Subject Heading:

Procedure for the Hearing: Licensing Act 2003

Report Author and contact details:

Taiwo Adeoye (01708) 433079
e-mail: taiwo.adeoye@onesource.co.uk

Note: Issues relating specifically to the operation of the hearing during the Covid-19 pandemic restrictions are considered in the separate protocol document contained within the agenda papers.

Members are advised that, when considering application for a premises licence, the following options are available to them by virtue of the Licensing Act 2003, Part 3, section 35, paragraphs 3 and 4:

"Where relevant representations are made, the authority must

- (a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and
- (b) having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives.

The steps are:

- a) modify the conditions of the licence
- b) reject the whole or part of the application

and for this purpose, the conditions of the licence are modified if any of them is altered or omitted or any new condition is added."

The Sub-Committee will also wish to note that, if none of these steps is required, the application must be granted.

Assuming that the Sub-Committee is satisfied that a hearing is required, then the following procedural steps are recommended. The Licensing Act 2003 (Hearings) Regulations 2005 will govern the arrangements for the hearing of the application

now under consideration. This report accords with the requirements of that Act and the Regulations, and in particular Regulations 21-25 (procedure at the hearing).

1. Membership of the Sub-Committee:

1.1 The Sub-Committee comprises three members of the Licensing Committee, with a quorum of two members. **Unless there are objections, in the absence of three members, the hearing shall proceed with the quorum of two.**

1.1.1 A member of the Licensing Committee will be excluded from hearing an application where he or she has considered an application in respect of the premises in the previous 12 months as a Member of the Regulatory Services Committee; or

1.1.2 is a Ward Councillor for the Ward in which the premises, subject to the application, are located; or

1.1.3 is a Ward Councillor for a Ward which is likely to be affected by the application or;

1.1.4 has a personal interest in the application.

2. Roles of other participants:

2.1 The Legal Advisor is not a party to the hearing. The role of the Legal Advisor is to provide legal advice relating to the application and submissions.

2.2 The Clerk is not a party to the hearing. The role of the Clerk is to record the hearing and the decisions of the Sub-Committee, and ensure efficient administration

3. Location and facilities:

3.1 All hearings will be conducted via virtual hearing i.e. via a Skype meeting telephone call..

3.2 Interpreters will be provided by the Council on request, provided notice is given at least five working days before the hearing.

4. Notification of attendance:

4.1 The Chairman will enquire of the parties who is in attendance and the parties will indicate their names (and, where relevant, whom they represent).

5. Procedural matters:

5.1 Prior to the commencement of the hearing, the Chairman of the Sub-Committee will orally inform the parties whether their applications to have certain people attend the hearing (e.g. witnesses) have been granted or

refused. Note this relates to people other than those attending on behalf of a party in the capacity as a representative of the party.

- 5.2 Prior to the commencement of the hearing the Chairman of the Sub-Committee will outline the procedure to be followed at the hearing. This will normally be as follows:

Introduction of the application:

The Licensing officer will outline:

- details of the application and relevant representations received from the parties;
- relevant legislation ;
- relevant Licensing Policy; and
- the time limit in which the Council must reach a determination.

Documentary evidence:

- Documentary or other information in support of applications, representations or notices should be provided to the Clerk of the Sub-Committee at least 7 clear working days before the hearing. If this information is produced at the hearing it will only be taken into account by the Sub-Committee if the Sub-Committee and all the parties consent to its submission. Permission to have this information included in the hearing should be requested at the beginning of the hearing before any oral submissions have been made.
- Statements made by people in support of a party's representation who are not present at the hearing, must be signed by the maker, dated and witnessed by another person. The statement must also contain the witness's full name and occupation.

Representations:

- The chairman will invite each of the parties at the hearing or their representative sequentially to address the Sub-Committee and call any person/s to whom permission has been granted to appear. Each party will be allowed a maximum period of 10 minutes in which to address the Sub-Committee and call persons on his/her behalf.
- This 10 minute period is where each party has the opportunity to orally address the Sub-Committee and clarify any points in which the Sub-Committee has sought clarification prior to the hearing. This 10 minute period should be uninterrupted unless a member of the Sub-Committee or Legal Advisor considers that the speaker is making submissions that are irrelevant, frivolous or vexatious.
- Members of the Sub-Committee may ask questions of any party, at any time during the proceedings. Time taken in dealing with a Member's

question will not be taken into account in determining the length of time available to the party in question to make their representation.

