Highway Schemes Applications Schedule

Highways Advisory Committee
18th February 2014

Item Ref	Location	Description	Officer Advice	Funding Source	Likely Budget	Scheme Origin/ Request from	Date Requested/ Placed on List	CRM / Contact
SECTION A - Highway scheme proposals with funding in place								
H1	Repton Avenue (by Main Road). Road currently closed with a gate.	Experimental road closure came into force in 1999 and no decision was taken to make permanent or remove.	Council needs to either remove road closure or advertise/ consult on making it permanent. Closure currently in force with a Temporary Traffic Management Order until permanent process concluded.	LBH Minor Schemes Revenue (2014/15)	c£1k	Mark Philpotts LBH Streetcare	24/12/2013	N/A
H2	The Ridgeway (by Lodge Avenue). Road currently closed with a gate.	No record of Traffic Order can be found for road being closed.	Council needs to either remove road closure or advertise/ consult on making it permanent. Closure currently in force with a Temporary Traffic Management Order until permanent process concluded.	LBH Minor Schemes Revenue (2014/15)	c£1k	Mark Philpotts LBH Streetcare	24/12/2013	N/A
H3	Crow Lane, Romford	Add Crow Lane into casualty reduction programme under "Brooklands Package" for 2014/15 LIP	Staff request street added into casualty review for Brooklands Package following requests by residents and various casualty cluster being recorded on street.	TfL LIP 2014/15	£85k	Mark Philpotts LBH Streetcare	10/02/2014	N/A
SECTION B - Highway scheme proposals without funding available								
H4	White Hart Lane, near Crownfield School	Request for 30mph VA sign.	Feasible but not funded. (Deferred from January 2014)	None	£4k	Cllr Trew	03/12/2013	Cllr Trew

Highway Schemes Applications Schedule

Highways Advisory Committee
18th February 2014

Item Ref	Location	Description	Officer Advice	Funding Source	Likely Budget	Scheme Origin/ Request from	Date Requested/ Placed on List	CRM / Contact
H5	Catherine Road, Romford	Request for 20mph speed limit	Feasible, but unfunded. Likely to require physical measures and the wider estate/ parallel routes would need to be treated to prevent transfer of through traffic.	None	£5k - £40k	Resident	30/12/2013	ENQ-0140163
H6	Rainham Road, Dunningford Close junction, Elm Park	Request to signalise junction and/ or widen right turn pocket from Rainham Road into Dunningford Close	Feasible, but unfunded. Land from Bretons Park would be required to widen road. Scheme would potentially provide easier access to Bretons Park.	None	£50k - £150k	Resident	07/01/2014	ENQ-0141622
H7	Western Road, Romford	Provision of traffic calming associated with pelican crossing outside shopping centre, possibly two stage speed table layout. Concerns about pedestrian safety at crossing.	Feasible, but unfunded. Costs would increase with the greater the intervention. Two stage speed table would be similar in approach to Hornchurch High Street.	None	£20k+	Liberty Shopping Centre	07/01/2014	ENQ-0139867
H8	Front Lane, near Kings Gardens/ Brookmans Close	Request for zebra crossing as residents finding it difficult to cross the busy road, especially children walking to Hall Mead School. Local concern following incident where 12-year old hit crossing the road.	Feasible as would accommodate a pedestrian desire line, but unfunded. Previously rejected in May 2013.	None	£20k	Cllr Barrett; plus petition (705 signatures)	27/01/2014	Cllr Barrett

Highway Schemes Applications Schedule

Highways Advisory Committee
18th February 2014

Item Ref	Location	Description	Officer Advice	Funding Source	Likely Budget	Scheme Origin/ Request from	Date Requested/ Placed on List	CRM / Contact
H9	Rainham Road, by Blacksmiths Lane, South Hornchurch	Replace zebra crossing with signalised crossing.	Feasible, but not funded, request rejected June 2013 (H5). Long term casualty statistics for zebra crossings and pelican crossings in Havering are similar. Current zebra crossing has no layout deficiencies.	None	£40k+	Jon Cruddas MP	28/01/2014	Jon Cruddas MP
H10	Ingrebourne Gardens, Cranham	Request for traffic calming.	Feasible but unfunded. Road is straight, wide and mainly without on-street parking. Larger area may need treatment to avoid displacement to adjacent streets.	None	£50k	Cllr Brice-Thompson	29/01/2014	Cllr Brice-Thompson
H11	Redden Court Road	Restriction on the use of the road by buses and HGVs using street as a "U" turn from A127 Southend Arterial	Feasible, but not funded. Such a scheme may need to be applied to adjacent streets in the same estate.	None	£5k	Cllr Eagling	06/02/2014	Cllr Eagling
SECTION C - Highway scheme proposals on hold for future discussion (for Noting)								
None to report this month
