REPORT

Subject Heading:

**Procedure for the Hearing:
Licensing Act 2003**

Report Author and contact details:

**Taiwo Adeoye – Democratic Services
Officer - 01708 433079**

Members are advised that, when considering an application to vary a premises licence, the following options are available to them by virtue of the Licensing Act 2003, Part 3, section 35, paragraphs 3 and 4:

"Where relevant representations are made, the authority must

- (a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and
- (b) having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives.

The steps are:

- a) modify the conditions of the licence
- b) reject the whole or part of the application

and for this purpose, the conditions of the licence are modified if any of them is altered or omitted or any new condition is added."

The Sub-Committee will also wish to note that, if none of these steps is required, the application must be granted.

Assuming that the Sub-Committee is satisfied that a hearing is required, then the following procedural steps are recommended. The Licensing Act 2003 (Hearings) Regulations 2005 will govern the arrangements for the hearing of the application now under consideration. This report accords with the requirements of that Act and the Regulations, and in particular Regulations 21-25 (procedure at the hearing).

1. Membership of the Sub-Committee:

- 1.1 The Sub-Committee comprises three members of the Licensing Committee, with a quorum of two members. **Unless there are objections, in the absence of three members, the hearing shall proceed with the quorum of two.**
- 1.2 A members of the Licensing Committee will be excluded from hearing an application where he or she:
 - 1.2.1 has considered an application in respect of the premises in the previous 12 months as a Member of the Regulatory Services Committee; or
 - 1.2.2 is a Ward Councillor for the Ward in which the premises, subject to the application, are located; or
 - 1.2.3 is a Ward Councillor for a Ward which is likely to be affected by the application or;
 - 1.2.4 has a personal interest in the application.

2. Roles of other participants:

- 2.1 The Legal Advisor is not a party to the hearing. The role of the Legal Advisor is to provide legal advice relating to the application and submissions.
- 2.2 The Clerk is not a party to the hearing. The role of the Clerk is to record the hearing and the decisions of the Sub-Committee, and ensure efficient administration

3. Location and facilities:

- 3.1 All hearings will be heard at the Havering Town Hall unless otherwise directed.
- 3.2 Interpreters will be provided by the Council on request, provided notice is given at least five working days before the hearing.

4. Notification of attendance:

- 4.1 The Chairman will enquire of the parties who is in attendance and the parties will indicate their names (and, where relevant, whom they represent). A register will be circulated before the commencement of the hearing on which the applicant, his/her advisers and companions and all interested parties (and/or their representatives) will be asked to record their attendance.

5. Procedural matters:

- 5.1 Prior to the commencement of the hearing, the Chairman of the Sub-Committee will orally inform the parties whether their applications to have certain people attend the hearing (e.g. witnesses) have been granted or refused. Note this relates to people other than those attending on behalf of a party in the capacity as a representative of the party.
- 5.2 Prior to the commencement of the hearing the Chairman of the Sub-Committee will outline the procedure to be followed at the hearing. This will normally be as follows:

Introduction of the application:

The Licensing officer will outline:

- details of the application and relevant representations received from the parties;
- relevant legislation ;
- relevant Licensing Policy; and
- the time limit in which the Council must reach a determination.

Documentary evidence:

- Documentary or other information in support of applications, representations or notices should be provided to the Clerk of the Sub-Committee at least 7 clear working days before the hearing. If this information is produced at the hearing it will only be taken into account by the Sub-Committee if the Sub-Committee and all the parties consent to its submission. Permission to have this information included in the hearing should be requested at the beginning of the hearing before any oral submissions have been made.
- Statements made by people in support of a party's representation who are not present at the hearing, must be signed by the maker, dated and witnessed by another person. The statement must also contain the witness's full name and occupation.

Representations:

- The chairman will invite each of the parties at the hearing or their representative sequentially to address the Sub-Committee summarising the main point of the written representation to the application and call any person/s to whom permission has been granted to appear. Each party will be allowed a maximum period of 10 minutes in which to address the Sub-Committee and call persons on his/her behalf.
- This 10 minute period is where each party has the opportunity to orally address the Sub-Committee and clarify any points in which the Sub-Committee has sought clarification prior to the hearing. This 10 minute period should be uninterrupted unless a member of the Sub-Committee or Legal Advisor considers that the speaker is making submissions that are irrelevant, frivolous or vexatious.
- Members of the Sub-Committee may ask questions of any party, at any time during the proceedings. Time taken in dealing with a Member's question will not be taken into account in determining the length of time available to the party in question to make their representation.

