p>Mr P Jones, Licensing Officer clarified that Taste of Bengal and Tarantino were granted their licences before the saturation policy was implemented in the area. He also added that Hot & Tender is a take away premises that was granted after the policy introduced.</p> <p>4. Determination of Application</p> <p>Decision</p> <p>Following the hearing held on 6 September 2012, the Sub-Committee’s decision regarding the application to vary a Premises Licence for Zarana, 55 High Street Hornchurch RM11 1TP was as set out below, for the reasons shown:</p> <p>The Sub-Committee was obliged to determine this application with a view to promoting the licensing objectives, which are:</p> <ul style="list-style-type: none"> • The prevention of crime and disorder • Public safety • The prevention of public nuisance • The protection of children from harm

The Police were of the view that additional condition would be necessary if the additional hours were to be granted.</p> <p>The Sub-Committee accepted that the premises was in a saturation policy zone and that Policy 012 that regulates a mixed used area was also relevant in this consideration as it safe guarded residents.</p>

		<p>There are well-known concerns in the area that the premises are in, which have resulting in a cumulative impact policy being in place. Further, it being a mixed use area, recommended closing time for licensed premises per Havering’s Licensing Policy is 12:30am. Given this, and the concerns of both Police and the Licensing Authority, the Sub-Committee were not convinced that the hours applied for were appropriate.</p> <p>The Sub-Committee was therefore unable to grant the licence as requested but prepared to grant the application as follows:</p> <table border="1" style="margin-left: auto; margin-right: auto;"> <thead> <tr> <th align="center" colspan="3">Recorded Music, Provision of Facilities for Dancing, Supply of Alcohol</th> </tr> <tr> <th align="center">Day</th> <th align="center">Start</th> <th align="center">Finish</th> </tr> </thead> <tbody> <tr> <td align="center">Monday to Thursday</td> <td align="center">11:00hrs</td> <td align="center">00:30hrs</td> </tr> <tr> <td align="center">Friday and Saturday</td> <td align="center">11:00hrs</td> <td align="center">01:00hrs</td> </tr> <tr> <td align="center">Sunday</td> <td align="center">11:00hrs</td> <td align="center">00:00hrs</td> </tr> </tbody> </table> <table border="1" style="margin-left: auto; margin-right: auto;"> <thead> <tr> <th align="center" colspan="3">Live Music</th> </tr> <tr> <th align="center">Day</th> <th align="center">Start</th> <th align="center">Finish</th> </tr> </thead> <tbody> <tr> <td align="center">Sunday to Thursday</td> <td align="center">11:00hrs</td> <td align="center">23:30hrs</td> </tr> <tr> <td align="center">Friday and Saturday</td> <td align="center">11:00hrs</td> <td align="center">00:30hrs</td> </tr> </tbody> </table> <table border="1" style="margin-left: auto; margin-right: auto;"> <thead> <tr> <th align="center">Late Night Refreshment</th> </tr> </thead> </table>	Recorded Music, Provision of Facilities for Dancing, Supply of Alcohol			Day	Start	Finish	Monday to Thursday	11:00hrs	00:30hrs	Friday and Saturday	11:00hrs	01:00hrs	Sunday	11:00hrs	00:00hrs	Live Music			Day	Start	Finish	Sunday to Thursday	11:00hrs	23:30hrs	Friday and Saturday	11:00hrs	00:30hrs	Late Night Refreshment
