Subject Heading:

Procedure for the Hearing: Licensing Act 2003

Report Author and contact details:

**Taiwo Adeoye (01708) 433079
e-mail: taiwo.adeoye@onesource.co.uk**

Members are advised that, when considering application for a premises licence, the following options are available to them by virtue of the Licensing Act 2003, Part 3, section 35, paragraphs 3 and 4:

"Where relevant representations are made, the authority must

- (a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and
- (b) having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives.

The steps are:

- a) modify the conditions of the licence
- b) reject the whole or part of the application

and for this purpose, the conditions of the licence are modified if any of them is altered or omitted or any new condition is added."

The Sub-Committee will also wish to note that, if none of these steps is required, the application must be granted.

Assuming that the Sub-Committee is satisfied that a hearing is required, then the following procedural steps are recommended. The Licensing Act 2003 (Hearings) Regulations 2005 will govern the arrangements for the hearing of the application now under consideration. This report accords with the requirements of that Act and the Regulations, and in particular Regulations 21-25 (procedure at the hearing).

1. Membership of the Sub-Committee:

1.1 The Sub-Committee comprises three members of the Licensing Committee, with a quorum of two members. **Unless there are objections, in the absence of three members, the hearing shall proceed with the quorum of two.**

1.1.1 A member of the Licensing Committee will be excluded from hearing an application where he or she has considered an application in respect of the premises in the previous 12 months as a Member of the Regulatory Services Committee; or

1.1.2 is a Ward Councillor for the Ward in which the premises, subject to the application, are located; or

1.1.3 is a Ward Councillor for a Ward which is likely to be affected by the application or;

1.1.4 has a personal interest in the application.

2. Roles of other participants:

2.1 The Legal Advisor is not a party to the hearing. The role of the Legal Advisor is to provide legal advice relating to the application and submissions.

2.2 The Clerk is not a party to the hearing. The role of the Clerk is to record the hearing and the decisions of the Sub-Committee, and ensure efficient administration

3. Location and facilities:

3.1 All hearings will be heard at the Havering Town Hall unless otherwise directed.

3.2 Interpreters will be provided by the Council on request, provided notice is given at least five working days before the hearing.

4. Notification of attendance:

4.1 The Chairman will enquire of the parties who is in attendance and the parties will indicate their names (and, where relevant, whom they represent). A register will be circulated before the commencement of the hearing on which the applicant, his/her advisers and companions and all interested parties (and/or their representatives) will be asked to record their attendance.

5. Procedural matters:

5.1 Prior to the commencement of the hearing, the Chairman of the Sub-Committee will orally inform the parties whether their applications to have certain people attend the hearing (e.g. witnesses) have been granted or refused. Note this relates to people other than those attending on behalf of a party in the capacity as a representative of the party.

- 5.2 Prior to the commencement of the hearing the Chairman of the Sub-Committee will outline the procedure to be followed at the hearing. This will normally be as follows:

Introduction of the application:

The Licensing officer will outline:

- details of the application and relevant representations received from the parties;
- relevant legislation ;
- relevant Licensing Policy; and
- the time limit in which the Council must reach a determination.

Documentary evidence:

- Documentary or other information in support of applications, representations or notices should be provided to the Clerk of the Sub-Committee at least 7 clear working days before the hearing. If this information is produced at the hearing it will only be taken into account by the Sub-Committee if the Sub-Committee and all the parties consent to its submission. Permission to have this information included in the hearing should be requested at the beginning of the hearing before any oral submissions have been made.
- Statements made by people in support of a party's representation who are not present at the hearing, must be signed by the maker, dated and witnessed by another person. The statement must also contain the witness's full name and occupation.

Representations:

- The chairman will invite each of the parties at the hearing or their representative sequentially to address the Sub-Committee and call any person/s to whom permission has been granted to appear. Each party will be allowed a maximum period of 10 minutes in which to address the Sub-Committee and call persons on his/her behalf.
- This 10 minute period is where each party has the opportunity to orally address the Sub-Committee and clarify any points in which the Sub-Committee has sought clarification prior to the hearing. This 10 minute period should be uninterrupted unless a member of the Sub-Committee or Legal Advisor considers that the speaker is making submissions that are irrelevant, frivolous or vexatious.
- Members of the Sub-Committee may ask questions of any party, at any time during the proceedings. Time taken in dealing with a Member's question will not be taken into account in determining the length of time available to the party in question to make their representation.

