LICENSING SUB-COMMITTEE

REPORT

Subject Heading:

**Procedure for the Hearing:
Licensing Act 2003**

Report Author and contact details:

**Richard Cursons – Committee Officer
01708 432441**

Members are advised that, when considering an application to vary a premises licence, the following options are available to them by virtue of the Licensing Act 2003, Part 3, section 35, paragraphs 3 and 4:

"Where relevant representations are made, the authority must

- (a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and
- (b) having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives.

The steps are:

- a) modify the conditions of the licence
- b) reject the whole or part of the application

and for this purpose, the conditions of the licence are modified if any of them is altered or omitted or any new condition is added."

The Sub-Committee will also wish to note that, if none of these steps is required, the application must be granted.

Assuming that the Sub-Committee is satisfied that a hearing is required, then the following procedural steps are recommended. The Licensing Act 2003 (Hearings) Regulations 2005 will govern the arrangements for the hearing of the application now under consideration. This report accords with the requirements of that Act and the Regulations, and in particular Regulations 21-25 (procedure at the hearing).

1. Membership of the Sub-Committee:

- 1.1 The Sub-Committee comprises three members of the Licensing Committee, with a quorum of two members. **Unless there are objections, in the absence of three members, the hearing shall proceed with the quorum of two.**
- 1.2 A members of the Licensing Committee will be excluded from hearing an application where he or she:
 - 1.2.1 has considered an application in respect of the premises in the previous 12 months as a Member of the Regulatory Services Committee; or
 - 1.2.2 is a Ward Councillor for the Ward in which the premises, subject to the application, are located; or
 - 1.2.3 is a Ward Councillor for a Ward which is likely to be affected by the application or;
 - 1.2.4 has a personal interest in the application.

2. Roles of other participants:

- 2.1 The Legal Advisor is not a party to the hearing. The role of the Legal Advisor is to provide legal advice relating to the application and submissions.
- 2.2 The Clerk is not a party to the hearing. The role of the Clerk is to record the hearing and the decisions of the Sub-Committee, and ensure efficient administration

3. Chairman's Briefing meeting:

- 3.1 Prior to this hearing, the Sub-Committee Chairman will have met the Legal Advisor and/or Clerk to determine whether further clarification is required of any issues contained in the application or any representation.
- 3.2 During this preliminary meeting no decision will have been made or discussion held regarding the substantive merits of the application or representations.

4. Location and facilities:

- 4.1 All hearings will be heard at the Havering Town Hall unless otherwise directed.
- 4.2 Interpreters will be provided by the Council on request, provided notice is given at least five working days before the hearing.

5. Notification of attendance:

- 5.1 The Chairman will enquire of the parties who is in attendance and the parties will indicate their names (and, where relevant, whom they represent). A register will be circulated before the commencement of the hearing on which the applicant, his/her advisers and companions and all interested parties (and/or their representatives) will be asked to record their attendance.

6. Procedural matters:

- 6.1 Prior to the commencement of the hearing, the Chairman of the Sub-Committee will orally inform the parties whether their applications to have certain people attend the hearing (e.g. witnesses) have been granted or refused. Note this relates to people other than those attending on behalf of a party in the capacity as a representative of the party.
- 6.2 Prior to the commencement of the hearing the Chairman of the Sub-Committee will outline the procedure to be followed at the hearing. This will normally be as follows:

Introduction of the application:

The Licensing officer will outline:

- details of the application and relevant representations received from the parties;
- relevant legislation ;
- relevant Licensing Policy; and
- the time limit in which the Council must reach a determination.

Documentary evidence:

- Documentary or other information in support of applications, representations or notices should be provided to the Clerk of the Sub-Committee at least 5 clear working days before the hearing. If this information is produced at the hearing it will only be taken into account by the Sub-Committee if the Sub-Committee and all the parties consent to its submission. Permission to have this information included in the hearing should be requested at the beginning of the hearing before any oral submissions have been made.
- Statements made by people in support of a party's representation who are not present at the hearing, must be signed by the maker, dated and witnessed by another person. The statement must also contain the witness's full name and occupation.

Representations:

- The chairman will invite each of the parties at the hearing or their representative sequentially to address the Sub-Committee and call any person/s to whom permission has been granted to appear. Each party will be allowed a maximum period of 10 minutes in which to address the Sub-Committee and call persons on his/her behalf.
- This 10 minute period is where each party has the opportunity to orally address the Sub-Committee and clarify any points in which the Sub-Committee has sought clarification prior to the hearing. This 10 minute period should be uninterrupted unless a member of the Sub-Committee or Legal Advisor considers that the speaker is making submissions that are irrelevant, frivolous or vexatious.
- Members of the Sub-Committee may ask questions of any party, at any time during the proceedings. Time taken in dealing with a Member's question will not be taken into account in determining the length of time available to the party in question to make their representation.

