Note this relates to people other than those attending on behalf of a party in the capacity as a representative of the party.
- 5.2 Prior to the commencement of the hearing the Chairman of the Sub-Committee will outline the procedure to be followed at the hearing. This will normally be as follows:

### **Introduction of the application:**

Each party will be allowed a maximum period of 10 minutes in which to address the Sub-Committee and call persons on his/her behalf.
- This 10 minute period is where each party has the opportunity to orally address the Sub-Committee and clarify any points on which the Sub-Committee has sought clarification prior to the hearing. This 10 minute period should be uninterrupted unless a member of the Sub-Committee or Legal Advisor considers that the speaker is making submissions that are irrelevant, frivolous or vexatious.

## REPORT

1 December 2016

**Subject heading:**

Kosho  
72-74 South Street Romford RM1 1NL  
Two temporary event notices  
Paul Jones Licensing Officer  
Mercury House  
licensing@havering.gov.uk  
01708 432777

**Report author and contact details:**

**These two temporary event notifications (TENs) are given by Mr Jose Martins under section 100 of the Licensing Act 2003. The TENs were received by Havering's Licensing Authority on 15<sup>th</sup> November 2016.**

### **Geographical description of the area and description of the building**

Kosho is a nightclub located in the centre of Romford at the junction of South Street and Western Road. A premises licence is in force at this venue to which these two TENs seek to extend the permitted hours.

### **Details of the TENs**

The current premises licence permits regulated entertainment and the supply of alcohol to be provided on Saturdays from 10:00 to 02:30 the day following with a premises closure occurring at 03:00. The effect of these two TENs would be to extend these terminal hours by one hour, i.e. regulated entertainment and alcohol supply to cease at 03:30 with the premises closed to the public at 04:00, beginning on the evenings of Saturday 4<sup>th</sup> and 11<sup>th</sup> December 2016.

### **Comments and observations on the TENs**

Mr Martins, the premises user, submitted these TENs appropriately and via a representative on 15<sup>th</sup> November 2016. The TENs were provided to the relevant responsible authorities for consideration the same day. The Police responded within the statutory period submitting an objection notice on 18<sup>th</sup> November 2016.

### **Summary**

At the time of writing this report the premises user had not entered into dialogue with the Police and Mr Martins had not sought to modify the TEN further to Police concerns. Therefore, if the matter proceeds to hearing the licensing sub-committee must act in

accordance with the provisions of s.105 of *the Licensing Act 2003* and either approve the TEN as submitted or decline to approve it and issue a counter notice.

**Police have been served with two temporary event notice from KOSHO 72 – 74  
SOUTH STREET ROMFORD RM11NL**

**Police wish to make observations and representations against certain aspects of  
this application as we fear that the requests made will have a detrimental effect on  
the promotion of at least one of the four licensing objectives, namely**

- 1. The prevention of crime and disorder**
- 2. Public Safety**

### **Summary of application**

**The application as it stands at the moment is for extendable hours over two nights  
Sunday 4th December 2016 from 02:30hrs to 04:00hrs and Sunday 11th December  
from 02:30hrs to 04:00hrs**

### **Location**

**The premise is situated directly inside the boroughs cumulative impact zone and  
anti-social behaviour hot spot**

**The saturation level of licensed premises within this small area (ring road) has  
maximized its potential. With-in the locality, Police resources are being tested on a  
nightly basis to keep up with calls, disturbances, assaults and general night time  
economy incidents relating to vulnerability or aggression by  
intoxication. Additional hours to this pre existing venue will simply add to the  
emergency services demands; this in turn presents a risk to public safety as  
resources get stretched for longer periods across the borough**

The potential for violence and indeed attracting possible vulnerable victims is well documented at nightclubs. The metropolitan Police have been given certain objectives; one is to reduce MOPAC (Mayor's Office for Policing and Crime) related offences such as violence with injury, theft from person and Criminal damage, to name a few. The high proportion of these offences on Havering borough take place with-in Romford Town Centre.

The venue had applied for temporary event notices recently on 4th, 11th and 18th November. Police attempted to object to these applications as this was a Thursday night and resources are at the lowest within the Town, Police asked the venue to think about withdrawing these applications but this was refused. Below are two incidents that have occurred during the night of 11<sup>th</sup> November 2016.

