It has been noted that none of the residents attended the hearing in person.</p> <p>The Licensing Sub-Committee has taken into consideration the council's Statement of Licensing Policy, the Public Sector Equality Duty, the Home Office guidance issued under section 182 of the Licensing Act 2003, the Duties under the Crime and Disorder Act 1988 and the rights set out in the Human Rights Act 1998.</p> <p>The Sub-Committee has concluded that the application should be granted with the proposed conditions offered by the applicant with amendments and additional one additional condition as follows:</p> <ul style="list-style-type: none"> • Condition 10 under 'The prevention of crime and disorder to be replaced with: 'No spirits should be sold in bottles of less than 35cl (centilitres)' <p>Cigarette Litter Control</p> <ol style="list-style-type: none"> 1. It was noted that the applicant had engaged with the authorities when making the application given that the premises is within a Cumulative Impact Zone. The Sub-Committee were impressed with the very robust conditions offered by the applicant and the lack of any representations from the responsible authorities was also indicative of the well thought out application.</p> <p>2. The applicant’s representative made representations which were persuasive and their willingness to adapt conditions were reassuring to the sub-committee. 		<p>undermining the licensing objectives, especially as the premises is in a cumulative impact zone. Taking account of all the circumstances, the conditions offered and agreed were reasonable and proportionate, sufficiently promoting the licensing objectives of prevention of crime and disorder, prevention of public nuisance, the protection of children from harm and public safety.</p> <p>3. The Sub-Committee were sympathetic to the objections raised by the residents who did not attend the hearing to amplify their objections. These related to Public Nuisance and the Prevention of Crime and Disorder but were satisfied with the single condition imposed on the premises to allay any fears the residents may have.</p> <p>4. The Sub-Committee asked the applicant a number of questions regarding the promotion of the licensing objectives and the day to day running of the business. The Sub-Committee were satisfied with the response from the applicant.</p> <p>5. The Sub-Committee was aware that it could not make any assumptions as to any potential impact the requested application might have in relation to the licensing objectives but must reach a decision based on the evidence before it. There was no evidence presented which could show that granting the application would undermine the licensing objectives. The Sub-Committee noted that the Licensing Act 2003 provides an alternative mechanism for dealing with issues where a premises breaches the licensing objectives.</p> <p>6. On the balance of probabilities, the Sub-Committee is satisfied that granting the application in the form of the amended application with the additional conditions,</p>
