Members are advised that, when considering an application to vary a premises licence, the following options are available to them by virtue of the Licensing Act 2003, Part 3, section 35, paragraphs 3 and 4:

"Where relevant representations are made, the authority must

- (a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and
- (b) having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives.

The steps are:

- a) modify the conditions of the licence
- b) reject the whole or part of the application

and for this purpose, the conditions of the licence are modified if any of them is altered or omitted or any new condition is added."

The Sub-Committee will also wish to note that, if none of these steps is required, the application must be granted.

Assuming that the Sub-Committee is satisfied that a hearing is required, then the following procedural steps are recommended. The Licensing Act 2003 (Hearings) Regulations 2005 will govern the arrangements for the hearing of the application now under consideration. This report accords with the requirements of that Act and the Regulations, and in particular Regulations 21-25 (procedure at the hearing).

1. Membership of the Sub-Committee:

- 1.1 The Sub-Committee comprises three members of the Licensing Committee, with a quorum of two members. **Unless there are objections, in the absence of three members, the hearing shall proceed with the quorum of two.**
- 1.2 A members of the Licensing Committee will be excluded from hearing an application where he or she:
 - 1.2.1 has considered an application in respect of the premises in the previous 12 months as a Member of the Regulatory Services Committee; or
 - 1.2.2 is a Ward Councillor for the Ward in which the premises, subject to the application, are located; or
 - 1.2.3 is a Ward Councillor for a Ward which is likely to be affected by the application or;
 - 1.2.4 has a personal interest in the application.

2. Roles of other participants:

- 2.1 The Legal Advisor is not a party to the hearing. The role of the Legal Advisor is to provide legal advice relating to the application and submissions.
- 2.2 The Clerk is not a party to the hearing. The role of the Clerk is to record the hearing and the decisions of the Sub-Committee, and ensure efficient administration

3. Location and facilities:

- 3.1 All hearings will be heard at the Havering Town Hall unless otherwise directed.
- 3.2 Interpreters will be provided by the Council on request, provided notice is given at least five working days before the hearing.

4. Notification of attendance:

- 4.1 The Chairman will enquire of the parties who is in attendance and the parties will indicate their names (and, where relevant, whom they represent). A register will be circulated before the commencement of the hearing on which the applicant, his/her advisers and companions and all interested parties (and/or their representatives) will be asked to record their attendance.

5. Procedural matters:

- 5.1 Prior to the commencement of the hearing, the Chairman of the Sub-Committee will orally inform the parties whether their applications to have certain people attend the hearing (e.g. witnesses) have been granted or refused. Note this relates to people other than those attending on behalf of a party in the capacity as a representative of the party.
- 5.2 Prior to the commencement of the hearing the Chairman of the Sub-Committee will outline the procedure to be followed at the hearing. This will normally be as follows:

Introduction of the application:

The Licensing officer will outline:

- details of the application and relevant representations received from the parties;
- relevant legislation ;
- relevant Licensing Policy; and
- the time limit in which the Council must reach a determination.

Documentary evidence:

- Documentary or other information in support of applications, representations or notices should be provided to the Clerk of the Sub-Committee at least 5 clear working days before the hearing. If this information is produced at the hearing it will only be taken into account by the Sub-Committee if the Sub-Committee and all the parties consent to its submission. Permission to have this information included in the hearing should be requested at the beginning of the hearing before any oral submissions have been made.
- Statements made by people in support of a party's representation who are not present at the hearing, must be signed by the maker, dated and witnessed by another person. The statement must also contain the witness's full name and occupation.

Representations:

- The chairman will invite each of the parties at the hearing or their representative sequentially to address the Sub-Committee and call any person/s to whom permission has been granted to appear. Each party will be allowed a maximum period of 10 minutes in which to address the Sub-Committee and call persons on his/her behalf.
- This 10 minute period is where each party has the opportunity to orally address the Sub-Committee and clarify any points in which

the Sub-Committee has sought clarification prior to the hearing. This 10 minute period should be uninterrupted unless a member of the Sub-Committee or Legal Advisor considers that the speaker is making submissions that are irrelevant, frivolous or vexatious.

- Members of the Sub-Committee may ask questions of any party, at any time during the proceedings. Time taken in dealing with a Member's question will not be taken into account in determining the length of time available to the party in question to make their representation.

The sequence in which each of the parties will be invited to address the Sub-Committee will normally be in the order of:

- the Chief Officer of Police;
- the Fire Authority;
- the Health and Safety at Work Enforcing Authority;
- the Local Planning Authority;
- the Local environmental Health Authority;
- the Local Weights and Measures Authority;
- the Authority Responsible for the Protection of Children from Harm;
- a navigation or other authority responsible for waterways; and
- any other party that has submitted representations in respect of the application, certificate, notice or other matter appearing before the Sub-Committee;
- the party that has submitted the application, certificate, notice or other matter appearing before the Sub-Committee.

At the discretion of the Sub-Committee the above order may be varied.

Cross-Examination:

Where witnesses have been permitted by the Sub-Committee to speak at the hearing on behalf of a party, permission must be sought from the Sub-Committee before another party can ask the witness questions. This process of questioning is normally referred to as cross-examination. The Sub-Committee will allow cross-examination only where it is necessary to assist it in considering the representations or application.

Relevance:

Information submitted at the hearing must be relevant to the applications, representations, or notice and the promotion of the licensing objectives. The Chairman of the Sub-Committee is entitled to exclude any information it considers to be irrelevant whether presented in written or oral form. The licensing objectives are:

The prevention of crime and disorder;
Public safety;
The prevention of public nuisance; and
The protection of children from harm.