The sequence in which each of the parties will be invited to address the Sub-Committee will normally be in the order of:

- the Chief Officer of Police;
- the Fire Authority;
- the Health and Safety at Work Enforcing Authority;
- the Local Planning Authority;
- the Local environmental Health Authority;
- the Local Weights and Measures Authority;
- the Authority Responsible for the Protection of Children from Harm;

- any other party that has submitted representations in respect of the application, certificate, notice or other matter appearing before the Sub-Committee;
- the party that has submitted the application, certificate, notice or other matter appearing before the Sub-Committee.

At the discretion of the Sub-Committee the above order may be varied.

Cross-Examination:

Where witnesses have been permitted by the Sub-Committee to speak at the hearing on behalf of a party, permission must be sought from the Sub-Committee before another party can ask the witness questions. This process of questioning is normally referred to as cross-examination. The Sub-Committee will allow cross-examination only where it is necessary to assist it in considering the representations or application.

Relevance:

Information submitted at the hearing must be relevant to the applications, representations, or notice and the promotion of the licensing objectives. The Chairman of the Sub-Committee is entitled to exclude any information he or she considers to be irrelevant whether presented in written or oral form. The licensing objectives are:

- The prevention of crime and disorder;**
- Public safety;**
- The prevention of public nuisance; and**
- The protection of children from harm.**

6. Failure of parties to attend the hearing:

- 6.1 If a party, who has not given prior notice of his/her intention not to attend the hearing, is absent from the hearing the Sub-Committee may either adjourn

the hearing or hold the hearing in the party's absence. Where the hearing is held in the absence of a party, the Sub-Committee will still consider the application, representation or notice submitted by that party.

7. Adjournments and extension of time:

7.1 The Sub-Committee may adjourn a hearing to a specified date or extend a notice period except where it must make a determination within certain time limits in the following specific applications:

- Review of premises licences following closure orders where the Sub-committee must make a determination within 28 days of receiving notice of the closure order.

8. Sub-Committee's determination of the hearing:

8.1 At the conclusion of the hearing the Sub-Committee will deliberate in private accompanied by the Clerk and the Legal Advisor who will be available to assist the Sub-Committee with any legal problems but will not participate in any decision making of the Sub-Committee.

8.2 The Sub-Committee will normally make its determination and announce its decision at the end of the hearing.

8.3 Where all parties have notified the Sub-Committee that a hearing is not required the Sub-Committee must make its determination within 10 working days of being given notice that the hearing is not required.

9. Power to exclude people from hearing:

9.1 The public are entitled to attend the hearing as spectators. However, the Sub-Committee may exclude any person from the hearing including any person assisting or representing a party where:

- it considers that the public interest would be best served by excluding the public or the individual person from the hearing; or
- that person is behaving in a disruptive manner. This may include a party who is seeking to be heard at the hearing. In the case where a party is to be excluded, the party may submit to the Sub-Committee in writing any information which they would have been entitled to give orally had they not been required to leave the hearing.

110. Recording of proceedings:

10.1 A written record of the hearing will be produced and kept for 6 years from the date of the determination of the hearing.

11. Power to vary procedure:

- 11..1 The Sub-committee may depart from following any of the procedures set out in this document if it considers the departure to be necessary in order to consider an application, notice or representation.

PROTOCOL ON THE OPERATION OF LICENSING SUB-COMMITTEE HEARINGS DURING THE COVID-19 PANDEMIC RESTRICTIONS

1. Introduction

The Licensing Act 2003 and the Licensing Act 2003 (Hearing) Regulations 2005 provide flexibility to Licensing Authorities in determining their own hearing procedures. Section 78 of The Coronavirus Act 2020 provides further powers to Councils to hold remote hearings in accordance with regulations. In accordance with the Local Authority and Police Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panels Meetings (England and Wales) Regulations 2020, all Licensing Sub-Committee hearings held during the Covid-19 restriction period will take place remotely using a 'virtual' format. This will usually be via a Skype telephone meeting. However video skype hearings may take place at a later date to be confirmed. This document aims to give details on how the meetings will take place and establish some rules of procedure to ensure that all parties find the meetings productive.

