Procedure for the Hearing: Licensing Act 2003

Report Author and contact details:

Luke Phimister (01708) 434619
e-mail: luke.phimister@onesource.co.uk

Note: Issues relating specifically to the operation of the hearing during the Covid-19 pandemic restrictions are considered in the separate protocol document contained within the agenda papers.

Members are advised that, when considering an application to vary a premises licence, the following options are available to them by virtue of the Licensing Act 2003, Part 3, section 35, paragraphs 3 and 4:

"Where relevant representations are made, the authority must

- (a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and
- (b) having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives.

The steps are:

- a) modify the conditions of the licence
- b) reject the whole or part of the application

and for this purpose, the conditions of the licence are modified if any of them is altered or omitted or any new condition is added."

The Sub-Committee will also wish to note that, if none of these steps is required, the application must be granted.

Assuming that the Sub-Committee is satisfied that a hearing is required, then the following procedural steps are recommended. The Licensing Act 2003 (Hearings) Regulations 2005 will govern the arrangements for the hearing of the application

now under consideration. This report accords with the requirements of that Act and the Regulations, and in particular Regulations 21-25 (procedure at the hearing).

1. Membership of the Sub-Committee:

1.1 The Sub-Committee comprises three members of the Licensing Committee, with a quorum of two members. **Unless there are objections, in the absence of three members, the hearing shall proceed with the quorum of two.**

1.1.1 A member of the Licensing Committee will be excluded from hearing an application where he or she has considered an application in respect of the premises in the previous 12 months as a Member of the Regulatory Services Committee; or

1.1.2 is a Ward Councillor for the Ward in which the premises, subject to the application, are located; or

1.1.3 is a Ward Councillor for a Ward which is likely to be affected by the application or;

1.1.4 has a personal interest in the application.

2. Roles of other participants:

2.1 The Legal Advisor is not a party to the hearing. The role of the Legal Advisor is to provide legal advice relating to the application and submissions.

2.2 The Clerk is not a party to the hearing. The role of the Clerk is to record the hearing and the decisions of the Sub-Committee, and ensure efficient administration

3. Location and facilities:

3.1 All hearings will be conducted via virtual hearing i.e. via a Skype meeting telephone call..

3.2 Interpreters will be provided by the Council on request, provided notice is given at least five working days before the hearing.

4. Notification of attendance:

4.1 The Chairman will enquire of the parties who is in attendance and the parties will indicate their names (and, where relevant, whom they represent).

5. Procedural matters:

5.1 Prior to the commencement of the hearing, the Chairman of the Sub-Committee will orally inform the parties whether their applications to have certain people attend the hearing (e.g. witnesses) have been granted or refused. Note this relates to people other than those attending on behalf of a party in the capacity as a representative of the party.

5.2 Prior to the commencement of the hearing the Chairman of the Sub-Committee will outline the procedure to be followed at the hearing. This will normally be as follows:

Introduction of the application:

The Licensing officer will outline:

- details of the application and relevant representations received from the parties;
- relevant legislation ;
- relevant Licensing Policy; and
- the time limit in which the Council must reach a determination.

Documentary evidence:

- Documentary or other information in support of applications, representations or notices should be provided to the Clerk of the Sub-Committee at least 7 clear working days before the hearing. If this information is produced at the hearing it will only be taken into account by the Sub-Committee if the Sub-Committee and all the parties consent to its submission. Permission to have this information included in the hearing should be requested at the beginning of the hearing before any oral submissions have been made.
- Statements made by people in support of a party's representation who are not present at the hearing, must be signed by the maker, dated and witnessed by another person. The statement must also contain the witness's full name and occupation.

Representations:

- The chairman will invite each of the parties at the hearing or their representative sequentially to address the Sub-Committee and call any person/s to whom permission has been granted to appear. Each party will be allowed a maximum period of 10 minutes in which to address the Sub-Committee and call persons on his/her behalf.
- This 10 minute period is where each party has the opportunity to orally address the Sub-Committee and clarify any points in which the Sub-Committee has sought clarification prior to the hearing. This 10 minute period should be uninterrupted unless a member of the Sub-Committee or Legal Advisor considers that the speaker is making submissions that are irrelevant, frivolous or vexatious.
- Members of the Sub-Committee may ask questions of any party, at any time during the proceedings. Time taken in dealing with a Member's question will not be taken into account in determining the length of time available to the party in question to make their representation.