The sequence in which each of the parties will be invited to address the Sub-Committee will normally be in the order of:

- the Chief Officer of Police;
- the Fire Authority;
- the Health and Safety at Work Enforcing Authority;
- the Local Planning Authority;
- the Local environmental Health Authority;
- the Local Weights and Measures Authority;
- the Authority Responsible for the Protection of Children from Harm;
- a navigation or other authority responsible for waterways; and
- any other party that has submitted representations in respect of the application, certificate, notice or other matter appearing before the Sub-Committee;
- the party that has submitted the application, certificate, notice or other matter appearing before the Sub-Committee.

At the discretion of the Sub-Committee the above order may be varied.

Cross-Examination:

Where witnesses have been permitted by the Sub-Committee to speak at the hearing on behalf of a party, permission must be sought from the Sub-Committee before another party can ask the witness questions. This process of questioning is normally referred to as cross-examination. The Sub-Committee will allow cross-examination only where it is necessary to assist it in considering the representations or application.

Relevance:

Information submitted at the hearing must be relevant to the applications, representations, or notice and the promotion of the licensing objectives. The Chairman of the Sub-Committee is entitled to exclude any information it considers to be irrelevant whether presented in written or oral form. The licensing objectives are:

The prevention of crime and disorder;

Public safety;

The prevention of public nuisance; and

The protection of children from harm.

6. Failure of parties to attend the hearing:

- 6.1 If a party, who has not given prior notice of his/her intention not to attend the hearing, is absent from the hearing the Sub-Committee may either adjourn the hearing or hold the hearing in the party's absence. Where the hearing is held in the absence of a party, the Sub-Committee will still consider the application, representation or notice submitted by that party.

7. Adjournments and extension of time:

7.1 The Sub-Committee may adjourn a hearing to a specified date or extend a notice period except where it must make a determination within certain time limits in the following specific applications:

- Review of premises licences following closure orders where the Sub-committee must make a determination within 28 days of receiving notice of the closure order.

8. Sub-Committee's determination of the hearing:

8.1 At the conclusion of the hearing the Sub-Committee will deliberate in private accompanied by the Clerk and the Legal Advisor who will be available to assist the Sub-Committee with any legal problems but will not participate in any decision making of the Sub-Committee.

8.2 The Sub-Committee will normally make its determination and announce its decision at the end of the hearing.

8.3 Where all parties have notified the Sub-Committee that a hearing is not required the Sub-Committee must make its determination within 10 working days of being given notice that the hearing is not required.

9. Power to exclude people from hearing:

9.1 The public are entitled to attend the hearing as spectators. However, the Sub-Committee may exclude any person from the hearing including any person assisting or representing a party where:

- it considers that the public interest would be best served by excluding the public or the individual person from the hearing; or
- that person is behaving in a disruptive manner. This may include a party who is seeking to be heard at the hearing. In the case where a party is to be excluded, the party may submit to the Sub-Committee in writing any information which they would have been entitled to give orally had they not been required to leave the hearing.

110. Recording of proceedings:

10.1 A written record of the hearing will be produced and kept for 6 years from the date of the determination of the hearing.

11. Power to vary procedure:

11..1 The Sub-committee may depart from following any of the procedures set out in this document if it considers the departure to be necessary in order to consider an application, notice or representation.

>> Dear Mr Campbell

>>

>> Thank you for letter in respect to the above premises licence application.

>>

>> I object to this application for the following reasons:

>>

>> There would be an increase in noise levels of inconsiderate customer who will park down the road to collect orders. People already show inconsideration for people's properties down this road by parking over drive ways, blocking the road and dropping their litter. Another restaurant would add to this. This restaurant would back onto my property and would add more noise, and rats (which i have seen several of lately), the smell of the cooking from the property would come onto my property and would prevent me from drying my washing in my garden due to the smell of grease and other cooking materials.

>>

>> I have three grandchildren who visit regularly and I would feel uneasy about letting them into my garden due to the added noise levels, rats and general smells that would be emitted.

>>

>> There are already 5 restaurants in the space of 100 meters is another restaurant needed?

>>

>> I moved to Havering as I thought I would be in a nice environment but so far I have been greatly disappointed.

>>

>> Should you wish to talk to me please call me on xxxxxxxxxx.

