PROCEDURE FOR THE HEARING: LICENSING ACT 2003 (TEMPORARY EVENT NOTICE)

This is a hearing to consider an application for a temporary events notice under section 100 of the Licensing Act 2003. The Licensing Act 2003 (Hearings) Regulations 2005 will govern the arrangements for the hearing of the application now under consideration.

Members are advised that, when considering an application, the following options are available to them by virtue of the Licensing Act 2003, Part 3, section 35, paragraphs 3 and 4:

"Where relevant representations are made, the authority must

(a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and

(b) having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives.

The steps are:

- a) modify the conditions of the licence
- b) reject the whole or part of the application

and for this purpose, the conditions of the licence are modified if any of them is altered or omitted or any new condition is added."

The Sub-Committee will also wish to note that, if none of these steps is required, the application must be granted.

Assuming that the Sub-Committee is satisfied that a hearing is required, then the following procedural steps are recommended. The Licensing Act 2003 (Hearings) Regulations 2005 will govern the arrangements for the hearing of the application

now under consideration. This report accords with the requirements of that Act and the Regulations, and in particular Regulations 21-25 (procedure at the hearing).

1. Membership of the Sub-Committee:

- 1.1 The Sub-Committee comprises three members of the Licensing Committee, with a quorum of two members. **Unless there are objections, in the absence of three members, the hearing shall proceed with the quorum of two.**

- 3.2 During this preliminary meeting no decision will have been made or discussion held regarding the substantive merits of the application or representations.

4. Location and facilities:

- 4.1 All hearings will be heard at the Havering Town Hall unless otherwise directed.

6. Procedural matters:

- 6.1 Prior to the commencement of the hearing, the Chairman of the Sub-Committee will orally inform the parties whether their applications to have certain people attend the hearing (e.g. witnesses) have been granted or refused. Note this relates to people other than those attending on behalf of a party in the capacity as a representative of the party.
- 6.2 Prior to the commencement of the hearing the Chairman of the Sub-Committee will outline the procedure to be followed at the hearing. This will normally be as follows:

Introduction of the application:

The Licensing officer will outline:

- details of the application and relevant representations received from the parties;
- relevant legislation ;
- relevant Licensing Policy; and
- the time limit in which the Council must reach a determination.

Documentary evidence:

- Documentary or other information in support of applications, representations or notices should be provided to the Clerk of the Sub-Committee at least 7 clear working days before the hearing. If this information is produced at the hearing it will only be taken into account by the Sub-Committee if the Sub-Committee and all the parties consent to its submission. Permission to have this information included in the hearing should be requested at the beginning of the hearing before any oral submissions have been made.
- Statements made by people in support of a party's representation who are not present at the hearing, must be signed by the maker, dated and witnessed by another person. The statement must also contain the witness's full name and occupation.

Representations:

- The chairman will invite each of the parties at the hearing or their representative sequentially to address the Sub-Committee and call any

person/s to whom permission has been granted to appear. Each party will be allowed a maximum period of 10 minutes in which to address the Sub-Committee and call persons on his/her behalf.

- This 10 minute period is where each party has the opportunity to orally address the Sub-Committee and clarify any points in which the Sub-Committee has sought clarification prior to the hearing. This 10 minute period should be uninterrupted unless a member of the Sub-Committee or Legal Advisor considers that the speaker is making submissions that are irrelevant, frivolous or vexatious.
- Members of the Sub-Committee may ask questions of any party, at any time during the proceedings. Time taken in dealing with a Member's question will not be taken into account in determining the length of time available to the party in question to make their representation.

The sequence in which each of the parties will be invited to address the Sub-Committee will normally be in the order of:

- the Chief Officer of Police;
- the Fire Authority;
- the Health and Safety at Work Enforcing Authority;
- the Local Planning Authority;
- the Local environmental Health Authority;
- the Local Weights and Measures Authority;
- the Authority Responsible for the Protection of Children from Harm;

- any other party that has submitted representations in respect of the application, certificate, notice or other matter appearing before the Sub-Committee;
- the party that has submitted the application, certificate, notice or other matter appearing before the Sub-Committee.

At the discretion of the Sub-Committee the above order may be varied.

Cross-Examination:

Where witnesses have been permitted by the Sub-Committee to speak at the hearing on behalf of a party, permission must be sought from the Sub-Committee before another party can ask the witness questions. This process of questioning is normally referred to as cross-examination. The Sub-Committee will allow cross-examination only where it is necessary to assist it in considering the representations or application.

Relevance:

Information submitted at the hearing must be relevant to the applications, representations, or notice and the promotion of the licensing objectives. The Chairman of the Sub-Committee is entitled to exclude any information it considers to be irrelevant whether presented in written or oral form. The licensing objectives are:

The prevention of crime and disorder;
Public safety;
The prevention of public nuisance; and
The protection of children from harm.