The sequence in which each of the parties will be invited to address the Sub-Committee will normally be in the order of:

- the Chief Officer of Police;
- the Fire Authority;
- the Health and Safety at Work Enforcing Authority;
- the Local Planning Authority;
- the Local environmental Health Authority;
- the Local Weights and Measures Authority;
- the Authority Responsible for the Protection of Children from Harm;
- a navigation or other authority responsible for waterways; and
- any other party that has submitted representations in respect of the application, certificate, notice or other matter appearing before the Sub-Committee;
- the party that has submitted the application, certificate, notice or other matter appearing before the Sub-Committee.

At the discretion of the Sub-Committee the above order may be varied.

Cross-Examination:

Where witnesses have been permitted by the Sub-Committee to speak at the hearing on behalf of a party, permission must be sought from the Sub-Committee before another party can ask the witness questions. This process of questioning is normally referred to as cross-examination. The Sub-Committee will allow cross-examination only where it is necessary to assist it in considering the representations or application.

Relevance:

Information submitted at the hearing must be relevant to the applications, representations, or notice and the promotion of the licensing objectives. The Chairman of the Sub-Committee is entitled to exclude any information he or she considers to be irrelevant whether presented in written or oral form. The licensing objectives are:

- The prevention of crime and disorder;**
- Public safety;**
- The prevention of public nuisance; and**
- The protection of children from harm.**

6. Failure of parties to attend the hearing:

- 6.1 If a party, who has not given prior notice of his/her intention not to attend the hearing, is absent from the hearing the Sub-Committee may either adjourn the hearing or hold the hearing in the party's absence. Where the hearing is held in the absence of a party, the Sub-Committee will still consider the application, representation or notice submitted by that party.

7. Adjournments and extension of time:

7.1 The Sub-Committee may adjourn a hearing to a specified date or extend a notice period except where it must make a determination within certain time limits in the following specific applications:

- Review of premises licences following closure orders where the Sub-committee must make a determination within 28 days of receiving notice of the closure order.

8. Sub-Committee's determination of the hearing:

8.1 At the conclusion of the hearing the Sub-Committee will deliberate in private accompanied by the Clerk and the Legal Advisor who will be available to assist the Sub-Committee with any legal problems but will not participate in any decision making of the Sub-Committee.

8.2 The Sub-Committee will normally make its determination and announce its decision at the end of the hearing.

8.3 Where all parties have notified the Sub-Committee that a hearing is not required the Sub-Committee must make its determination within 10 working days of being given notice that the hearing is not required.

9. Power to exclude people from hearing:

9.1 The public are entitled to attend the hearing as spectators. However, the Sub-Committee may exclude any person from the hearing including any person assisting or representing a party where:

- it considers that the public interest would be best served by excluding the public or the individual person from the hearing; or
- that person is behaving in a disruptive manner. This may include a party who is seeking to be heard at the hearing. In the case where a party is to be excluded, the party may submit to the Sub-Committee in writing any information which they would have been entitled to give orally had they not been required to leave the hearing.

110. Recording of proceedings:

10.1 A written record of the hearing will be produced and kept for 6 years from the date of the determination of the hearing.

11. Power to vary procedure:

11..1 The Sub-committee may depart from following any of the procedures set out in this document if it considers the departure to be necessary in order to consider an application, notice or representation.

Subject: Licensing Variation Application Number 24119 91-93 Park Lane Hornchurch Essex RM11 1BH

Dear Mr. Daly,

Int Superstore 2 Ltd 91-93 Park Lane, Hornchurch, Essex, RM11 1BH

I should like to make a written representation against the application of a Premises Licence Variation to the above business, regarding the sale of alcohol.

93 Park Lane used to be Red Rose Wines, a single shop. Recently, 91 has been taken over, presumably by the same owners, and one large shop has been constructed. An application for the variation of its opening hours and alcohol sales was listed on the Licensing Applications for the week 19th-25th July 2021.

For 93 Park Lane, the current opening hours are 7.00 a.m. - 10.00 p.m. Monday-Sunday

The current alcohol sale hours are 10.00 a.m. - 10.00 p.m. Monday-Saturday

11.00 a.m. - 10.00 p.m. Sunday

8.00 a.m. - 10.30 p.m. Good Friday

12 noon - 3.00 p.m. / 7.00 -10.30.p.m. Christmas Day

For 91-93 Park Lane, the new opening hours would remain 7.00 a.m. - 10.00 p.m. Monday-Sunday, with 8.00 a.m.-10.30 p.m. Good Friday and Christmas Day.

