REPORT

Subject Heading:

Procedure for the Hearing: Licensing Act 2003

Report Author and contact details:

Taiwo Adeoye (01708) 433079
e-mail: taiwo.adeoye@onesource.co.uk

Members are advised that, when considering application for a premises licence, the following options are available to them by virtue of the Licensing Act 2003, Part 3, section 35, paragraphs 3 and 4:

"Where relevant representations are made, the authority must

- (a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and
- (b) having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives.

The steps are:

- a) modify the conditions of the licence
- b) reject the whole or part of the application

and for this purpose, the conditions of the licence are modified if any of them is altered or omitted or any new condition is added."

The Sub-Committee will also wish to note that, if none of these steps is required, the application must be granted.

Assuming that the Sub-Committee is satisfied that a hearing is required, then the following procedural steps are recommended. The Licensing Act 2003 (Hearings) Regulations 2005 will govern the arrangements for the hearing of the application now under consideration. This report accords with the requirements of that Act and the Regulations, and in particular Regulations 21-25 (procedure at the hearing).

1. Membership of the Sub-Committee:

1.1 The Sub-Committee comprises three members of the Licensing Committee, with a quorum of two members. **Unless there are objections, in the absence of three members, the hearing shall proceed with the quorum of two.**

1.1.1 A member of the Licensing Committee will be excluded from hearing an application where he or she has considered an application in respect of the premises in the previous 12 months as a Member of the Regulatory Services Committee; or

1.1.2 is a Ward Councillor for the Ward in which the premises, subject to the application, are located; or

1.1.3 is a Ward Councillor for a Ward which is likely to be affected by the application or;

1.1.4 has a personal interest in the application.

2. Roles of other participants:

2.1 The Legal Advisor is not a party to the hearing. The role of the Legal Advisor is to provide legal advice relating to the application and submissions.

2.2 The Clerk is not a party to the hearing. The role of the Clerk is to record the hearing and the decisions of the Sub-Committee, and ensure efficient administration

3. Location and facilities:

3.1 All hearings will be heard at the Havering Town Hall unless otherwise directed.

3.2 Interpreters will be provided by the Council on request, provided notice is given at least five working days before the hearing.

4. Notification of attendance:

4.1 The Chairman will enquire of the parties who is in attendance and the parties will indicate their names (and, where relevant, whom they represent). A register will be circulated before the commencement of the hearing on which the applicant, his/her advisers and companions and all interested parties (and/or their representatives) will be asked to record their attendance.

5. Procedural matters:

5.1 Prior to the commencement of the hearing, the Chairman of the Sub-Committee will orally inform the parties whether their applications to have certain people attend the hearing (e.g. witnesses) have been granted or refused. Note this relates to people other than those attending on behalf of a party in the capacity as a representative of the party.

- 5.2 Prior to the commencement of the hearing the Chairman of the Sub-Committee will outline the procedure to be followed at the hearing. This will normally be as follows:

Introduction of the application:

The Licensing officer will outline:

- details of the application and relevant representations received from the parties;
- relevant legislation;
- relevant Licensing Policy; and
- the time limit in which the Council must reach a determination.

Documentary evidence:

- Documentary or other information in support of applications, representations or notices should be provided to the Clerk of the Sub-Committee at least 7 clear working days before the hearing. If this information is produced at the hearing it will only be taken into account by the Sub-Committee if the Sub-Committee and all the parties consent to its submission. Permission to have this information included in the hearing should be requested at the beginning of the hearing before any oral submissions have been made.
- Statements made by people in support of a party's representation who are not present at the hearing, must be signed by the maker, dated and witnessed by another person. The statement must also contain the witness's full name and occupation.

Representations:

- The chairman will invite each of the parties at the hearing or their representative sequentially to address the Sub-Committee and call any person/s to whom permission has been granted to appear. Each party will be allowed a maximum period of 10 minutes in which to address the Sub-Committee and call persons on his/her behalf.
- This 10-minute period is where each party has the opportunity to orally address the Sub-Committee and clarify any points in which the Sub-Committee has sought clarification prior to the hearing. This 10-minute period should be uninterrupted unless a member of the Sub-Committee or Legal Advisor considers that the speaker is making submissions that are irrelevant, frivolous or vexatious.
- Members of the Sub-Committee may ask questions of any party, at any time during the proceedings. Time taken in dealing with a Member's question will not be taken into account in determining the length of time available to the party in question to make their representation.