The sequence in which each of the parties will be invited to address the Sub-Committee will normally be in the order of:

- the Chief Officer of Police;
- the Fire Authority;
- the Health and Safety at Work Enforcing Authority;
- the Local Planning Authority;
- the Local environmental Health Authority;
- the Local Weights and Measures Authority;
- the Authority Responsible for the Protection of Children from Harm;

- any other party that has submitted representations in respect of the application, certificate, notice or other matter appearing before the Sub-Committee;
- the party that has submitted the application, certificate, notice or other matter appearing before the Sub-Committee.

At the discretion of the Sub-Committee the above order may be varied.

Cross-Examination:

Where witnesses have been permitted by the Sub-Committee to speak at the hearing on behalf of a party, permission must be sought from the Sub-Committee before another party can ask the witness questions. This process of questioning is normally referred to as cross-examination. The Sub-Committee will allow cross-examination only

where it is necessary to assist it in considering the representations or application.

Relevance:

Information submitted at the hearing must be relevant to the applications, representations, or notice and the promotion of the licensing objectives. The Chairman of the Sub-Committee is entitled to exclude any information it considers to be irrelevant whether presented in written or oral form. The licensing objectives are:

- The prevention of crime and disorder;**
- Public safety;**
- The prevention of public nuisance; and**
- The protection of children from harm.**

7. Failure of parties to attend the hearing:

- 7.1 If a party, who has not given prior notice of his/her intention not to attend the hearing, is absent from the hearing the Sub-Committee may either adjourn the hearing or hold the hearing in the party's absence. Where the hearing is held in the absence of a party, the Sub-Committee will still consider the application, representation or notice submitted by that party.

8. Adjournments and extension of time:

- 8.1 The Sub-Committee may adjourn a hearing to a specified date or extend a notice period except where it must make a determination within certain time limits in the following specific applications:
- Review of premises licences following closure orders where the Sub-committee must make a determination within 28 days of receiving notice of the closure order.

9. Sub-Committee's determination of the hearing:

- 9.1 At the conclusion of the hearing the Sub-Committee will deliberate in private accompanied by the Clerk and the Legal Advisor who will be available to assist the Sub-Committee with any legal problems but will not participate in any decision making of the Sub-Committee.
- 9.2 The Sub-Committee will normally make its determination and announce its decision at the end of the hearing.

- 9.3 Where all parties have notified the Sub-Committee that a hearing is not required the Sub-Committee must make its determination within 10 working days of being given notice that the hearing is not required.

10. Power to exclude people from hearing:

- 10.1 The public are entitled to attend the hearing as spectators. However, the Sub-Committee may exclude any person from the hearing including any person assisting or representing a party where:
- it considers that the public interest would be best served by excluding the public or the individual person from the hearing; or
 - that person is behaving in a disruptive manner. This may include a party who is seeking to be heard at the hearing. In the case where a party is to be excluded, the party may submit to the Sub-Committee in writing any information which they would have been entitled to give orally had they not been required to leave the hearing.

11. Recording of proceedings:

- 11.1 A written record of the hearing will be produced and kept for 6 years from the date of the determination of the hearing.

12. Power to vary procedure:

- 12.1 The Sub-committee may depart from following any of the procedures set out in this document if it considers the departure to be necessary in order to consider an application, notice or representation.

Licensing Act 2003- Application to Vary Premises license Representation – Monty’s bar, 155 Billet Lane Hornchurch, RM11 1UR

I refer to the application to vary premises license as detailed above and advise that I make representation against the application as follows:

The following representation takes into consideration ‘Prevention of Public Nuisance’ and Havering Council’s statement of licensing policy nos. 1 and 14 in relation to premises in the area of cumulative impact and commitment to protecting the amenity of residents and businesses in the vicinity of the licensed premises respectively .

There are a number of conditions requested to be removed as part of this variation application which is set out in the variation application. A total of five noise complaints have been received by Environmental Health concerning loud amplified music affecting residents living above the licensed premises. Whilst these complaints have not been unsubstantiated to date, removal of certain condition forming part of this review application would potentially increase the likelihood of adverse impact from noise and nuisance on neighbouring residential properties.