6. Failure of parties to attend the hearing:

- 6.1 If a party, who has not given prior notice of his/her intention not to attend the hearing, is absent from the hearing the Sub-Committee may either adjourn the hearing or hold the hearing in the party's absence. Where the hearing is held in the absence of a party, the Sub-Committee will still consider the application, representation or notice submitted by that party.

7. Adjournments and extension of time:

- 7.1 The Sub-Committee may adjourn a hearing to a specified date or extend a notice period except where it must make a determination within certain time limits in the following specific applications:
- Review of premises licences following closure orders where the Sub-committee must make a determination within 28 days of receiving notice of the closure order.

8. Sub-Committee's determination of the hearing:

- 8.1 At the conclusion of the hearing the Sub-Committee will deliberate in private accompanied by the Clerk and the Legal Advisor who will be available to assist the Sub-Committee with any legal problems but will not participate in any decision making of the Sub-Committee.
- 8.2 The Sub-Committee will normally make its determination and announce its decision at the end of the hearing.
- 8.3 Where all parties have notified the Sub-Committee that a hearing is not required the Sub-Committee must make its determination within 10 working days of being given notice that the hearing is not required.

9. Power to exclude people from hearing:

- 9.1 The public are entitled to attend the hearing as spectators. However, the Sub-Committee may exclude any person from the hearing including any person assisting or representing a party where:
- it considers that the public interest would be best served by excluding the public or the individual person from the hearing; or
 - that person is behaving in a disruptive manner. This may include a party who is seeking to be heard at the hearing. In the case where a party is to be excluded, the party may submit to the Sub-Committee in writing any information which they would have been entitled to give orally had they not been required to leave the hearing.

10. Recording of proceedings:

- 10.1 A written record of the hearing will be produced and kept for 6 years from the date of the determination of the hearing.

11. Power to vary procedure:

- 11.1 The Sub-committee may depart from following any of the procedures set out in this document if it considers the departure to be necessary in order to consider an application, notice or representation.

Representation from
Responsible Authority

Licensing Act 2003 Responsible Authority representation

This representation is made by a responsible Authority for the London Borough of Havering concerning a licence application for the premises as detailed below.

Premises Name and address:	MRH COOPERS ARMS, RUSH GREEN ROAD, ROMFORD RM7 0QA
Your Name:	Planning Enforcement Team
Organisation name / name of body you represent:	Havering Council's planning department
Your Address:	5 th Floor Mercury House, Mercury Gardens, Romford, RM1 3SL
Email:	Planning_enforcement@haverling.gov.uk
Summary of representation:	To OBJECT to the application to vary the licence on the specific licencing objective "The prevention of public nuisance".

Policy Considerations:

The representation takes into account the following licencing policies as set out in the document titled "Statement of Licencing Policy" with effect from 7th January 2016:

Licencing Policy 1

In considering applications for new licences, variations to existing licences and licence reviews the Licensing Authority will take the matters listed below into account:

- whether the premises is located in an area of cumulative impact;
- the type of premises and their cumulative impact on the area and the mix of premises in the area;
- the location of the premises and the character of the area;
- the views of the responsible authorities;
- the views of other persons;
- past compliance history of current management;
- the proposed hours of operation;
- the type and number of customers likely to attend the premises;

- whether the applicant is able to demonstrate commitment to a high standard of management, for example through active participation in the Safe and Sound meetings and pub watch.

Licensing Policy 6

The Licensing Authority considers that, in the interests of clarity and transparency, applicants should normally have in place the relevant planning consent for the intended use and hours of operation, or otherwise have lawful planning status, before making an application for a premises licence. However every application will be considered on its merits on a case by case basis

Licensing Policy 8

When assessing the applicant's or licensee's ability to demonstrate a commitment to high standards of management the Licensing Authority will take into account whether the applicant or licensee:

- Can demonstrate comprehensive knowledge of best practice
- Has sought advice from the responsible authorities
- Has implemented any advice that has been given by the responsible authorities
- Is able to understand verbal and written advice and legal requirements
- Can demonstrate knowledge of the licensing objectives, relevant parts of the Licensing Policy and their responsibilities under the Licensing Act 2003
- Is able to run their business lawfully and in accordance with good business practices
- Is able to demonstrate a track record of compliance with legal requirements.

Where there is a history of non-compliance associated with the premises the Licensing Authority is unlikely to grant a new or variation application unless there is evidence of significant improvement in management standards.

Licensing Policy 14

The Licensing Authority is committed to protecting the amenity of residents and businesses in the vicinity of licenced premises, particularly when late hours have been sought. Where relevant representations are received, the Licensing Authority will impose appropriate restrictions or controls on the licence to support the prevention of undue noise disturbance from licensed premises.

Representation:

An assessment by the planning services has been previously undertaken under a planning application with reference L/HAV/1399/82. Upon review of all material considerations in terms of the use of the property, it was seemed necessary and expedient to restrict the use of the property to prevent a public nuisance. The use has subsequently been conditioned so that:

Conditions imposed with approved permission:

Condition 3 states:

The premises shall not be open between the hours of 11.00 pm – 7.00 a.m., Monday to Sunday including Bank and Public holidays without the prior consent in writing of the Local Planning Authority.

The licence application proposes additional opening hours that exceed the restrictions that have been placed on the use by the planning department; and the use proposed does not have lawful planning status and the application therefore does not accord with licencing policy 6.

The proposed extended opening hours stated in the licencing application requires consent from planning department.

Given the argument as set out above, the planning department's concerns on the prevention of public nuisance have not been alleviated though the licence application. As this is the case, we ask that the licencing committee use their powers under licencing policy 1, 8 and 14 to take consideration of the views of the planning department as a responsible authority. You are therefore advised to restrict the hours of operation to what has been approved by the planning department as set out above.

Complaint and Inspection History (if applicable):

No visits to the property were undertaken.
