Item Ref	Location	Ward	Description	Officer Advice	Funding Source	Likely Budget	Scheme Origin/ Request from
SECTION A - Highway scheme proposals with funding in place							
None to report this month							
SECTION B - Highway scheme proposals without funding available							
H1	Broxhill Road, adjacent to the main entrance to the Sunset Drive Mobile Home Park	Heaton	Provision of a signalised pedestrian crossing to assist residents to cross from Sunset Drive to the east side of Broxhill Road because of difficulties residents have with speed and volume of traffic, many having impaired mobility.	Staff have met with the residents' association and have noted the difficulty for residents to cross and their concerns. A signalised crossing would be feasible, but not funded. Arrangement of crossing would depend on traffic speeds and detailed feasibility and therefore would influence the actual budget cost.	None	c£50k	Sunset Park Residents' Association
H2	Bird Lane, adjacent to A127 Southend Arterial Road	Cranham	Ban of left turns from A127 into Bird Lane to prevent rat-running at peak times or when A127 is congested	Feasible, but not funded. Scheme would require physical works to prevent left turns.	None	£25k	Cllr Barrett
SECTION C - Highway scheme proposals on hold for future discussion (for Noting)

	Broxhill Road, Havering-atte-Bower	Havering Park	Widening of existing and extension of footway from junction with North Road to Bedfords Park plus creation of bridleway behind.	Feasible, but not funded. Improved footway would improve subjective safety of pedestrians walking from Village core to park. (H4, August 2014)	None.	c£80k	Resident
	Finucane Gardens, near junction with Penrith Crescent	Elm Park	Width restriction and road humps to reduce traffic speeds of rat-running between Wood Lane and Mungo Park Road.	Feasible, but not funded.	None	£18k	Cllr Wilkes

Item Ref	Location	Ward	Description	Officer Advice	Funding Source	Likely Budget	Scheme Origin/ Request from
	A124/ Hacton Lane/ Wingletye Lane junction	Cranham, Emerson Park, St Andrews	Provision of "green man" crossing stage on all 4 arms of the junction.	Feasible, but not funded. Additional stage would lead to extended vehicle queues on approaches to junction. Current layout is difficult for pedestrians to cross and is subjectively unsafe. Pedestrian demand would only trigger if demand called and would give priority to pedestrians.	None	N/A	Resident
	Havering Road/ Mashiters Hill/ Pettits Lane North junction	Havering Park, Mawneys, Pettits	Provide pedestrian refuges on Havering Road arms, potentially improve existing refuges on other two arms	Feasible, but not funded. Would require carriageway widening to achieve. Would make crossing the road easier for pedestrians.	None	£30k+	Cllr P Crowder

Item Ref	Location	Ward	Description	Officer Advice	Funding Source	Likely Budget	Scheme Origin/ Request from
	Ockendon Road, near Sunnings Lane	Upminster	Pedestrian refuge	Feasible, but not funded. In the 3-years to July 2014, 2 injury collisions were recorded in the local vicinity. 21/5/12 5 cars involved, 1 slight injury. Junction with Sunnings Lane caused by U-turning driver. 2/9/13 1 car, 1 motorcycle, serious injury to motorcyclist. 50m east of Sunnings Lane caused by U-turning driver failed to see motorcyclist overtaking.	None	£8k	Cllr Hawthorn
	Dagnam Park Drive, near Brookside School		In response to serious concerns for pupils safety, crossing the road to attend Brookside Infant & Junior School, request to reduce speed limit from 30mph to 20mph.	Feasible but not funded. Speed limit change alone unlikely to significantly reduce speed and traffic calming will be required, but such that is compatible with a bus and feeder route. Adjacent side roads may need similar treatment for local limit to be logical.	None	£50k	1738 signature Petition received by Council via Former Cllr Murray