2. Prior to the Hearing

Once the date for a hearing has been set, an electronic appointment will be sent to all relevant parties. This will include a link to access the virtual meeting as well as guidance on the use of the technology involved.

Before a remote hearing, parties are be encouraged to submit brief email submissions, at least 24 hours before the hearing is due to start summarising the points they wish to make at the hearing and the outstanding issues. Although this is voluntary, these written submissions are likely to assist in the conduct of the remote hearing and the decision making process. These should be sent to the e-mail address of the clerk as shown on the front of the agenda papers for the meeting.

3. Format

For the duration of the Covid-19 restrictions period, all Licensing Sub-Committee hearings will be delivered by telephone conference call using Skype software. This will be able to be accessed using any of a PC, laptop, I-Pad etc or mobile/landline telephone and the instructions sent with meeting appointments will cover how to do this which will be sent at least five clear days in advance of the hearing. A weblink to view and, where appropriate, participate in the meeting will be included with the Skype appointment for the meeting and will also be published on the Council's website, on the same page as the agenda for the meeting.

4. Meeting Agenda

An agenda setting out the items for the hearing will be issued in advance to all parties to the hearing in accordance with statutory timetables. This will include

details of the license application or variation together with all representations on the matter. The agenda will also be published on the Council's website – www.havering.gov.uk in the normal way.

5. Format of the Meeting

Although held in a virtual format, Licensing Sub-Committee Hearings dealing with new licences or variations to existing licences will follow the standard procedure with the following principal stages. Panel Members may ask questions of any party at any time. Questions are usually taken after each person has spoken. Should a review of a licence be held during this period, further guidance on the procedure for hearings of this type will be issued by the clerk.

- The Licensing Officer presents their report
- Objectors to the application make their representations. Parties who are speaking should not repeat the information which they have already given in writing in their representation. They will be able to expand on the written information given, provided the information remains relevant. Any additional information should be limited to the grounds of their representation(s). For example, if they are objecting on the grounds of Public Nuisance, then they should confine their comments to matters relating to Public Nuisance.
- Responsible Authorities and Other Persons will make their representations.
- The applicant responds to the representations made.
- All parties will be given an opportunity to sum up if they wish. The hearing will then conclude.
- The Sub-Committee will then deliberate in private with the Legal Adviser and Clerk present.
- The Chairman of the Sub-Committee will then announce the decision that has been reached.
- Notification of the Sub Committee's decision will be given within the period of five working days beginning with the day or the last day on which the hearing was held in accordance with the regulations. The notification of decision will include information about the right of appeal as appropriate

6. Meeting etiquette and rules

All parties should be aware that the sheer volume of virtual meetings now taking place across the country has placed considerable strain upon broadband network infrastructure. As a result, conference calls such as those used for the meeting may experience intermittent faults whereby participants lose contact for short periods of time before reconnecting to the call. The guidance below explains how the meeting is to be conducted, including advice on what to do if participants cannot hear the speaker, and etiquette of participants during the call.

For some participants, this will be their first conference call or virtual meeting. In order to make the briefing productive for everyone, the following rules must be adhered to and etiquette observed:

- Parties are advised to log on at least 10 minutes before the hearing is due to start. A telephone number of an officer will be provided in case of technical difficulties on the day.
- The meeting will be presided over by the Chairman who will invite participants to speak individually at appropriate points. All other participants will have their microphones muted by the Clerk until invited by the Chairman to speak;
- If invited to contribute, participants should make their statement, then wait until invited to speak again if required;
- If at all possible, participants should find a quiet location to take the Skype call where they will not be disturbed. Background and potential noise interruptions can disturb participants;
- Virtual video backgrounds can easily be used to avoid distractions and preserve the privacy of participants if they are calling in from their homes;
- The person speaking should not be spoken over or interrupted and other participants will normally be muted whilst someone is speaking. If there are intermittent faults during the call then the speaker will repeat from the point where the disruption started. Whilst intermittent disruption is frustrating, it is important that all participants remain professional and courteous.