The new alcohol sale hours would be 9.00 a.m. - 10.00 p.m. Monday-Sunday

8.00 a.m. - 10.30 p.m. Good Friday and Christmas Day.

These are my reasons against the application:

1. **Public Safety** – Park Lane is a very busy road, regularly used as a cut-through between Romford and Hornchurch (a number of residents have voiced their concerns about the volume of traffic). A large shop open till 10.00 p.m. would mean more cars late at night, all trying to park in a limited area by the parade, and be a potential safety risk. The other two similar shops in the parade, Food Alcohol Express and Hornchurch Food and Wine, have a licence up to only 8.00 p.m.
2. **Prevention of Public Nuisance** – when the two shops were being converted to one, a large pile of rubble was left for some weeks on the apron outside the shop from which, according to residents, caused youths to pick up and throw pieces of rubble. In this light, it must be wondered whether the shop owners would be responsible when it came to alcohol sales.
- at a recent hearing, the application by Food Alcohol Express at 65 Park Lane to extend alcohol sale opening hours from 6.00 a.m. to 10.00 p.m. was rejected, citing "existing problems with street drinkers....consistent with local knowledge held by members of the sub-Committee"
3. **Protection of Children from Harm** – there are no clauses similar to those following, which are likely to prevent harm to children by making it harder for them to obtain alcohol:
2.h. A maximum of two children shall be allowed in the premises at one time;

4 Alcohol

c. Beer, cider, stout and lager on sale shall not exceed 6% ABV;

e. Outside the permitted hours all alcohol shall be screened off from sale and display by a physical and lockable shutter to which the premises licence holder / DPS shall hold the keys.

I would request that you please consider these representations against the application for 91-93 Park Lane closely when making your decision. I have made these representations before the closing date of 4th August 2021.

Thank-you in anticipation,

Yours sincerely,

Councillor Judith Holt

Romford Town Ward

Dear Licensing Team,

23rd July 2021

Int Superstore 2 Ltd 91-93 Park Lane, Hornchurch, Essex, RM11 1BH

I would like to make a written representation against the application of a Premises Licence Variation to the above business, regarding the sale of alcohol.

I have lived in Park Lane near to this parade of shops for over 15 years, so can see first-hand the impact this licence will have on our community and my own individual well-being and that of my family. I am also a NHW coordinator for Park Lane. There are worries that even more alcohol being available on this parade, everyday until 10pm, will cause more anti-social behaviour, increase crime, disturbance to our sleep patterns, increase in noise levels with cars stopping and dropping, and even more traffic congestion. I directly understand and am impacted on what this late licence will bring. I recently spoke at a hearing regarding Select & Save in May 2021 where limitations were set which relate to this area and parade.

These are my reasons against the application:

Public Safety

Park Lane is a highly residential area and a very busy road used as a cut through with people speeding daily. I have witnessed several traffic accidents here myself. A large shop open everyday from 7am till 10.00 p.m and 10.30pm, would mean more cars late at night, all trying to park in a limited area by the parade, and be a potential safety risk. The other two similar shops in the parade, Food Alcohol Express and Hornchurch Food and Wine, have a licence up to only 8.00 p.m. A floor plan which was only made available to myself after further investigation, and not immediately forthcoming via the public protection officer, or available to view online, shows alcohol will make a large proportion of potential sales in this shop. On view of this floor plan the largest majority of the chillers and shelving are **all alcohol related.**

I'm most concerned that this shop will attract street drinkers into our area being open this early and late. This parade is used every morning and afternoon by children walking to school on their own or with family members. I have witnessed the beggars and homeless people that frequent Tesco Roneo Corner to then hang around this parade approaching people to buy alcohol and ask for money, it's frightening and intimidating for anyone. Street drinkers would be attracted morning and late at night there would also be an increase in noise, litter and even more broken glass. These problems already exist, so it'll only get worse.

There is already a huge problem with 'poppers' and drugs along Park Crescent and the parade. This combined with the lure of alcohol, will make this parade even more attractive to street drinkers. In December 2019 residents witnessed a masked robbery just before Christmas of Hornchurch Food & Wine (situated in the middle of this parade) and there was an armed police chase ending by the corner of Hillcrest Road by this shop. The worry of Christmas hours until 22:30 fills me with concern and dread. Although this robbery was not a result of this premises, the corner location of this shop and increased alcohol along this parade makes this an even further hot spot for increased crime and further anti-social behaviour. The previous shop Red Rose Wines (located at these premises)

would close early due to anti-social behaviour and the owner and family members had even attended previous hearings held as a result of residents' concerns and as a result of anti-social behaviour taking place in this area.