**Cris 5418908/16 – GBH 11/11/2016 02:30**

Officers were called to SOUTH STREET due to Mercury CCTV stating that there was a person on the floor outside with quite a large crowd gathering around. CCTV then stated that they believe male on the floor has been assaulted and the person responsible for the assault is a male wearing a red body warmer who was seen running off in the direction of The Brewery.

On arrival VIW1 was surrounded by security staff from YATES and KOSHO. VIW1 had a bloody nose and his left eye was bruised, swollen and completely shut. VIW1 stated that he does not remember what happened. VIW2 and VIW3 are friends of VIW1 and was out with him tonight. Both VIW2 and VIW3 stated that they went to YATES for a night out and all of them had a lot to drink and as they left YATES all they remember is turning around seeing their friend VIW1 on the floor from where he had been hit.

LAS arrived at and was assessing VIW1's injuries and stated that VIW1 needs to go to Queens Hospital to be assessed further as he may of lost consciousness when he fell to the floor. Police went to hospital to see what injuries VIW1 has sustained. Staff stated that SUS1 had not entered YATES tonight. KOSHO door staff stated that they believe SUS1 and his friends who may also be involved in the incident were in KOSHO shortly before the incident therefore they should have their details due to their ID system scan net which takes a photograph of every member of the public as they enter KOSHO along with details of their identification.

Police after viewing YATES CCTV went and looked through the images on KOSHO's scan net system which showed SUS1 entering KOSHO. Details from SUS1's passport were obtained which he used as ID to get into KOSHO. KOSHO CCTV was viewed and did not show the incident happening but showed SUS1 running off towards the Brewery with another male in a red body warmer who is also a person of interest.

Thursday 11<sup>th</sup> November 2016 – This is an incident that has not been reported to Police the below is the victims oral statement over the phone and it is confirmed by police who watched the CCTV footage of the incident

The male Victim was in KOSHO with three friends and was standing in the dance area. The victim was approached by a male who said that he had stood on his foot and with that the male hit him with his fist in his face knocking him to the floor. The suspect then heads towards the door making his way out with two other males. The victim makes the door staff aware that he has been assaulted and he is then allowed to leave the venue and approach the suspect who has just assaulted him and CCTV shows that the suspect punches the victim again, knocking him to his feet and then administers an abundance of blows to the victims head with his

fists. Door staff then assist approximately 5 seconds later and attempt to split them up, but is seen to struggle to do this for a while then the male suspect steps back. The victim is then brought back into the foyer and is then seen with two female staff members who administer first aid to the victim who is now standing at the entrance. The victim did not wait for Police as they did not arrive straight away due to other commitments and the lack of resourcing on a Thursday night, he attended hospital and was treated there.

Police have since spoken to the victim and are in the process of taking statements through his solicitor and there will be a crime report put on our system. The victim has suffered head injuries and a cut to his ear.

VIW1 approached police after he was assaulted outside KOSHO nightclub in Romford Town Centre. He stated that he had been drinking inside KOSHO with friends, he had an argument with some males about a girl and one of the males went outside. VIW1 tried to reason with the male and talk to him about what had happened and at this point he was hit in the face by another male. VIW1 wobbled on his feet but stayed standing.

VIW1 stated that the male who hit him was a friend of the male who he wanted to reason with. He stated that he could not describe the male who hit him. SUSP1 was seen on CCTV to assault VIW1 then get in to the White Mercedes and make off to the brewery car park. Continuity from assault to arrest is covered by CCTV. Police stopped the car and the suspect was so aggressive that officers had to use a Taser.

The demand on the Police and other emergency services that night was quite high due to the venue being open and selling drinks at very low prices to entice customers in. Police have since been to speak to the managers and they even complained that it took police a while to get to them, even when it had been pointed out that we do have limited resources on for a Thursday night. Police asked how it was possible that a victim can be allowed to leave the venue when the suspects who had just assaulted him were still outside, this could not be explained only that they cannot hold someone against their will. It is normal practice for the venues within Romford to make sure that anyone involved in an incident and are ejected are kept away from each other, this is good practice. Police have also been obstructed by the venue when we have asked for the evidence to support the allegations and to identify potential victims and witnesses arguing that they did not have to give this to Police licensing officers that they were only prepared to give this to the investigating officer, which did cause a delay in obtaining the information.

The managers have since withdrawn the temporary event notice for the 18<sup>th</sup> and the 28<sup>th</sup> November 2016. Having received the notices for 4<sup>th</sup> and the 11<sup>th</sup> December to remain open until 04:00hrs Police will have to object to the extension of these hours due to the recent incidents that have happened within the venue, how this has been dealt with subsequently and that there has been a failure in supporting the licensing objectives stated above.