The sequence in which each of the parties will be invited to address the Sub-Committee will normally be in the order of:

- the Chief Officer of Police;
- the Fire Authority;
- the Health and Safety at Work Enforcing Authority;
- the Local Planning Authority;
- the Local environmental Health Authority;
- the Local Weights and Measures Authority;
- the Authority Responsible for the Protection of Children from Harm;
- a navigation or other authority responsible for waterways; and
- any other party that has submitted representations in respect of the application, certificate, notice or other matter appearing before the Sub-Committee;
- the party that has submitted the application, certificate, notice or other matter appearing before the Sub-Committee.

At the discretion of the Sub-Committee the above order may be varied.

Cross-Examination:

Where witnesses have been permitted by the Sub-Committee to speak at the hearing on behalf of a party, permission must be sought from the Sub-Committee before another party can ask the witness questions. This process of questioning is normally referred to as cross-examination. The Sub-Committee will allow cross-examination only

where it is necessary to assist it in considering the representations or application.

Relevance:

Information submitted at the hearing must be relevant to the applications, representations, or notice and the promotion of the licensing objectives. The Chairman of the Sub-Committee is entitled to exclude any information it considers to be irrelevant whether presented in written or oral form. The licensing objectives are:

The prevention of crime and disorder;

Public safety;

The prevention of public nuisance; and

The protection of children from harm.

6. Failure of parties to attend the hearing:

- 6.1 If a party, who has not given prior notice of his/her intention not to attend the hearing, is absent from the hearing the Sub-Committee may either adjourn the hearing or hold the hearing in the party's absence. Where the hearing is held in the absence of a party, the Sub-Committee will still consider the application, representation or notice submitted by that party.

7. Adjournments and extension of time:

- 7.1 The Sub-Committee may adjourn a hearing to a specified date or extend a notice period except where it must make a determination within certain time limits in the following specific applications:
- Review of premises licences following closure orders where the Sub-committee must make a determination within 28 days of receiving notice of the closure order.

8. Sub-Committee's determination of the hearing:

- 8.1 At the conclusion of the hearing the Sub-Committee will deliberate in private accompanied by the Clerk and the Legal Advisor who will be available to assist the Sub-Committee with any legal problems but will not participate in any decision making of the Sub-Committee.

- 8.2 The Sub-Committee will normally make its determination at the end of the hearing. The notice of the decision of the Sub-Committee will be circulated to all participants within five working days of the hearing.
- 8.3 Where all parties have notified the Sub-Committee that a hearing is not required the Sub-Committee must make its determination within 10 working days of being given notice that the hearing is not required.

9. Power to exclude people from hearing:

- 9.1 The public are entitled to attend the hearing as spectators. However, the Sub-Committee may exclude any person from the hearing including any person assisting or representing a party where:
- it considers that the public interest would be best served by excluding the public or the individual person from the hearing; or
 - that person is behaving in a disruptive manner. This may include a party who is seeking to be heard at the hearing. In the case where a party is to be excluded, the party may submit to the Sub-Committee in writing any information which they would have been entitled to give orally had they not been required to leave the hearing.

10. Recording of proceedings:

- 10.1 A written record of the hearing will be produced and kept for 6 years from the date of the determination of the hearing.

11. Power to vary procedure:

- 11.1 The Sub-committee may depart from following any of the procedures set out in this document if it considers the departure to be necessary in order to consider an application, notice or representation.

Representations from Responsible Authorities

Licensing Act 2003 – responsible authority representation

This representation is made by a responsible authority for the London Borough of Havering concerning a premises licence application for the premises as detailed below.

Applicant: Mr Ali Demir
Premises: Hot & Tasty 140 South Street Romford RM1 1TE

Name: Paul Jones
Organisation: London Borough of Havering Licensing Authority
Address: c/o Town Hall Main Road Romford RM1 3BD
Email: paul.jones@haverling.gov.uk
Telephone no.: 01708 432692

Objection summary:

The premises is located in one of Havering's cumulative impact (CI) zones at the most significant crime 'hot-spot' in the borough; no attempt has been made to rebut the CI policy nor to provide any mitigation for the extended hours sought. The extended hours are outside Havering's licensing policy guideline hours when the licence already permits the premises to operate beyond our policy guideline hours.