The sequence in which each of the parties will be invited to address the Sub-Committee will normally be in the order of:

- the Chief Officer of Police;
- the Fire Authority;
- the Health and Safety at Work Enforcing Authority;
- the Local Planning Authority;
- the Local Environmental Health Authority;
- the Local Weights and Measures Authority;
- the Authority Responsible for the Protection of Children from Harm;
- a navigation or other authority responsible for waterways; and
- any other party that has submitted representations in respect of the application, certificate, notice or other matter appearing before the Sub-Committee;
- the party that has submitted the application, certificate, notice or other matter appearing before the Sub-Committee.

At the discretion of the Sub-Committee the above order may be varied.

Cross-Examination:

Where witnesses have been permitted by the Sub-Committee to speak at the hearing on behalf of a party, permission must be sought from the Sub-Committee before another party can ask the witness questions. This process of questioning is normally referred to as cross-examination. The Sub-Committee will allow cross-examination only where it is necessary to assist it in considering the representations or application.

Relevance:

Information submitted at the hearing must be relevant to the applications, representations, or notice and the promotion of the licensing objectives. The Chairman of the Sub-Committee is entitled to exclude any information it considers to be irrelevant whether presented in written or oral form. The licensing objectives are:

- The prevention of crime and disorder;**
- Public safety;**
- The prevention of public nuisance; and**
- The protection of children from harm.**

6. Failure of parties to attend the hearing:

- 6.1 If a party, who has not given prior notice of his/her intention not to attend the hearing, is absent from the hearing the Sub-Committee may either adjourn the hearing or hold the hearing in the party's absence. Where the hearing is held in the absence of a party, the Sub-Committee will still consider the application, representation or notice submitted by that party.

7. Adjournments and extension of time:

7.1 The Sub-Committee may adjourn a hearing to a specified date or extend a notice period except where it must make a determination within certain time limits in the following specific applications:

- Review of premises licences following closure orders where the Sub-committee must make a determination within 28 days of receiving notice of the closure order.

8. Sub-Committee's determination of the hearing:

8.1 At the conclusion of the hearing the Sub-Committee will deliberate in private accompanied by the Clerk and the Legal Advisor who will be available to assist the Sub-Committee with any legal problems but will not participate in any decision making of the Sub-Committee.

8.2 The Sub-Committee will normally make its determination and announce its decision at the end of the hearing.

8.3 Where all parties have notified the Sub-Committee that a hearing is not required the Sub-Committee must make its determination within 10 working days of being given notice that the hearing is not required.

9. Power to exclude people from hearing:

9.1 The public are entitled to attend the hearing as spectators. However, the Sub-Committee may exclude any person from the hearing including any person assisting or representing a party where:

- it considers that the public interest would be best served by excluding the public or the individual person from the hearing; or
- that person is behaving in a disruptive manner. This may include a party who is seeking to be heard at the hearing. In the case where a party is to be excluded, the party may submit to the Sub-Committee in writing any information which they would have been entitled to give orally had they not been required to leave the hearing.

110. Recording of proceedings:

10.1 A written record of the hearing will be produced and kept for 6 years from the date of the determination of the hearing.

11. Power to vary procedure:

11..1 The Sub-committee may depart from following any of the procedures set out in this document if it considers the departure to be necessary in order to consider an application, notice or representation.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.

- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-

 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Dear Sir/Madam

I am writing to yourselves in regards to objecting to an alcohol licence for HORNCHURCH FOOD AND WINE 42-44 Squirrels Heath Lane, RM11 2EA.

In the area there is currently between 6-7 shops that sell alcohol, food and wine.

The impact to the neighbourhood will be significant with noise, rubbish and more footfall of street drinkers. Large groups of youths will be loitering from the local area along with the footfall of people from the local college.

Many Thanks

Paul Fortt
Local resident

Public nuisance: our area already had far too many places selling alcohol in the night time and every new one adds to the disturbance in the street and antisocial behaviour. we are often disturbed by late night early morning passers by who are noisy and disrespectful of the neighbourhood.

Crime and disorder:

Protection of children from harm: The selling of alcohol would also encourage a drinking culture on those nights which invariably makes its ways out into the local streets.

Public safety: Anti social behaviour. We have only recently got over the problem of youngsters drinking in this area could sell alcohol for 15 hours a day every day of the week will encourage more of this sort of behaviour .

Dear Sir

I am writing to object to an alcohol license to the premises in Hornchurch.

I don't see any good coming from this and only more problems re litter and noise.

I believe the cumulative policy needs to be upheld for the good of the area.

My principal objection is that our area already had far too many places selling alcohol in the night time and every new one adds to the disturbance in the street and antisocial behaviour. We are often disturbed by late night-early morning passers-by who are noisy and disrespectful of the neighbourhood. Such development of alcohol sales is likely lead to further disruption in the street environment and to our right for a peaceful existence.

I would be grateful if the Licensing team would consider my objection.