7. Deliberation

At the conclusion of the hearing, the Sub-Committee, together with the clerk and legal advisor, will go into a separate, closed Skype session in order to deliberate on their decision. All other participants should remain in the original Skype call and the clerk will announce when the meeting is about to resume and the Panel's decision will be given.

Under Regulation 14 of the Licensing Act 2003 (Hearings) Regulations 2005 the licensing authority may exclude the public from all or part of the hearing where it considers that the public interest in doing so outweighs the public interest in the hearing or part of that hearing taking place in public. In addition there may be information in the agenda pack pertaining to the hearing be exempt from publication or discussion in public under Schedule 12A of The Local Government Act 1972 as amended. In these circumstances the public will be excluded from part of the whole hearing as appropriate. There may be a closed skype call which will be arranged by the clerk. Full copies of restricted agenda packs will be distributed to relevant parties in advance of the hearing.

8. After the Hearing

The notice of the decision of the Sub-Committee will be circulated to all participants within five working days of the hearing. Minutes of the meeting will also be published on the Council's website.

For any further information on the hearing, please contact taiwo.adeoye@onesource.co.uk, tel: 01708 433079.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.

- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,

 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Dear Licensing

I am objecting to the application 22388

Yogi News and off licensing
121 Mungo Park Road

Reasons are as follow

1. The close proximity to a school so the protection of children from harm needs to be considered.
2. This area has two shops that have a licence. These two shops experience ASB with shop lifting hence public safety will be compromised.
3. This shop if it gained a licence would will encourage more public nuisance and we should be preventing this not encouraging it.
4. Extra footfall at night will affect the residents and residents public safety will be an issue.

Best regards

Premises licence application ref 22388**

Subject: Application 22388 - 121 Mungo Park Road

God morning

I am objecting to this application because adding another shop to this Parade will be not be good for residents due to the possibility of increasing anti social behaviour here.

There are already two shops with an off licence in this small Parade, Coop and Londis.

Coop shuts at 10 pm and continually struggles with shoplifting and drug dealing outside. Londis has been in the same family for 30 years. They have a licence to 11 pm but choose to close by 8 pm because of the anti social behaviour they experienced in the evenings including youths buying alcohol then drinking it in the street along the side alley or at the back of the shops.

There are families living above these shops and the current two shops with an off licence are situated at each end of the parade. A shop in the middle with an off licence is one shop too many and unfair to residents who live above the shops and nearby.

Best wishes

Stephanie

PETITION

We the undersigned local residents and businesses wish to register our objection to the application for grant of a variation to the premises licence so as to extend the hours for the sale of alcohol at **121 MUNGO PARK ROAD, RAINHAM, ESSEX, RM13 7PP** on the grounds of the application made by MR&MRS Yogeshkumar & Gordhanbhaz Patel failing to adequately address the four licencing objectives, Namely (1) the prevention of crime and disorder, (2) the protection of public safety (3)the prevention of public nuisance and (4)the protection from harm. There are insufficient controls of information supplied with the application to sufficiently address the licensing objectives. We believe that the grant of the application would have the likely effect of an increase in crime and disorder, an increase in incidents of public nuisance, threaten public safety and put children at risk from harm, should a premises licence be granted to the applicants in this instance.

There are insufficient controls of information supplied with the application to sufficiently address the licensing objectives. We believe that the grant of the application would have the likely effect of an increase in crime and disorder, an increase in incidents of public nuisance, threaten public safety and put children at risk from harm, should a premises licence be granted to the applicants in this instance.

PETITION

We the undersigned local residents and businesses wish to register our objection to the application for grant of a variation to the premises licence so as to extend the hours for the sale of alcohol at **121 MUNGO PARK ROAD, RAINHAM, ESSEX, RM13 7PP** on the grounds of the application made by MR&MRS Yogeshkumar & Gordhanbhai Patel failing to adequately address the four licensing objectives, Namely (1) the prevention of crime and disorder, (2) the protection of public safety (3) the prevention of public nuisance and (4) the protection from harm. There are insufficient controls of information supplied with the application to sufficiently address the licensing objectives. We believe that the grant of the application would have the likely effect of an increase in crime and disorder, an increase in incidents of public nuisance, threaten public safety and put children at risk from harm, should a premises licence be granted to the applicants in this instance.