Conditions 7 and 32 have been requested to be removed as part of this application. These conditions were considered and the license granted to promote the licensing objective ‘Prevention of Public Nuisance’ The conditions relate to preventing noise and nuisance at neighbouring residential properties in particular, the flats above the venue which, has been subject to previous complaints of structure borne music noise transmission. The applicant has not provided satisfactory explanation as to how they intend to promote the licensing objective, in particular ‘Prevention of Public Nuisance’ with regard to controlling nuisance from amplified music.

Therefore it is our argument that removal of condition 7 and 32 specifically will undermine the requirement for the DPS to observe the Council’s licensing policy as stated earlier and more importantly, preventing public nuisance.

Having said, I would request that the Licensing Sub-Committee consider the other conditions stated in the variation application and leave condition 7 and 32 as part of any conditions imposed under the premises license.

I hope the above clarified our position.

Licensing Act 2003 Responsible Authority representation

This representation is made by a responsible Authority for the London Borough of Havering concerning a licence application for the premises as detailed below.

Premises Name and address:	"Monty's Bar", 155 Billet Lane, Hornchurch RM11 1UR
Your Name:	Samuel Cadman
Organisation name / name of body you represent:	Havering Council's planning department
Your Address:	5 th Floor Mercury House, Mercury Gardens, Romford, RM1 3SL
Email:	sam.cadman@havering.gov.uk
Contact telephone number:	01708 434798
Summary of representation:	To OBJECT to the application to vary the premises licence on the specific licencing objective "The prevention of public nuisance".

Policy Considerations:

The representation takes into account the following licencing policies as set out in the document titled "Statement of Licencing Policy" with effect from 7th January 2016:

Licencing Policy 1

In considering applications for new licences, variations to existing licences and licence reviews the Licensing Authority will take the matters listed below into account:

- whether the premises is located in an area of cumulative impact;
- the type of premises and their cumulative impact on the area and the mix of premises in the area;
- the location of the premises and the character of the area;
- the views of the responsible authorities;
- the views of other persons;
- past compliance history of current management;
- the proposed hours of operation;
- the type and number of customers likely to attend the premises;
- whether the applicant is able to demonstrate commitment to a high standard of management, for example through active participation in the Safe and Sound meetings and pub watch.

Licencing Policy 6

The Licensing Authority considers that, in the interests of clarity and transparency, applicants should normally have in place the relevant planning consent for the intended use and hours of operation, or otherwise have lawful planning status, before making an application for a premises licence. However every application will be considered on its merits on a case by case basis

Licencing Policy 8

When assessing the applicant's or licensee's ability to demonstrate a commitment to high standards of management the Licensing Authority will take into account whether the applicant or licensee:

- Can demonstrate comprehensive knowledge of best practice
- Has sought advice from the responsible authorities
- Has implemented any advice that has been given by the responsible authorities
- Is able to understand verbal and written advice and legal requirements
- Can demonstrate knowledge of the licensing objectives, relevant parts of the Licensing Policy and their responsibilities under the Licensing Act 2003
- Is able to run their business lawfully and in accordance with good business practices

- Is able to demonstrate a track record of compliance with legal requirements.

Where there is a history of non-compliance associated with the premises the Licensing Authority is unlikely to grant a new or variation application unless there is evidence of significant improvement in management standards.

Licensing Policy 14

The Licensing Authority is committed to protecting the amenity of residents and businesses in the vicinity of licenced premises, particularly when late hours have been sought. Where relevant representations are received, the Licensing Authority will impose appropriate restrictions or controls on the licence to support the prevention of undue noise disturbance from licensed premises.

Representation:

An assessment by the planning services was undertaken in 2013 with relation to the use of the property as a drinking establishment, and the impact on the amenity of the local area was considered and subsequently conditioned. It must be noted that the hours granted in the licence exceed those in the granted planning permission. Despite this the application to vary the licence does not address any of the enforceable planning conditions, and as such these cannot be addressed in this representation.

There are several conditions that are going to be varied and removed, so for clarity, I have outlined what is applied for below:

Vary conditions 2 and 28 of Annex 2 of the licence from:

- 2. Two door supervisors shall be on duty at the front entrance of the venue from 20:00 to 15 minutes after closing time Thursdays, Fridays and Saturdays and during non-standard timings.*
- 28. All door supervisors working outside the premises or whilst engaged in the dispersal of patrons at the close of business shall wear 'high visibility clothing'.*

To now read:

- 2. No door supervisors necessary on a Thursday unless there is an event at the premises. No door supervisors necessary on a Friday unless there is an event at the premises, to be reviewed after 6 months. Two door supervisors shall be on duty at the venue from 20:00hrs to 15 minutes after closing time on Saturdays and during any TENS and non-standard timings that occur on Friday nights.*
- 28. All door supervisors whilst engaged in the dispersal of patrons at the close of business shall wear high visibility clothing.*