If I can be of further assistance with regards to this matter please do not hesitate to contact me.

**18<sup>th</sup> November 2016**

**Police have been served with two temporary event notice from KOSHO 72 – 74  
SOUTH STREET ROMFORD RM11NL**

**Police wish to make observations and representations against certain aspects of  
this application as we fear that the requests made will have a detrimental effect on  
the promotion of at least one of the four licensing objectives, namely**

- 1. The prevention of crime and disorder**
- 2. Public Safety**

### **Summary of application**

**The application as it stands at the moment is for extendable hours over two nights  
Sunday 4th December 2016 from 02:30hrs to 04:00hrs and Sunday 11th December  
from 02:30hrs to 04:00hrs**

### **Location**

**The premise is situated directly inside the boroughs cumulative impact zone and  
anti-social behaviour hot spot**

**The saturation level of licensed premises within this small area (ring road) has  
maximized its potential. With-in the locality, Police resources are being tested on a  
nightly basis to keep up with calls, disturbances, assaults and general night time  
economy incidents relating to vulnerability or aggression by  
intoxication. Additional hours to this pre existing venue will simply add to the  
emergency services demands; this in turn presents a risk to public safety as  
resources get stretched for longer periods across the borough**

The potential for violence and indeed attracting possible vulnerable victims is well documented at nightclubs. The metropolitan Police have been given certain objectives; one is to reduce MOPAC (Mayor's Office for Policing and Crime) related offences such as violence with injury, theft from person and Criminal damage, to name a few. The high proportion of these offences on Havering borough take place with-in Romford Town Centre.

The venue had applied for temporary event notices recently on 4th, 11th and 18th November. Police attempted to object to these applications as this was a Thursday night and resources are at the lowest within the Town, Police asked the venue to think about withdrawing these applications but this was refused. Below are two incidents that have occurred during the night of 11<sup>th</sup> November 2016.

Officers were called to SOUTH STREET due to Mercury CCTV stating that there was a person on the floor outside with quite a large crowd gathering around. CCTV then stated that they believe male on the floor has been assaulted and the person responsible for the assault is a male wearing a red body warmer who was seen running off in the direction of The Brewery.

On arrival VIW1 was surrounded by security staff from YATES and KOSHO. VIW1 had a bloody nose and his left eye was bruised, swollen and completely shut. VIW1 stated that he does not remember what happened. VIW2 and VIW3 are friends of VIW1 and was out with him tonight. Both VIW2 and VIW3 stated that they went to YATES for a night out and all of them had a lot to drink and as they left YATES all they remember is turning around seeing their friend VIW1 on the floor from where he had been hit.

LAS arrived at and was assessing VIW1's injuries and stated that VIW1 needs to go to Queens Hospital to be assessed further as he may of lost consciousness when he fell to the floor. Police went to hospital to see what injuries VIW1 has sustained. Staff stated that SUS1 had not entered YATES tonight. KOSHO door staff stated that they believe SUS1 and his friends who may also be involved in the incident were in KOSHO shortly before the incident therefore they should have their details due to their ID system scan net which takes a photograph of every member of the public as they enter KOSHO along with details of their identification.

Police after viewing YATES CCTV went and looked through the images on KOSHO's scan net system which showed SUS1 entering KOSHO. Details from SUS1's passport were obtained which he used as ID to get into KOSHO. KOSHO CCTV was viewed and did not show the incident happening but showed SUS1 running off towards the Brewery with another male in a red body warmer who is also a person of interest.

Thursday 11<sup>th</sup> November 2016 – This is an incident that has not been reported to Police the below is the victims oral statement over the phone and it is confirmed by police who watched the CCTV footage of the incident

The male Victim was in KOSHO with three friends and was standing in the dance area. The victim was approached by a male who said that he had stood on his foot and with that the male hit him with his fist in his face knocking him to the floor. The suspect then heads towards the door making his way out with two other males. The victim makes the door staff aware that he has been assaulted and he is then allowed to leave the venue and approach the suspect who has just assaulted him and CCTV shows that the suspect punches the victim again, knocking him to his feet and then administers an abundance of blows to the victims head with his

fists. Door staff then assist approximately 5 seconds later and attempt to split them up, but is seen to struggle to do this for a while then the male suspect steps back.