7. Failure of parties to attend the hearing:

7.1 If a party, who has not given prior notice of his/her intention not to attend the hearing, is absent from the hearing the Sub-Committee may either adjourn the hearing or hold the hearing in the party's absence. Where the hearing is held in the absence of a party, the Sub-Committee will still consider the application, representation or notice submitted by that party.

8. Adjournments and extension of time:

8.1 The Sub-Committee may adjourn a hearing to a specified date or extend a notice period except where it must make a determination within certain time limits in the following specific applications:

- 9.2 The Sub-Committee will normally make its determination and announce its decision at the end of the hearing.
- 9.3 Where all parties have notified the Sub-Committee that a hearing is not required the Sub-Committee must make its determination within 10 working days of being given notice that the hearing is not required.

Comments and observations on the application

An additional late TEN was submitted by Mr Rahman which sought to take place on 16th & 17th March 2013. Given the provisions of s.104A of the Act a counter notice was issued by the Licensing Authority subsequent to an objection notice being received from Havering's Noise Specialist, Mr Marc Gasson.

The premises licence for Akash Tandoori permits licensable activity to be provided via non-standard timing extensions on certain prominent days throughout the year. These are:

- Sundays preceding bank holiday Mondays
- Christmas Eve
- Boxing Day
- New Year's Eve

With the exception of New Year's Eve the latest terminal hour until which these activities may be provided under the authority of the premises licence is 01:00. These TENs seek to extend this non-standard terminal hour of 01:00 by a further hour.

The New Year's Eve extension is based upon the provisions of the previous Licensing Act 1964 wherein the alcohol supply hours were deregulated on this night each year. The applicant recently successfully applied to permit his regulated entertainment provisions to be extended in line with the alcohol extension on this night.

TEN 2 seeks to occur over the Easter weekend. Consequently Monday 1st April is a bank holiday. The premises licence might therefore normally have permitted the provision of licensable activity to occur on the premises until 00:30 via non-standard timing on the Sunday preceding this bank holiday Monday.

The terminal hours detailed in the premises licence were imposed by the Licensing Sub-Committee subsequent to an application to vary the premises licence. These hours have been in force since 7th February 2013.

Havering's Licensing Policy 12 states:

The LLA is committed to protecting the amenity of residents and businesses in the vicinity of licensed premises. Applications for hours set out below in this policy will generally be granted subject to not being contrary to other policies in the statement of licensing policy. Applications for hours outside the hours listed will be considered on their merits.

Regulated activities will normally be permitted:

- *until 11.30 pm in residential areas*
- *until 00.30 am in mixed use areas*
- *no limits in leisure areas*

Summary

There was one objection notice against each of these TENs from a responsible authority, namely Havering's Noise Specialist Mr Marc Gasson.

Details of objection notice

Valid representations must address at least one of the following licensing objectives:

- the prevention of crime and disorder
- the prevention of public nuisance
- the protection of children from harm
- public safety

Responsible authorities' representations

A TEN may be opposed by certain responsible authorities only. The Police and/or the appropriate Environmental Health Service may oppose a TEN; residents or surrounding businesses may not oppose a TEN.

Mr Gasson submitted an objection notice on behalf of Havering's Environmental Health Service based upon his concerns in relation to the prevention of public nuisance licensing objective.

Mr Gasson's objection notice identifies his concerns in relation to the potential for noise disturbance to nearby residents. Mr Gasson's objection notice also draws attention to Havering's Licensing Policy 12 with regard to the hours during which regulated activities would normally be permitted at licensed premises in the borough.

I refer to the above applications for Temporary Event Notices and would object, in terms of public nuisance, to them being granted for the following reasons:-

1. The close proximity of residential properties to the premises in question will mean that should the T.E.N.s be granted, it would increase the potential of noise disturbance being experienced by nearby residents later at night and into the early hours of the morning both from noise emanating from regulated entertainment within the premises and also as patrons enter/leave the premises.
2. Any extension beyond the current hours for regulated entertainment will conflict with the Council's Licensing Policy 12 (see below) for mixed commercial/residential use areas.

Licensing Policy 012 Hours

The LLA is committed to protecting the amenity of residents and businesses in the vicinity of licensed premises. Applications for hours set out below in this policy will generally be granted subject to not being contrary to other policies in the statement of licensing policy. Applications for hours outside the hours listed will be considered on their merits.

Regulated activities will normally be permitted:

- until 11.30 pm in residential areas
- until 00.30 am in mixed use areas
- no limits in leisure areas

I trust this clarifies my position
