What is the Health and Wellbeing Board?

Havering's Health and Wellbeing Board (HWB) is a Committee of the Council on which both the Council and local NHS and other bodies are represented. The Board works towards ensuring people in Havering have services of the highest quality which promote their health and wellbeing and to narrow inequalities and improve outcomes for local residents. It will achieve this by coordinating the local NHS, social care, children's services and public health to develop greater integrated working to make the best use of resources collectively available.

What does the Health and Wellbeing Board do?

As of April 2013, Havering's HWB is responsible for the following key functions:

- Championing the local vision for health improvement, prevention / early intervention, integration and system reform
- Tackling health inequalities
- Using the Joint Strategic Needs Assessment (JSNA) and other evidence to determine priorities
- Developing a Joint Health and Wellbeing Strategy (JHWS)
- Ensuring patients, service users and the public are engaged in improving health and wellbeing
- Monitoring the impact of its work on the local community by considering annual reports and performance information