Policy considerations

6.3 For areas where a cumulative impact policy is adopted, it creates a rebuttable presumption that applications for new premises licences, club premises certificates, or variation applications that will add to the existing cumulative impact, will normally be refused, unless the applicant can demonstrate why the operation of the premises involved will not add to cumulative impact and not impact adversely on the promotion of the licensing objectives. The exception to this policy may be for applications for restaurants where alcohol is sold ancillary to a table meal.

12. Licensing Hours

12.1 When dealing with new and variation applications the Licensing Authority may give more favourable consideration to applications with the following closing times:

Public Houses and Bars

23:00 - Sunday to Thursday
Midnight - Friday and Saturday

Nightclubs

01:00 - Sunday to Thursday
02:00 - Friday and Saturday

Restaurants and Cafes

23:00 - Sunday to Thursday
00:00 - Friday and Saturday

Off licences

23:00 - Monday to Sunday

Hot food and drink supplied by takeaways, fast food premises

00:00 - Sunday to Thursday

01:00 - Friday and Saturday

Hotel residents only

24 hours sale of alcohol for on sales only

12.2 Consideration will also be given to the type of area that the premises is located in with regulated activities normally being permitted until 23.30 in residential areas and 00.30 in mixed use areas.

Representation

1. This premises is located in Havering's main CI zone. Our CI policy, as detailed above, permits an applicant to rebut the policy. We would therefore expect some form of rationalisation provided in the application to indicate why the applicant is of the view that the variation sought would not contribute to CI. There has been no rebuttal statement provided for consideration. We are therefore unable to conclude that the premises will not add to CI and must assume that it will add to CI. In addition, the absence of a CI rebuttal statement suggests that the applicant is not convinced that CI will not be adversely affected if the application is granted.

2. The premises is located at the main Romford transport hub which is also its most significant crime 'hot-spot'. Extending hours at this location would have the potential to further delay the dispersal of post-club attendees and thus increase the likelihood of licensing objective failures.

3. Section 16 of the application is the area in which the applicant is able to provide additional steps which are felt will aid the promotion of the licensing objectives. The entry in section 16 states simply: "*Existing conditions will remain as it is.*" While it may be felt by the applicant that no additional steps are necessary, we might reasonably suggest that given the extended hours sought, i.e. an 05:00 terminal hour three nights a week, the premises seeks to be open during hours in which a separate customer base will be in attendance. This new customer base will have been potentially consuming alcohol for an additional three hours longer than the customers currently permitted to attend the premises.

4. The premises seeks to provide recorded music as a form of entertainment until 03:00 during the week and 05:00 at the weekend which is two hours longer during the week and three hours longer at the weekend than currently permitted. The fact that the premises is already able to provide musical entertainment until the early hours is a matter of concern as playing music in a take-away shop risks customers staying longer than they might ordinarily when ordering a take-away meal only; extending those hours to the aforementioned terminal hours risks making the premises a post-club 'destination' where nightclub activity might continue. There is also a risk that noise nuisance to surrounding properties to a later terminal hour will occur. In addition, there are currently no conditions on the licence addressing the prevention of public nuisance further to the provision of recorded music and none have been proposed to support this application. We might reasonably expect that playing recorded music to an audience until 03:00 three nights a week and until 05:00 three nights a week would warrant some consideration further to the promotion of the licensing objectives.

5. As detailed above, Havering's guideline terminal hours with regard to fast food take-away shops are 00:00 Sunday to Thursday and 01:00 Friday and Saturday. The current premises licence already exceeds these guideline hours. The application provides no

supporting information to indicate why the applicant is of the view that the extended hours sought will not result in licensing objective failures.

6. Paragraph 12.2 of Havering's licensing policy as detailed above indicates that consideration will be given to the type of area in which the premises is located. As mentioned before, this area is at the centre of the Romford CI zone, is the main transport hub for Romford and is Havering's most significant crime hot-spot. Large numbers of late night revellers arrive at this particular area in the early hours looking to make their way home. The extension of hours the application seeks risks delaying the departure and dispersal of these individuals. Large numbers of potentially intoxicated people queueing to buy fast-food has the potential to cause public nuisance also to lead to occurrences of crime and disorder which is contrary to the promotion of the licensing objectives.

Complaint and inspection history (if applicable)

No complaints about the premises which are relevant to the provision of licensable activity have been received since 2017. We might therefore conclude that the current version of the licence is fit for purpose.

