<sup>6</sup> The target will track at 2% below the national average vacancy rate for town centres
<sup>7</sup> The target will track at 2% below the national average vacancy rate for town centres

#### **APPENDIX B: Benchmarking data**

Below is a list of available benchmarking data. Much of this benchmarking data is made available by London Councils as part of LAPS (Local Authority Performance Solutions) and data is sourced directly from organisations such as DWP and DfE. (The ranking for LAPs is 1 = best performance).

| Directorate             | Service              | Performance Indicator  | Source of LAPS benchmarking data                | Proposed<br>Havering 2015/16<br>Target |                         | Performance of Comparators                                   |                     |
