Agenda Item No	Topic	Decision
		<ul style="list-style-type: none"> • The prevention of crime and disorder, • Public Safety, • Prevention of public nuisance, and • The Protection of Children from Harm. <p>The Metropolitan Police had concerns that the applicant had sought the removal of the conditions from Annex 3 of the current licence, which the Police Authority considered to be proportionate..</p> <p><u>The Prevention of Crime and Disorder</u></p> <p>- Collier Row currently had no premises which served off-sales past 11.00pm.</p> <p>The Office for National Statistics detailed that violent incidents which involved alcohol increased from 23% between 1200 - 1800 to 54% between 1800 – 2200 up to an average of 83.5% between 2200 – 0600.</p> <p>Creating a single outlet for the off-sale of alcohol after 11pm in the Collier Row area would inevitably create a focal point, this would be most concerning at the weekends especially after the various public houses in the area close.</p> <p>PC Daly, on behalf of the metropolitan Police had advised that the amended conditions offered by the applicant had dealt with the other concerns regarding the Prevention of Crime and Disorder and Public Safety.</p> <p><u>Prevention of Public Nuisance</u></p>

		<p>- The premises were situated adjacent to a public park. There had been concerns raised by local residents, parks police and the local safer neighbourhood police team that the park was regularly subject to anti-social behaviour. This had commonly involved broken glass bottles in an infant’s playground along with general waste.</p> <p><u>The Protection of Children From Harm</u></p> <p>- There had been issues in the vicinity with proxy sales of alcohol to local youths and youths congregating in the park behind the garage. 24hr sales of alcohol would only exacerbate this problem.</p> <p>The Licensing Authority had submitted a representation as the application was in opposition to a number of Havering’s licensing policies and as such had the potential to negatively impact upon the promotion of the licensing objectives, in particular the prevention of crime & disorder, prevention of public nuisance and protection of children from harm.</p> <p>The application has been submitted to vary the premises licence to extend the hours that alcohol may be sold to 24 hours a day. The current licence permitted the sale of alcohol from 0600 to 0000 each day. The premises were currently open 24 hours a day.</p> <p>When assessing the application in line with Havering’s Statement of Licensing Policy it appeared to contradict some of the policies. Therefore the Licensing Authority has been unable to support the application.</p>

Havering Council – Decisions taken by the Licensing Sub-Committee on Friday, 15 April 2016

Agenda Item No	Topic	Decision
		<p>In considering applications for new licences, variations to existing licences and licence reviews the Licensing Authority would take the matters listed below into account:</p> <ul style="list-style-type: none"> • the location of the premises and the character of the area; <p>The application was obviously “generic” as it matched virtually word for word an application made by the same applicant at another venue in the borough. Therefore, in order that the applicant was aware of the “<i>location of the premises and the character of the area</i>” they were informed of a problem in Collier Row of apparent underage drinking and anti-social behaviour in Collier Row generally revolving around the recreation ground next to the site.</p> <p>Havering’s Licensing Authority and Trading Standards Service have investigated this issue and been unable to identify which premises, if any, were supplying alcohol to the underage youths involved. The premises were not in any way being accused of underage sales, but had been asked to address the issue.</p> <p>As a result of contact by the Licensing Authority the applicant had submitted a set of further conditions to be added to the operating schedule</p> <p>This did not resolve the issue and the applicant had been asked to consider their response in line with Licensing Policy 19 which might have gone some way to resolve the issue over Licensing Policy 1.</p> <p>The times sought in the application conflicted with Licensing Policy 5 and Policy 7. The hours at the premises were already outside those referred to in Policy 5. The area would be considered to be “mixed use” as its immediate neighbours were residential,</p>

		<p>but there were commercial units within 50 metres. The application would clearly exceed the hours detailed in Policy 7.</p> <p>Attempts had been made to resolve the one outstanding issue the requirement for the applicant to have a ‘safeguarding children protection policy’ in place. The applicants had refused to accept a condition to restrict the hours children were allowed to access the premises unaccompanied by a responsible adult.</p> <p>4. Applicant’s response.</p> <p>Mr Botkai, acting on behalf of the applicants responded to the representations. He had pointed out that this was an application to vary the licence, not a review, therefore, care needed to be taken when imposing conditions.</p> <p>The premises were currently licensed to sell alcohol between 0600 hours and 2300 hours and open 24 hours per day. Following negotiations with the Licensing Authority a set of conditions had been agreed, with the exception of one which would restrict children from entering the premises, unaccompanied after 8.00pm.</p> <p>To comply with this condition his clients would need to employ someone to monitor people entering the premises and check ID’s. A condition needed to be proportionate and capable of being complied with; this suggested condition did not meet either of those criteria.</p> <p>The service station could be a place of safety for a child in danger and this condition would jeopardise that possibility.</p>

		<p>MHR had a comprehensive training manual which covered all the scenarios suggested by the licensing officer; a separate policy was not necessary. The premises already have automated doors, CCTV and challenge 25. Lots of things were done to protect children.</p> <p>Mr Botkai had stated that his clients accepted there was a problem with drinking in the adjacent park but this was not a result of alcohol sold from the service station. In his view the problem occurred between the hours of 6.00pm to 9.00pm not after midnight. The doors to the premises would be closed after midnight and patrons would need to use the pay window. He had also indicated that if there were any problems his clients would contact the local police to deal with them as quickly as possible.</p> <p>Mr Botkai also indicated that his clients would be willing to accept a condition limiting the extended hours for a period ending on 15 January 2017. Additionally they would be prepared to accept a condition limiting the amount of shelf space available for the display of alcohol to no more than 15%.</p> <p>The Licensing Officer had talked about the possibility of bottle marking to help the authority identify where alcohol was being sold from. In his clients experience this had not proved helpful and was just an added burden on his clients. To be effective every local business selling alcohol had to comply with a requirement to mark bottles.</p> <p>Both the Metropolitan Police and Licensing Authority had indicated that they believed the conditions now offered would help if the Sub-Committee were minded to grant the variation. The Licensing Officer also indicated that having heard the responses given</p>

Determination of Application</p> <p>Consequent upon the hearing held on 15 April 2016, the Sub-Committee’s decision regarding the application for a variation of the premises licence for MHR Collier Row was as set out below, for the reasons stated:</p> <p>The Sub-Committee was obliged to determine the application with a view to promoting the licensing objectives.</p> <p>In making its decision, the Sub-Committee also had regard to the Guidance issued under Section 182 of the Licensing Act 2003 and Havering’s Licensing Policy.</p> <p>In addition the Sub-Committee took account of its obligations under section 117 of the Crime and Disorder Act 1998, and Articles 1 and 8 of the First Protocol of the Human Rights Act 1998.</p> <p align="center">6. Decision</p> <p>Having listened carefully to all the representations and taking account of the four licensing objectives, we were prepared to grant the variation for alcohol sales to be licensed for 24 hours each day.
