16 March 2022 (7.05 - 7.28 pm)**

Present:

Councillors Nisha Patel (Chairman), Philippa Crowder (via Zoom)

Officers present (via Zoom):

Ian Buckmaster, Healthwatch Havering

Steve Rubery, North East London Clinical Commissioning Group (CCG)

Tracy Rubery, NHS

Keith Flaxman, NHS

Melissa Hoskins, CCG

Mark Ansell, Havering Council

Hanh Xuan Tang, NHS

31 APOLOGIES FOR ABSENCE AND ANNOUNCEMENT OF SUBSTITUTE MEMBERS

There were no apologies received.

32 DISCLOSURES OF INTEREST

There were no declarations of interest.

33 TRANSFORMATION BOARDS

The Barking & Dagenham, Havering and Redbridge (BHR) Transformation Boards 21/22 Key Progress and Achievements to Date report was presented to the Integrated Care Partnership Board (ICPB) in November 2021. The ICPB had requested that the report was presented and shared at local Borough Overview and Scrutiny Committees for information.

The report provided an update on the progress made during 21/22 so far by each of the Transformation Boards against their priorities, and the impact of the Transformational changes made to date.

The report and update was noted by the Sub Committee.

34 BLOOD TEST TURNAROUND TIMES

Following a detailed update to the November meeting of the Havering Health Overview and Scrutiny Sub-Committee, the Clinical Commissioning Group agreed to provide further updates on the progress of the community

phlebotomy service pilot in Barking and Dagenham, Havering and Redbridge.

It was to be noted that the BHR phlebotomy pilot would end in June 2022 therefore the Executive Phlebotomy Steering Group would meet in March for a detailed phlebotomy pilot review session to look at successes and learning to date.

Officers explained that In Havering, blood tests were available at Cranham Health, Elm Park Clinic, Harold Hill Health Centre and Raphael House in Romford and according to current data 22,687 blood tests were carried out across community and GP sites across BHR in January 2021.

The Sub Committee noted the report and the progress of community phlebotomy pilot.

35 **ST GEORGE'S HOSPITAL UPDATE**

The report provided the Sub Committee with an update on the on- going work that would deliver the redevelopment of the former St George's Hospital site to create an integrated Health and Wellbeing Hub.

It was explained that significant engagement has already taken place with key local stakeholders and with local residents and patients over the last ten years, which had helped to shape the plans and ensure that stakeholders understood how the new centre would benefit them and the communities they represented.

Furthermore, North East London CCG conducted a 12-week engagement on proposals for the integrated Health and Wellbeing Hub on the former St George's Hospital site in Hornchurch in the London Borough of Havering. This engagement started on 22 November 2021 and closed on 13 February 2022.

The Sub Committee noted the report and the progress of St George's Health and Wellbeing Hub redevelopment.

Chairman
