		3. Details of representations
		Public Health:
		Mr Gasson, the Havering Noise Specialist officer, reiterated his written objection against the application.
		He commented that there had been a history of noise complaints relating to the premises and that the clubhouse was located in a very close proximity to neighbouring residential properties.
		The history of noise complaints had mainly concentrated on noise breakout from the venue which had in turn led to the club installing a noise limiter.  Mr Gasson also advised that there had been periodic noise problems with patrons entering and leaving the premises usually in the summer months.
		Mr Gasson also commented that no previous enforcement action had been taken against the applicants.
		4. Applicant's response:
		Mr McBride, Chairman of Hornchurch FC, speaking on behalf of the applicant, confirmed to members of the Sub-Committee that over 200 events had taken place in the past with only

		Mr McBride advised that the application was being applied for to enable a 30 <sup>th</sup> birthday party to take place and the bar would again be closing at 00.00hrs.
		The club had previously had Temporary Event Notices granted, and all events had passed without incident. Further, none of the previous applications had been challenged.
