PROCEDURE FOR THE HEARING: LICENSING ACT 2003 (TEMPORARY EVENT NOTICE)

This is a hearing to consider an application for a temporary events notice under section 100 of the Licensing Act 2003. The Licensing Act 2003 (Hearings) Regulations 2005 will govern the arrangements for the hearing of the application now under consideration.

Members are advised that, when considering an application, the following options are available to them by virtue of the Licensing Act 2003, Part 3, section 35, paragraphs 3 and 4:

"Where relevant representations are made, the authority must

- (a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and
- (b) having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives.

The steps are:

- a) modify the conditions of the licence
- b) reject the whole or part of the application

and for this purpose, the conditions of the licence are modified if any of them is altered or omitted or any new condition is added."

The Sub-Committee will also wish to note that, if none of these steps is required, the application must be granted.

Assuming that the Sub-Committee is satisfied that a hearing is required, then the following procedural steps are recommended. The Licensing Act 2003 (Hearings) Regulations 2005 will govern the arrangements for the hearing of the application

now under consideration. This report accords with the requirements of that Act and the Regulations, and in particular Regulations 21-25 (procedure at the hearing).

1. Membership of the Sub-Committee:

- 1.1 The Sub-Committee comprises three members of the Licensing Committee, with a quorum of two members. **Unless there are objections, in the absence of three members, the hearing shall proceed with the quorum of two.**

 - 1.2.3 is a Ward Councillor for a Ward which is likely to be affected by the application or;
 - 1.2.4 has a personal interest in the application.

2. Roles of other participants:

3. Representation validation meeting:

- 3.1 Prior to this hearing, the Sub-Committee Chairman will have met the Legal Advisor and/or Clerk to determine whether further clarification is required of any issues contained in the application or any representation.
- 3.2 During this preliminary meeting no decision will have been made or discussion held regarding the substantive merits of the application or representations.

4. Location and facilities:

- 4.1 All hearings will be heard at the Havering Town Hall unless otherwise directed.

6. Procedural matters:

- 6.1 Prior to the commencement of the hearing, the Chairman of the Sub-Committee will orally inform the parties whether their applications to have certain people attend the hearing (e.g. witnesses) have been granted or refused. Note this relates to people other than those attending on behalf of a party in the capacity as a representative of the party.
- 6.2 Prior to the commencement of the hearing the Chairman of the Sub-Committee will outline the procedure to be followed at the hearing. This will normally be as follows:

Introduction of the application:

The Licensing officer will outline:

- details of the application and relevant representations received from the parties;
- relevant legislation ;
- relevant Licensing Policy; and
- the time limit in which the Council must reach a determination.

Documentary evidence:

- Documentary or other information in support of applications, representations or notices should be provided to the Clerk of the Sub-Committee at least 7 clear working days before the hearing. If this information is produced at the hearing it will only be taken into account by the Sub-Committee if the Sub-Committee and all the parties consent to its submission. Permission to have this information included in the hearing should be requested at the beginning of the hearing before any oral submissions have been made.
- Statements made by people in support of a party's representation who are not present at the hearing, must be signed by the maker, dated and witnessed by another person. The statement must also contain the witness's full name and occupation.

Representations:

- The chairman will invite each of the parties at the hearing or their representative sequentially to address the Sub-Committee and call any

person/s to whom permission has been granted to appear. Each party will be allowed a maximum period of 10 minutes in which to address the Sub-Committee and call persons on his/her behalf.

- This 10 minute period is where each party has the opportunity to orally address the Sub-Committee and clarify any points in which the Sub-Committee has sought clarification prior to the hearing. This 10 minute period should be uninterrupted unless a member of the Sub-Committee or Legal Advisor considers that the speaker is making submissions that are irrelevant, frivolous or vexatious.
- Members of the Sub-Committee may ask questions of any party, at any time during the proceedings. Time taken in dealing with a Member's question will not be taken into account in determining the length of time available to the party in question to make their representation.

