<b>Item Ref</b>	<b>Location</b>	<b>Ward</b>	<b>Description</b>	<b>Officer Advice</b>
C1	Broxhill Road, Havering-atte-Bower	Havering Park	Widening of existing and extension of footway from junction with North Road to Bedfords Park plus creation of bridleway behind.	Feasible, but not funded. Improved footway would improve subjective safety of pedestrians walking from Village core to park. (H4, August 2014)
C2	Finucane Gardens, near junction with Penrith Crescent	Elm Park	Width restriction and road humps to reduce traffic speeds of rat-running between Wood Lane and Mungo Park Road.	Feasible, but not funded.
C3	A124/ Hacton Lane/ Wingletye Lane junction	Cranham, Emerson Park, St Andrews	Provision of "green man" crossing stage on all 4 arms of the junction.	Feasible, but not funded. Additional stage would lead to extended vehicle queues on approaches to junction. Current layout is difficult for pedestrians to cross and is subjectively unsafe. Pedestrian demand would only trigger if demand called and would give priority to pedestrians.

<b>Item Ref</b>	<b>Location</b>	<b>Ward</b>	<b>Description</b>	<b>Officer Advice</b>
C4	Havering Road/ Mashiters Hill/ Pettits Lane North junction	Havering Park, Mawneys, Pettits	Provide pedestrian refuges on Havering Road arms, potentially improve existing refuges on other two arms	Feasible, but not funded. Would require carriageway widening to achieve. Would make crossing the road easier for pedestrians.
C5	Ockendon Road, near Sunnings Lane	Upminster	Pedestrian refuge	Feasible, but not funded. In the 3- years to July 2014, 2 injury collisions were recorded in the local vicinity. 21/5/12 5 cars involved, 1 slight injury. Junction with Sunnings Lane caused by U-turning driver. 2/9/13 1 car, 1 motorcycle, serious injury to motorcyclist. 50m east of Sunnings Lane caused by U-turning driver failed to see motorcyclist overtaking.

<b>Item Ref</b>	<b>Location</b>	<b>Ward</b>	<b>Description</b>	<b>Officer Advice</b>
C6	Dagnam Park Drive, near Brookside School		In response to serious concerns for pupils safety, crossing the road to attend Brookside Infant & Junior School, request to reduce speed limit from 30mph to 20mph.	Feasible but not funded. Speed limit change alone unlikely to significantly reduce speed and traffic calming will be required, but such that is compatible with a bus and feeder route. Adjacent side roads may need similar treatment for local limit to be logical.
C7	Faircross Avenue	Havering Park & Mawney	Restrictions to prevent passage by HGV drivers who ignore 7.5 tonne weight limit.	Feasible, but not funded. Wider area would need to be considered drivers likely to divert to parallel and adjacent streets, hence cost estimate.
C8	Percy Road & Linley Crescent	Mawney	Closure of one end of Percy Road to prevent rat-running by inappropriate non-residential traffic, including HGVs. 51 signature petition.	Feasible but not funded.

<b>Item Ref</b>	<b>Location</b>	<b>Ward</b>	<b>Description</b>	<b>Officer Advice</b>
C9	Sunnings Lane	Upminster	Closure of street to through vehicular traffic near houses to deal with speeding and inappropriate use of street.	A closure near the houses may require the construction of turning areas and therefore costs would be higher.