>>

>> Yours sincerely

Dear mr Campbell ..
mr n mrs Prater 3 kershaw close ..
I would like to strongly object to drinking license to the restaurant only 15 meters away from our bed room window, conservatory and garden which is at the rear off the restaurant.. we like to use our gardens as much as possible, we don't like Indian food let alone having to smell it seven days a week coming in to our home, and listening to people talking, eating and drinking and playing music also coming into rear garden late into the night. We also have a serious parking problem in this street as well from other businesses from inconsiderate customers/drivers /who block our driveways regularly and we can't get on or off our drive for hours sometimes. This will certainly make things worse now with this new restaurant already underway. Customers would park late into the evening with noise of customers coming and going. We also have a serious rat problem which is getting worse from people leaving their takeaway cartons etc from the other food outlets nearby and throwing rubbish in the street . we have had to pay for pest control out of our own pockets to try and control the escalating rat problem as the council no longer deal with such problems. we have other takeaway restaurants only meters away from the curry shak and this one is certainly not a priority to have yet another restaurant/ takeaway so close to our much loved home. We hope you will take all this into serious consideration.

Yours sincerely

Mr and Mrs Prater

Premises licence Application

118 North Street, Hornchurch, RM11 1SU.

Dear Sir/Madam,

I am writing to oppose the application of change of usage for 118 (the council have kept the local community in the dark regarding this) and application for a drinks licence.

Public Safety

The main road, North Street, passing the 2 small turnoffs to 118 North Street is one of the busiest thoroughfares in the area. Cars, lorries, vans and cyclists use this route travelling to and from, Romford, Gidea Park, Rush Green, Harold Wood, Collier Row and further afield to Hornchurch, Rainham, Upminster and beyond.

The parking in front of 118 alongside the other units for that small arcade is limited to 5/6 cars at a squeeze. Many of the other units will be open and operational during the proposed opening times of 118. The arcade to the left of the Kershaw Close exit as you depart Kershaw Close is occupied by numerous units that also will be open and operational at the same time as 118. Chinese take-away, Indian Take-away and betting shop to name but a few.

Add to this that there is no residential parking in place and the fact that many London bound commuters park their vehicles here before departing for work. Emerson Park station is less than 100 yards away, this station gives direct access to both Liverpool Street and Fenchurch Street Station. The area is at parking saturation point!!

To compound the density of traffic in the area, across the road from 118 is an exit to the Co Op garage. The exit is a left turn exit only. Unfortunately, most drivers ignore it and turn both left and right, raising driver uncertainty whilst manoeuvring this extremely busy junction.

All the above circumstances have contributed to a number of accidents and multiple near misses in this very small area. Kershaw Close's community consists of individuals and families of all ages, I believe this endangers the safety of them in their vehicles when departing and entering Kershaw Close. Kershaw Close will be a single lane bottle neck choking entering and exiting traffic. This to me explains the reason why I have witnessed 3 accidents since the start of February!!

As a pedestrian crossing the road at the end of Kershaw Close it becomes a death trap. For the old and the young an extremely busy, confusing and limited visibility junction makes safe road crossing

impossible. If 118 is successful in its application because of the extra traffic and parking the possibility of injury or fatality is increased!

Prevention of Crime and Disorder

Kershaw close residents have experienced more than their fair share of thefts, burglaries and break-ins over the last year. Bikes, Scooters and cars have been stolen from owners drives and there has been criminal damage to property and gardens. Drug dealing, drug drop offs and drug meetings are rife at the end of Kershaw Close. Why? Because the area is not covered by public road CCTV or residential CCTV.

With the increase in traffic and people to the area if 118 was to succeed in its applications there would be an increase in crime. Some would be opportunist, some planned. It has been proven and confirmed by the police that these crimes do occur in the area and that they do not have the resources to deal with it. Common sense and logic concludes that if there is more activity in a condensed area, vehicles and foot fall, there is a percentage increase in crime! Crime levels, unsolved or solved, in Kershaw Close are at record levels as they stand, I believe approving the applications will deteriorate the situation even further. That is why I am opposing them.