The sequence in which each of the parties will be invited to address the Sub-Committee will normally be in the order of:

- the Chief Officer of Police;
- the Fire Authority;
- the Health and Safety at Work Enforcing Authority;
- the Local Planning Authority;
- the Local environmental Health Authority;
- the Local Weights and Measures Authority;
- the Authority Responsible for the Protection of Children from Harm;

- any other party that has submitted representations in respect of the application, certificate, notice or other matter appearing before the Sub-Committee;
- the party that has submitted the application, certificate, notice or other matter appearing before the Sub-Committee.

At the discretion of the Sub-Committee the above order may be varied.

Cross-Examination:

Where witnesses have been permitted by the Sub-Committee to speak at the hearing on behalf of a party, permission must be sought from the Sub-Committee before another party can ask the witness questions. This process of questioning is normally referred to as cross-examination. The Sub-Committee will allow cross-examination only where it is necessary to assist it in considering the representations or application.

Relevance:

Information submitted at the hearing must be relevant to the applications, representations, or notice and the promotion of the licensing objectives. The Chairman of the Sub-Committee is entitled to exclude any information it considers to be irrelevant whether presented in written or oral form. The licensing objectives are:

The prevention of crime and disorder;
Public safety;
The prevention of public nuisance; and
The protection of children from harm.

7. Failure of parties to attend the hearing:

7.1 If a party, who has not given prior notice of his/her intention not to attend the hearing, is absent from the hearing the Sub-Committee may either adjourn the hearing or hold the hearing in the party's absence. Where the hearing is held in the absence of a party, the Sub-Committee will still consider the application, representation or notice submitted by that party.

8. Adjournments and extension of time:

8.1 The Sub-Committee may adjourn a hearing to a specified date or extend a notice period except where it must make a determination within certain time limits in the following specific applications:

9. Sub-Committee's determination of the hearing:

- 9.1 At the conclusion of the hearing the Sub-Committee will deliberate in private accompanied by the Clerk and the Legal Advisor who will be available to assist the Sub-Committee with any legal problems but will not participate in any decision making of the Sub-Committee.
- 9.2 The Sub-Committee will normally make its determination and announce its decision at the end of the hearing.
- 9.3 Where all parties have notified the Sub-Committee that a hearing is not required the Sub-Committee must make its determination within 10 working days of being given notice that the hearing is not required.

10. Power to exclude people from hearing:

- 10.1 The public are entitled to attend the hearing as spectators. However, the Sub-Committee may exclude any person from the hearing including any person assisting or representing a party where:

In the case where a party is to be excluded, the party may submit to the Sub-Committee in writing any information which they would have been entitled to give orally had they not been required to leave the hearing.

Licensing Officer's Report

LICENSING SUB-COMMITTEE

REPORT

1 June 2015

Subject heading:

Mirror Restaurant
3-7 Billet lane Hornchurch RM11 1TS
Temporary event notice (TEN)
Paul Jones, Licensing Officer
5th floor Mercury House
01708 432692

Report author and contact details:

This TEN was submitted by Mr Mehmet Ergun Keles under section 100 of the Licensing Act 2003. The TEN was received by Havering's Licensing Authority on 14th May 2015.

Geographical description of the area and description of the building

Mirror Restaurant is located in a parade of commercial outlets at the junction of Billet Lane and High Street in Hornchurch which comprises a part of the St Andrews ward. St Andrews ward is subject to a special licensing policy. The premises has yet to open and is currently being fitted out for the purpose of being a licensed premises. A premises licence application is currently ongoing. The site occupies three commercial units knocked into one large venue. A large decked area has been constructed at the front of the premises while the premises' frontage comprises gate fold doors which presumably will be fully open during the warm weather. The commercial properties in this parade of shops have residential properties located above them.

A map of the area is attached.

Details of the TEN

This TEN was originally submitted on the behalf of Mr Keles via his agent with an intention to permit the provision of licensable activity from 2nd – 8th June 2015. This original submission was made void, however, as it was contrary to s.101(1)(a) of the Act which requires a minimum of 24 hours between TENs. A previously submitted TEN, or *TEN 'A'*, was to end on 1st June 2015. This second TEN, or *TEN 'B'*, was subsequently amended to reflect the current dates, i.e. 3rd – 9th June 2015.

