

London Borough of Havering
 Traffic & Engineering - StreetCare
 Highway Schemes Applications Schedule

Highways Advisory Committee
 16th August 2011

Item Ref	Scheme	Description	Officer Advice	Funding Source	Likely Budget	Scheme Origin/ Request from	Date Requested/ Placed on List	CRM / Contact
SECTION A - Highway scheme proposals with funding in place								
H1	395 - 405 Brentwood Road	Provision of loading/ parking bay in connection with new development (Ref P0018.11)	Scheme tied to planning consent which will allow servicing of new development from a purpose built lay-by	Developer	£2k	David Ballm LBH StreetCare	06/07/2011	David Ballm LBH StreetCare
H2	Kidman Close, Gidea Park	Provision of double yellow lines on both sides of road in advance of adoption as is the current layout.	Existing unadopted road has double yellow lines placed by the developer to maintain refuse and fire access after representations by LBH Waste and LFB. Officer advice is to proceed to advertise them being made permanent in the interests for fire safety and waste access.	Developer	£1k	David Ballm LBH StreetCare	15/07/2011	David Ballm LBH StreetCare
H3	Heath Park Road Railway Bridge Structural Weight Limit	Provision of 3T Structural Weight Limit & 6' 6" width restriction following notification by Network Rail, including closure of Manor Road.	Staff implementing limits using Head of StreetCare delegated powers, but will require permanent Order within 18 months. If not implemented until NR agrees removal, Council takes risk for structural capacity for bridge.	Network Rail	£65k	David Ballm LBH StreetCare	11/07/2011	David Ballm LBH StreetCare
SECTION B - Highway scheme proposals without funding available								

London Borough of Havering
Traffic & Engineering - StreetCare

Highway Schemes Applications Schedule

Highways Advisory Committee
16th August 2011

Item Ref	Scheme	Description	Officer Advice	Funding Source	Likely Budget	Scheme Origin/ Request from	Date Requested/ Placed on List	CRM / Contact
H4	Crossways	Request for traffic calming and pedestrian crossing facilities	Similar request rejected February 2011	None	£30k	Resident	02/08/2011	1113498
H5	North Hill Drive, near Ashbourne Road, Harold Hill	Provide pedestrian crossing to assist elderly people accessing bus stop, who currently struggle because of high traffic flow	Pedestrian refuge would be feasible and consistent with other crossings in street and useful for elderly residents, but unfunded.	None	£10k	Resident	11/07/2011	1113138
H6	Heather Avenue, Romford	Request for speed humps or no-entry onto A12 Eastern Avenue	Removing access onto the A12 is not practical because of the limited space. This will create the potential for motorists to ignore any "no entry" style restriction, have the potential to affect other streets and the petrol station.	None	£25k	Resident	11/07/2011	1113386
H7	Beechwood Gardens/ Huntwood Close	Request for traffic calming via small chicanes	Road narrow with many dropped kerbs to driveways and chicanes do not appear practical. No casualties recorded in 3 years to April 2011.	None	£20k	Resident	02/08/2011	1116380

Highway Schemes Applications Schedule

Highways Advisory Committee
16th August 2011

Item Ref	Scheme	Description	Officer Advice	Funding Source	Likely Budget	Scheme Origin/ Request from	Date Requested/ Placed on List	CRM / Contact
H8	Faircross Avenue, Collier Row	Request for speed humps to be removed or width restriction put in to prevent lorries over 7.5 tonnes ignoring weight limit and using street - such lorries are causing noise and vibration.	Removal of humps feasible, but may lead to complaints about increased traffic flow. Pinch point feasible and might remove largest lorries. All unfunded.	None	£20k	Resident	03/08/2011	1116616
SECTION C - Highway scheme proposals on hold for future discussion (for Noting)								
None this cycle