Summary

I consider that this application is incompatible with Havering's licensing policy aims. There is a significant potential that granting the application as submitted would add to cumulative impact within Romford's ring road: indeed, no argument to the contrary has been provided by the applicant. Havering's CI policy as detailed above might therefore suggest that the application should be refused.

Given that the application is essentially to extend the premises' terminal hours there is little scope for compromise, particularly considering that the premises already has terminal hours later than our policy guideline hours.

We might reasonably expect that if this application were to be granted as submitted the other premises within this CI zone would feel compelled to apply to extend their hours to be able to compete. We might then see an 'hours creep' in the vicinity, a vicinity we should remember is one of mixed use, i.e. there are residential properties close to this premises and throughout this CI zone.

Based upon the minimal entries within it I am unable to support the application and neither can I see how extending the current terminal hours by a lesser amount than those hours sought as a form of compromise would be able to be justified.

Romford Town Centre has the biggest day and night time economy in Havering. The venue is situated in the centre of the main transport hub for the borough where there is Romford train station, numerous bus stops and areas for people to congregate. There is also a large cab office in the same row of shops which is open 24 hours ferrying people from the clubs and bars home. This transport hub can be the busiest part of South Street as it attracts hundreds of commuters whether for business or leisure.

There have been a large number of incidents in the last few months in or around the venue later in the evening and in the early hours of the morning, these are:

CAD 6639 on Tuesday 22nd March 2022 - 2010 hours

Caller stating a group of about 20 children were refusing to leave Hot & Tasty. The children were giving hand gestures of "I am going to kill you" towards staff. Police earlier attended and the group left later on.

CAD 8025 on Friday 26th April 2022 - 2224 hours

Caller stating a customer was threatening staff and had something hidden whilst saying he was going to staff. Police attended and was a civil dispute over free food. Area search carried out for the male involved.

CAD 201 on Thursday 19th May 2022 - 0040 hours

Caller stating two people were fighting outside Hot & Tasty with one of them holding something in his hand. Police attended and area search completed but no trace of the males fighting.

CAD 8265 & 5412043/22 on Saturday 9th July 2022 - 2333 hours

Police attended outside Hot & Tasty to a call stating a male had threatened a lady with a baby. Suspect was stopped and was very drunk and was swearing and being loud. He had earlier been racially abusive to a member of the public and was arrested.

5415260/22 on Sunday 28th August 2022 - 2340 hours

Police attended outside Hot & Tasty and the venue next door where a verbal argument was taking place. Parties involved were dispersed and one suspect began being aggressive and started to shout and swear causing a disturbance. Arrested for being drunk and disorderly due to his behaviour and him being highly intoxicated. Later issued with a penalty notice.

CAD 7620 & 5416790/22 on Thursday 22nd September 2022 - 2210 hours

Caller stating there was a boy kicking off in Hot & Tasty and had blood on his hands and was giving abuse and had been physical by smashing glass. Police attended the venue and spoke with staff who advised that he just hit the window and not smashed it. Male later arrested for a public order offence.

5417283/22 on Saturday 1st October 2022 - 2200 hours

Police were called to o/s Hot & Tasty to a fight involving three males. Some of those involved left the scene and others were given a dispersal order.

CAD 281 & 5418356/22 on Thursday 20th October 2022 - 0103 hours

A loud verbal altercation could be heard by an officer on crime scene and an employee of Hot & Tasty approached stating that two different groups had an altercation inside the chicken shop and as a result a wooden internal door had become damaged.

Given the times of the above incidents, keeping this venue open later and attracting custom after all the pubs and clubs in close proximity have closed will cause large alcohol fuelled crowds to congregate and loiter in a small area which will likely cause disturbances, crime and disorder. Which will in turn cause the safety of the public to be at risk because of violent crime and injuries that often come with violent crime. Over recent years, the council and the Metropolitan Police have worked closely with McDonald's, which is situated around 50 metres from Hot & Tasty Chicken, whereby they were having issues with crowds and disorder, due to being open after Atik nightclub had shut. They volunteered to close earlier than Atik, avoiding people loitering in the area and there was a considerable decrease in disorder along South Street and Romford Town Centre.

The venue is also situated beneath a block of flats, therefore staying open until 5am at the weekends and 3am on weekdays will cause a public nuisance to residents above. This being members of the public in the early hours of the morning, after consuming alcohol shouting and being generally anti social.

Police ask the sub committee to reject this application.

Yours Sincerely,

E GROTE

PC Ellis GROTE
Licensing Officer