To remove the following conditions:

- 5. Members of staff shall be fully aware of the licensing objectives and Health and Safety regulations.*
- 7. The premises licence holder shall ensure that noise and vibration do not cause a nuisance to nearby properties.*
- 16. Drinks shall be served in containers made from toughened glass (tempered glassware). Note: weights and measures legislation requires the use of 'stamped glasses' where 'meter-measuring equipment' is not in use.*
- 18. At least one trained first-aider shall be on duty when the public is present.*
- 19. Notices detailing the availability of first aid equipment shall be prominently displayed and shall be protected from damage or deterioration.*
- 24. The positions of all CCTV cameras shall be clearly shown on a set of plans which should form part of the 'system file'. Any alteration to the system should only be carried out after consultation with and written approval of Havering Police and the Licensing Authority.*
- 26. The designated premises supervisor shall hold a National Certificate of Drugs Awareness qualification run by the BII or similar accredited body.*
- 32. Staff shall be given adequate training to enable them to prevent customers causing unnecessary noise when they leave the premises and prominent, clear notices shall be displayed at all points where customers leave the building instructing them to respect the needs of local residents and leave the premises and the area quietly.*
- 33. The specification and orientation of all speakers shall be agreed with the Licensing*

Authority/responsible authority.

The licence was approved and granted given these conditions having regard to the prevention of public nuisance. It was deemed reasonable and expedient to have these conditions, and although I agree that not all of the conditions are relevant, there are some that do prevent a public nuisance and also gives some level of accountability to the Designated Premises Supervisor (DPS) for the prevention of public nuisance. Section 16 of the licence application form outlines how the alterations would meet / promote the licencing objectives. The answers to sections a) for general comments and d) the prevention of public nuisance state that the "new wording will fulfil the requirements of the licencing act objectives". This does not explain how the variations will affect the level of public nuisance at the property.

I note that the variations to conditions 2 and 28 are deemed reasonable in terms of their content, but there are some conditions that are asked to be removed that does cause concerns for the prevention of public nuisance. Conditions 7 and 32 relates to keeping noise and nuisance to the surrounding properties (most notably to the flat above the property) to a minimum and removing this condition would increase the potential for disturbance to the neighbouring properties. Conditions 18 and 19 relate to ensuring that the patrons of the premises are able to get the correct the medical treatment if the need arises. If this is removed, the access to medical treatment would not be as readily available, and may hamper any attempts to get medical treatment if the need arises. There is no explanation as to how public nuisance will be reduced if conditions 7, 18, 19 and 32 are removed, and eliminates a level of accountability by the DPS to uphold the licencing objectives. This therefore undermines licencing policy 1, 8, and 14.

Given the arguments as set out above, the application to vary the licence has not alleviated the planning department's concerns in relation to the prevention of public nuisance. As this is the case, I ask that the licencing committee vary the licence as requested, but to keep conditions 7, 18, 19 and 32. If the committee is not minded to do this, then the planning services would completely object to the licence application.

It must be noted that planning conditions granted through planning application P1451.13 are not being adhered to and consequently a planning enforcement investigation will have to now be undertaken, with enforcement action considered under the planning regime.

Complaint and Inspection History (if applicable):

No visits to the property were undertaken.

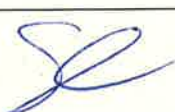

I have attached the planning decision notices in the "other documents" section, but for clarity, the planning history is as such:

Application Number:	P1451.13
Description of proposal:	Retrospective Change of Use to A4 (drinking establishment) from A3 (cafe/restaurant).
Outcome:	Approved with conditions.

The First Secretary of State is not required to entertain an appeal if it appears that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements to the provisions of the development order, and to any directions given under the order. Where the decision of the local planning authority is based upon a direction from the First Secretary; it is not the practise to refuse to accept appeals solely because of this direction.
- (3) If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the First Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, a purchase notice may be served on the London Borough of Havering requiring the council to purchase the land in accordance with the provision of Part VI of the Town and Country Planning Act 1990.
- (4) In certain circumstances, a claim may be made against the local planning authority for compensation where there has been an appeal or where an application has been referred to the First Secretary, and where planning permission is refused or granted subject to conditions. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.
- (5) The statutory requirements are those set out in section 79(6) of the Town and Country Planning Act 1990, namely Sections 70, 71 and 72(1) of the Act.