Prevention of Public Nuisance

Recently when the two shops were being converted to one, a large pile of rubble was left for weeks outside the shop which caused youths to pick up and throw pieces of rubble at cars and people and increased fly tipping (photos attached). In this light, it must be wondered whether the shop owners would be responsible when it came to alcohol sales. Several neighbours were appalled by this and this was also evident across social media via ' Havering Safe Streets Facebook page' (group has over 8,300 people) with over 80 comments from neighbours and other Havering residents in relation to this shop. A neighbour reported the rubble on 23rd March 2021 reference quote FS318728918)

- at a recent hearing, the application by Food Alcohol Express/ Select & Save at 65 Park Lane to extend alcohol sale opening hours from 6.00 a.m. to 10.00 p.m. was rejected, citing "existing problems with street drinkers....consistent with local knowledge held by members of the sub-Committee"

Would a business contact number and email address for the DPS or manager for local residents to register and resolve any complaints be available to promote the licensing object of the prevention of public nuisance, so that residents are able to present their concerns to the applicant in a private and confidential manner and this condition is no way troublesome to the licensee.

Protection of Children from Harm

There are no clauses similar to those following, which are likely to prevent harm to children by making it harder for them to obtain alcohol:

2.h. A maximum of two children shall be allowed in the premises at one time;

4 Alcohol

c. Beer, cider, stout and lager on sale shall not exceed 6% ABV;

e. Outside the permitted hours all alcohol shall be screened off from sale and display by a physical and lockable shutter to which the premises licence holder / DPS shall hold the keys.

Are they planning irresponsible price promotions, which makes me feel they wish to remove single sales and strength? Can people raise concerns? Children already hang around this parade by the wall outside existing shops, intimidating passers by and causing a nuisance. The open spaces of the local parks make it easier for children to congregate.

Crime & Disorder

Data correct as of 25th July 2021(stats from May 2021 also Havering still in partial national lockdown) data sourced via www.streetcheck.co.uk

Anti-social behaviour makes up nearly half of the stats wheel with second, violence and sexual crime nearly a quarter.

I am asking for the licensing committee to please factor in these highly worrying concerns and impacts to decline the application for a variation.

Kind regards
G Brooks

Dear Licensing Team,

APPLICATION AGAINST PREMISES LICENCE VARIATION, INTERNATIONAL STORE 2 LTD, 91- 93 PARK LANE, HORNCHURCH, ESSEX, RM11 1BH

I would like to make written representation against the application for a Premises Licence Variation for the above mentioned business.

I've lived here for 30 years, close to the junction of Hillcrest Road and Park Lane, where the premises is located. I'm a Neighbourhood Watch Co-ordinator and I care deeply about the safety and well-being of our local community. This is why I'm objecting to this application on the grounds below:

Public Safety

- The location of the shop is in a very busy cut-through road. This is going to be a large shop on our residents' doorstep, on a narrow road, on a small parade, in a highly residential area, with major issues concerning lack of parking. This large double shop selling alcohol will encourage even more cars to the area late in the evening. The other 2 licensed premises on this small parade - Food Alcohol Express and Hornchurch Food and Wine, only have a licence until 8pm.

The prevention of public nuisance, the prevention of crime and disorder

- In May 2021 the licensing sub-committee rejected an application for extended hours made by Food Alcohol Express, 65 Park Lane (at the other end of this small parade) from 6am – 10pm stating **..." that there was already an existing problem of street drinking and groups of teens in the area that was likely to be exacerbated if the variations were granted" and this was "consistent with local knowledge held by members on the sub-committee"**. The situation hasn't changed since May 2021 and will have the potential to get worse, particularly during summer months and now that COVID restrictions have been lifted.
- The location of the premises, so close to the park, and the alleyway behind the shops, makes it an attractive location for street drinkers to gather after buying alcohol on this small parade of shops.
- For several years, when it was a single unit, 93 Park Lane (previously called Red Rose Wines) has closed around 8pm, this is following on from residents expressing their concerns about anti-social behaviour.

Previously when Red Rose Wines was open after 8pm there were issues with street drinkers hanging around close to the premises in the evening. The thought of this all starting up again is very scary. It's very intimidating and gives a feeling of helplessness if you are trying to sleep at night and hearing shouting and screaming from street drinkers outside your own house, particularly so for families with children and for elderly residents.