Prevention of Public Nuisance

The end of Kershaw Close joining North Street is a parking lot for the users of the arcades both to the left and the right as you exit Kershaw Close. As a number of these are take- aways, Chinese, Indian and fish and chips outlets the area has become a dumping ground for their client's waste. Fish and chip wrappers, Chinese and Indian take away cartons are frequently strewn across the street and two pavements. This is creating a health hazard. If 118 is successful it will only compound the issue, increase debris and waste food being discarded by customers. The issue of health and safety will become more acute. Rats have been seen in this area during the day!, as they are supposedly nocturnal animals this is confirmation of the abundance of foods readily available in the area. As a foot note, there is no confirmation on the plans of where the owners/users of 118 intend placing their industrial bins?

In the plans for the application of 118 there are plans for a beer garden? I think it rather unusual that a restaurant/take away establishment needs to have a beer garden. The noise from the beer garden, the air conditioning/ extractor fans, (that front on to a residential street, I believe to be illegal and am investigating) and the coming and going of customers starting cars holding conversations and generally hanging about outside of the restaurant and into Kershaw Close will make sleeping in the front two bedrooms of my house and others almost impossible until the establishment closes. Closing time is supposedly 10.30pm, who will police that?. So noise is a massive issue.

My house and garden are subject to the continuous smells emanating from the existing food outlets of the area. To open up another curry take away and restaurant within a 100 yards radius of the existing food outlets, 2 curry houses, Turkish, Chinese and a fish and chip shop seems excessive to say the least. The smell from 118 will only guarantee that a number of young families at the top end of Kershaw Close will be spending summer inside their house as opposed to enjoying what the British summer has to offer. That is poor and I feel the council has a responsibility to ensure a majority are not impacted in any way to benefit a minority!

Public safety, the prevention of crime and disorder plus noise and the smell of 118's new usage added to the real threat to human life and safety are the many reasons that I oppose the applications for change of usage and the drinks licence!!

Havering Council and this application integrity

I am sending a copy of this additional topic to the Head of Havering Council and to my local MP. Let me explain the reason why.

Ever since my wife and I notice the interior refitting work being carried out on 118 the council at no point have willingly contacted us or returned to us confirming what was being carried out on our very doorstep. In December 2017 my wife, on investigation, was informed by the owner of 118 that the premises were being turned into a restaurant to be run by his family. Their plans were to be open and operational before Christmas. My wife immediately contacted the council and spoke with a Teresa, unfortunately no surname was given or taken. Teresa confirmed that the council had received no application for change of use for the unit from the owner of 118. Teresa also confirmed that the 3 extractor fans/air conditioning units that fronted onto the residential street were against council policy. Teresa took my wife's details and she informed my wife the council would be back in touch. The council did not reply.

Work on 118 stopped.

My wife and I mistakenly believed that we would hear shortly from the council regarding the change of usage for unit 118.

Work began the week of the 25th-30th March 2018.

My wife again rang the council. She spoke with a Natalie Price. Natalie confirmed that the application of premises license had been forwarded to the potential impacted neighbours, no's 1 and 3 Kershaw Close plus a small number of outlets in the arcades. The council did not believe that any letter should be sent to no 2 Kershaw or anybody in that street as they, the council had the opinion we would not be impacted. They are wrong and in denial. We face onto the side of the restaurant. My wife was informed by Teresa that there is parking for 11 cars, physically impossible, photograph attached. A lie!! We received a letter from the council the following week, 3rd April. The neighbours at no 4 and no 6 were made aware by my wife re 118 and their intended plans. Copies of the letter received by us, No 2 Kershaw were forwarded to our near neighbours.

The council have been reticent at giving any information to the residents of Kershaw Close regarding the change of usage at 118 and the drinks licence application. From the very first conversation had with my wife they have held back information.

I find it odd beyond belief that the owner of the unit has carried on refitting work regardless of any appeal or blockage of approval. It is akin to me placing a deposit on a new house and whilst waiting to exchange contracts commence building an extension to the back of it. Its illogical and no one in their right mind would do such a thing. Unless of course they have some inside information that their application has been successful or have greased a few palms / oiled a few cogs at the council. Am I questioning the integrity of this application and the council, oh yes, I am!! I and many others feel extremely poorly represented by the very councillors who canvass our support. We have been badly let down.

Finally, to rub salt in the wound, all applications have to be posted on the premises to allow walking public when passing the chance to read and digest. Please see the attached photograph. It has been like that for the last 3 weeks. The owner obviously doesn't believe in democracy or has a total and utter contempt for it. You choose!!

I look forward to our "hearing" on the 27th April.

Yours Faithfully
