TPC622	Fairholme Avenue	Request to install a double yellow line in Fairholme Avenue, between the Pay and Display parking bay and the common boundary of Nos.2 and 4. TPC623	Coronation Drive, Maylands Avenue, Arbour Way, Calbourne Avenue, Spring Gardens	To extend the existing waiting restrictions in Coronation Drive to South End Road, including double yellow lines at the junctions of Arbour Way and Calbourne Avenue on to the roundabout at the junctions of the Broadway/Maylands Avenue and Broadway/Rosewood Avenue and on all four arms of the South End Road/Coronation Drive/Maybank Avenue junction incorporating the previously agreed Bus Stop provisions, reviewing all the roads for a possible residents parking scheme.	Proposals for this area were previously rejected for this area in July 2011. This is the area of Elm Park that seems to be experiencing the worst commuter parking problems. These problems are causing problems for the bus services on Coronation Drive and if addressed, this will compound problems in Arbour and Clabourne	LBH Revenue	Staff and Ward Councillors	Hacton/Elm Park