Residents reached out to their local councillor and police for help. I believe that the owner (who I understand has now leased the premises to the applicant) did his best to manage this anti-social behaviour under very challenging circumstances for himself, as well as for residents – it's my understanding that on one occasion he had fireworks thrown into his shop. In fact the owner of the premises and his family members have attended previous

hearings and supported residents objecting to applications for other licensed premises on the parade, and anti-social behaviour close to this shop was mentioned. When Red Rose Wines closed around 8pm the situation outside the shop did improve later in the evening. However, there have still been some issues with street drinking and anti-social behaviour in the area of the corner of Hillcrest Road and Park Lane, and particularly involving the alleyway at the back of the shops and there are broken bottles dumped in the area. Local residents have mentioned seeing drug dealing and I have seen this myself. How can it be right to introduce more alcohol, particularly late in the evening, into this highly residential area, as this is only likely to exacerbate anti-social behaviour?

Protection of children from harm

I am worried about children being able to access alcohol, particularly so as I've been asked by young people hanging around on the parade to buy alcohol for them. There are no clauses that I can see in the application to protect them, such as:

- **A maximum of 2 children shall be allowed in the premises at one time.**
- **Beer, cider, stout and larger on sale shall not exceed 6%**
- **Outside the permitted hours all alcohol shall be screened off from sale and display by a lockable shutter to which the premises license holder /DPS shall hold the keys.**

Prevention of public nuisance, public safety, protection of children from harm:

- I am very concerned about single cans and bottles being sold which would attract street-drinkers and affect anti-social behaviour. I can't see any reference to this clause in the application: **There shall be no single item sales: for cans of alcohol, bottles of beer, ready to buy bottles.**

Prevention of public nuisance

- While the building work was on-going to convert the 2 shops into one, a large pile of rubble was kept outside the shops for several weeks and residents, a councillor and I understand local police had to take action to try to get it removed. I have been informed by neighbours that this was picked up by youths and thrown at local residents and their property, also I understand that police were called regarding these incidents. Residents were also concerned and upset about fly-tipping taking place as a result of this dumped rubble. In the light of this information, and apparent lack of care and concern towards local residents, there is an extra worry about whether the new licence holder will act responsibly.

Please will you will take my concerns into account when making your decision. Thank you.

Kind regards,

Mrs Janet Haworth,

Hello

RE 91-93 Park Lane This is to object to these premises selling alcohol on the grounds listed below.

The Prevention of Crime and Disorder
Public Safety

The prevention of public nuisance; and the prevention of children from harm.
Selling alcohol to 10pm, could affect residents' well-being, through causing a public nuisance.

There are already two other stores selling alcohol in this small parade of shops and a large Tesco store nearby. These shops cause antisocial behaviour and affect our well-being when there is shouting up and down the street late at night and it encourages youths and undesirables to hang about these shops. It also causes more waste, I have needed to complain on several occasions to get the back access alley to my property cleaned as we constantly get empty liquor bottles and cans dumped here as people go by and this shop will surely increase this. This also increases the traffic with the number of cars along Park Lane which is already a busy congested road causing more air pollution and churning up the road further along Hillcrest Road where people will park and where we already have lots of potholes.

Trading on Good Friday and Christmas Day from 8am to 10.30pm is disgraceful and should not be allowed!

This shop owner was also responsible for piling a load of rubble outside the premises during the refit rather than using a skip which caused anti-social behaviour as this rubble was thrown into gardens.

Please reject this request, the residents do not want this or need this.

Kind Regards

Dear licensing team,

I am writing to express concern regarding the granting of a license variation for 91-93 Park lane.

I am a resident at the lower end of Hillcrest road and believe that an extended license will have a negative impact to the residents in the immediate area for the following reasons.

- The corner of Park Lane and Hillcrest road is unfortunately a location where people come to buy drugs. To have alcohol immediately accessible from the corner superstore late at night will increase the problems that already exist at this point.
- The location of the store impacts parking in Hillcrest road as it does not have parking controls similar to adjacent roads. People coming to the store at night to buy alcohol and parking will reduce the parking for local residents.
- There is already an international superstore along the parade of shops in park lane that sells alcohol. A further similar shop is likely to cause groups of drinkers to gather around both shops increasing anti-social behaviour; particularly at night.

I would respectfully request that the license to sell alcohol is restricted to reduce anti-social behaviour and public nuisance.

Kind Regards,

Graham Stone