TEN A was a late TEN and, apart from the dates, was identical in content to the standard TEN, *TEN B*. Both the Police and Havering's Noise Team submitted objection notices against *TEN A*. As a result, a counter notice was issued by Havering's licensing authority. *TEN A* is therefore not authorised and may not occur.

Further to the submission of this TEN, *TEN B*, discussions between Mr Keles' agent and the Police resulted in the receipt of a further amendment to the TEN in accordance with s.106 of the Act. This modification reduced the TEN's terminal hours from 01:00 to 00:30 and reduced the maximum capacity from 250 attendees to 180. These modifications addressed Police concerns. Havering's Noise Specialist apparently was not involved in the discussion between Mr Keles' agent and the Police. Havering's Noise Specialist had concerns at the TEN and submitted an objection notice.

Objection notice(s)

Mr Marc Gasson submitted an objection notice against this TEN on the behalf of Havering's environmental health department. Mr Gasson's concerns are in relation to the prevention of public nuisance licensing objective.

Observations

The role of the licensing sub-committee with regard to this TEN will be governed by the Act and, in particular, s.106A. This section clarifies at s.106A(2)(b) that *the relevant licensing authority may impose one or more conditions on the standard temporary event notice if the conditions are also imposed on a premises licence that has effect in respect of the same premises as the temporary event notice.*

This premises has yet to be licensed so there is currently no premises licence in force at the site. Therefore the sub-committee's role might appear to be either to authorise or to refuse to authorise the TEN as currently submitted, i.e. to permit the provision of live music, recorded music, late night refreshment and the supply of alcohol for consumption on the premises, as follows:

- From 3rd to 9th June 2015 inclusive
- From 09:00 to 00:30
- A limitation of 180 attendees (including staff)

The sub-committee's role in this matter is further clarified in the Guidance to the Act at paragraph 7.37.

Dear Mr Gasson

I would like to confirm following amendment on previous email about TEN on 03-09/06/2015,

With regard to these amendments there are currently three versions. Version one was accepted by the Police. Based upon the version one offer the Police did not oppose the TEN, having previously opposed a late TEN submitted for hours identical to the original hours sought by this TEN.

At this stage I am unable to confirm which version will be the presiding version during the actual event. The premises user would need to provide clarity on this.

With regard to the apparent voluntary restrictions placed upon the provision of licensable activity by the premises user in version 3, these will not be enforceable as the licensing sub-committee is unable to impose conditions on this TEN. There is currently no premises licence in force at the site and thus the provisions of s.106A (2) (b), referred to in my report, do not permit the imposition of conditions by the sub-committee on a TEN. While the premises user may comply with his own voluntary conditions, there would be little which could be done should the premises fail to do so.

Licensing Act 2003-Application For A Temporary Event Notice 03-09/06/2015 Mirror Restaurant, 3-7 Billet Lane, Hornchurch, Essex.

I refer to the above application detailed above and advise that I object to the application based upon my concerns in relation to the prevention of public nuisance.

I would raise concerns for the following reasons:-

1. The close proximity of residential properties to the application site. The closest homes are immediately adjacent to the application site those being above the commercial properties in Billet Lane. Residents are likely to experience unacceptable levels of noise from the following sources:-
 - Amplified music and from the venue, particularly if the appropriate noise control measures (ie noise limiter and lobbied exits) are not put in place.
 - Vehicle movements, the application site has no parking spaces which considering the proposed capacity for the venue will mean vehicles will be using the street to park in, potentially directly outside nearby residential properties exposing residents to unacceptable levels of noise particularly after the venue has closed at 01:00hours
 - People noise from both inside and outside the premises but particularly after the premises closes when patrons could be under the influence of alcohol.
 - People noise from patrons using the outdoor seating area
2. The application site is within a mixed use residential/commercial area and therefore the terminal hours for regulated activities for all days falls outside the recommended times stated within Havering's licensing policy 012.

Regulated activities will normally be permitted:

- *until 11.30 pm in residential areas*
- *until 00.30 am in mixed use areas*
- *no limits in leisure areas*

I trust this clarifies my position
